Gaston County, North Carolina, in the Civil War Robert C. Carpenter,2016-04-27 Civil War histories typically center on the deeds of generals and sweeping depictions of battle. This unique study of one Southern county's war experience tells of ordinary soldiers and their wives, mothers and children, slaves, farmers, merchants, Unionists and deserters--through an examination of tax records. The recently discovered 1863 Gaston County, North Carolina, tax list provides a detailed economic and social picture of a war-weary community, recording what taxpayers owned, cataloging slaves by name, age and monetary value, and assessing luxury items. Contemporary diaries, letters and other previously unpublished documents complete the picture, describing cotton mill operations, the lives of slaves, political disagreements, rationales for soldiers' enlistments and desertions, and economic struggles on the home front.

Gaston Kelly DiPucchio,2014-06-03 A bulldog and a poodle learn that family is about love, not appearances in this adorable doggy tale from New York Times bestselling author Kelly DiPucchio and illustrator Christian Robinson. This is the story of four puppies: Fi-Fi, Foo-Foo, Ooh-La-La, and Gaston. Gaston works the hardest at his lessons on how to be a proper pooch. He sips—never slobbers! He yips—never yaps! And he walks with grace—never races! Gaston fits right in with his poodle sisters. But a chance encounter with a bulldog family in the park—Rocky, Ricky, Bruno, and Antoinette—reveals

there's been a mix-up, and so Gaston and Antoinette switch places. The new families look right...but they don't feel right. Can these puppies follow their noses—and their hearts—to find where they belong?
