**Marriage of a Thousand Lies** SJ Sindu,2017-06-13 “What a gorgeous, heartbreaking novel.”—Roxane Gay A necessary and exciting addition to both the Sri Lankan-American and LGBTQ canons, SJ Sindu's debut novel offers a moving and sharply rendered exploration of friendship, family, love, and loss. Lucky and her husband, Krishna, are gay. They present an illusion of marital bliss to their conservative Sri Lankan-American families, while each dates on the side. It’s not ideal, but for Lucky, it seems to be working. She goes out dancing, she drinks a bit, she makes ends meet by doing digital art on commission. But when Lucky’s grandmother has a nasty fall, Lucky returns to her childhood home and unexpectedly reconnects with her former best friend and first lover, Nisha, who is preparing for her own arranged wedding with a man she’s never met. As the connection between the two women is rekindled, Lucky tries to save Nisha from entering a marriage based on a lie. But does Nisha really want to be saved? And after a decade’s worth of lying, can Lucky break

free of her own circumstances and build a new life? Is she willing to walk away from all that she values about her parents and community to live in a new truth? As Lucky—an outsider no matter what choices she makes—is pushed to the breaking point, *Marriage of a Thousand Lies* offers a vivid exploration of a life lived at a complex intersection of race, sexuality, and nationality. The result is a profoundly American debut novel shot through with humor and loss, a story of love, family, and the truths that define us all.

Boston Boys Club Johnny Diaz, 2007 In his sharply observed and engrossing debut novel, Diaz depicts the lives of the men who gather in Boston's hottest gay bar to drink, mingle, and share stories, while they search for the perfect guy--for themselves.

A Map of the Harbor Islands Joseph George Hayes, 2006 *A Map Of The Harbor Islands* is the long-awaited novel from J. G. Hayes, the critically acclaimed bestselling author of *This Thing Called Courage* and *Now Batting for Boston*. This book charts the turbulent life courses of two South Boston friends, Danny O'Connor and Petey Harding, from their childhoods through their adult lives. 'Golden Boy' Petey has it all going for him - brains, charisma and his close friendship with Danny. Then an accident on the baseball field changes everything. Petey wakes from a coma a different person, completely different from the boy Danny knew and loved. Gone are the old habits, the old joy of baseball, the old way of thinking. Petey is left with a stutter and a new appreciation for life that Danny sometimes just cannot understand. Petey begins to tell stories and make maps - dragging a grudging Danny along. Over the years Danny begins to understand Petey, and slowly, he also begins to learn more about himself. Then Petey confesses that he is gay, which sends Danny on an odyssey he never dreamed could happen. Petey's map is one of hope for Danny and him, to escape the urban ghetto of South Boston. They are two wayfaring friends who swear a love for one another until the

very end. A Map Of The Harbor Islands carries the reader on a journey into the beauty of the world, physically and emotionally, along a current of love, friendship, self-growth and redemption.

**For People, Not for Profit** Thomas Martorelli, 2012-06-12 Thomas Martorelli's *For People, Not for Profit* tells the story of Fenway Health's growth from a small, volunteer-run walk-in clinic to an international leader in care and research for the lesbian, gay, bisexual and transgender (LGBT) community and people living with HIV/AIDS. It is also the story of the tremendous societal changes that drove and affected that growth. The community activism and volunteer collectives of the 1970s; the devastation of the HIV/AIDS epidemic which emerged in the 1980s; the LGBT civil rights movement that gained strength and momentum through the 1990s; and the advances in research and advocacy that have brought so many health care and civil rights victories in the 2000s are all there. At the same time, Martorelli tells us Fenway's story through the voices of the people who were and are still a part of this incredible organization from the early ups and downs through Fenway's growth into one of the largest LGBT health organizations in the world.

