When Giants Walked the Earth 10th Anniversary Edition Mick Wall,2019-07-16 A revised edition of the classic Led Zeppelin biography, featuring rich and substantial new material Rock writer Mick Wall draws on insider access, as former confidante to both Plant and Page, to craft the definitive biography of the world's most legendary rock band—Led Zeppelin. In *When Giants Walked the Earth*, Wall audaciously tells the story of the band known not just as one of the biggest-selling bands of all-time, but also as the one that set the mark for on-the-road excess. Detailed and revealing, *When Giants Walked the Earth* bores into not only the disaster, addiction and death that haunted the band but also into the real relationship between Page and Plant, including how it was influenced by Page's interest in the occult. Comprehensive and yet intimately detailed, *When Giants Walked the Earth* literally gets into the principals' heads to bring to life both an unforgettable band and an unrepeatable slice of rock history. This edition includes approximately 35,000 words of new material about the band and the last decade, featuring fresh interviews and newly unearthed content.

Purple Records 1971-1978 Neil Priddey,2014-10-04 Details of every UK release on the Purple Records label from 1971 to 1978 with full colour, high quality photography throughout of labels, sleeves and inserts along with detailed analysis and identification of the crucial 1st pressing details of every album and single. Essential reading for collectors of Purple Records. Following in the footsteps of Frank Zappa, The Beatles and The Rolling Stones, Deep Purple's entrepreneurial management team founded the band's own 'vanity' record label in 1971. The brainchild of Tony Edwards and John Coletta, and, along with additional Purple companies, served to control virtually every business and financial aspect of Deep Purple's musical output, including management, promotion, publishing and of course recording. The label signed a diverse range of additional artists with an eclectic mix of styles, some of which would seem to be incongruous with Deep Purple's own 'hard rock' genre. The most comprehensively detailed book on the Purple Records label.