**Place to Belong** Claire Boston, 2017-01-20 Sean Flanagan has spent a lifetime alone and rejected, constantly hiding who he really is. With a father who deserted him and a mother who despised him, Sean didn't think things could get much worse ... until he was kicked out of home for being gay. Now he's discovered he has three half-sisters on the other side of the world. This might be his last chance to find people who will love and accept him. But he's terrified that if they find out who he really is then they'll reject him like the rest of his family. Sean arrives in Houston and is

stunned by the warm welcome he receives from his sisters. He begins to hope that maybe this time things will be different. That's when he meets Hayden Johnson. To follow his heart means risking everything with his newfound family. Hayden is tired of endless dating. He's looking for a man to love, someone to spend the rest of his life with. His boss's new brother ticks all the boxes on the attraction scale, but there's just one problem - he's not gay. Will Sean let his fears rule him, or will he let in the chance of love and find a place where he belongs?

This Thing Called Courage Joseph George Hayes, 2002 The boys and men you'll meet in This Thing Called Courage are doing their best to come to grips with being gay in a heavily Irish-Catholic working-class community. In a place known for its fierce loyalty to our own and a strong, traditional religious ethic, they are caught in the crossfire of traditional values, Irish tragedy, and the inevitable intrusion of diversity. The result of this lethal mix is occasionally comic, often tragic, sometimes redemptive and sometimes disastrous, but always compelling. --Book Jacket.

A History of the Boston City Hospital from Its Foundation Until 1904 Boston City Hospital, 1906  
The Crimson Letter Douglass Shand-Tucci, 2004-06 In a book deeply impressive in its reach while also deeply embedded in its storied setting, bestselling historian Douglass Shand-Tucci explores the nature and expression of sexual identity at America's oldest university during the years of its greatest influence. The Crimson Letter follows the gay experience at Harvard in the nineteenth and twentieth centuries, focusing upon students, faculty, alumni, and hangers-on who struggled to find their place within the confines of Harvard Yard and in the society outside. Walt Whitman and Oscar Wilde were the two dominant archetypes for gay undergraduates of the later nineteenth century. One was the robust praise-singer of American democracy, embraced at the start of his career by Ralph Waldo Emerson; the other was the Oxbridge aesthete whose visit to Harvard in 1882 became

part of the university's legend and lore, and whose eventual martyrdom was a cautionary tale. Shand-Tucci explores the dramatic and creative oppositions and tensions between the Whitmanic and the Wildean, the warrior poet and the salon dazzler, and demonstrates how they framed the gay experience at Harvard and in the country as a whole. The core of this book, however, is a portrait of a great university and its community struggling with the full implications of free inquiry. Harvard took very seriously its mission to shape the minds and bodies of its charges, who came from and were expected to perpetuate the nation's elite, yet struggled with the open expression of their sexual identities, which it alternately accepted and anathematized. Harvard believed it could live up to the Oxbridge model, offering a sanctuary worthy of the classical Greek ideals of male association, yet somehow remain true to its legacy of respectable austerity and Puritan self-denial. The Crimson Letter therefore tells stories of great unhappiness and manacled minds, as well as stories of triumphant activism and fulfilled promise. Shand-Tucci brilliantly exposes the secrecy and codes that attended the gay experience, showing how their effects could simultaneously thwart and spark creativity. He explores in particular the question of gay sensibility and its effect upon everything from symphonic music to football, set design to statecraft, poetic theory to skyscrapers. The Crimson Letter combines the learned and the lurid, tragedy and farce, scandal and vindication, and figures of world renown as well as those whose influence extended little farther than Harvard Square. Here is an engrossing account of a university transforming and transformed by those passing through its gates, and of their enduring impact upon American culture.

*The Beginning (2nd Edition)* David Scondras, 2018 Angels, Liars and Thieves Boston 1946-2000 Book One: to 1946 to 1984 a Memoir by David Scondras, the first openly-gay elected Boston City Councilor It will come as no surprise that I dedicate this book to Robert Krebs who has spent the

past 37 years living with me trying to help make our society a better place and who is my family. He taught me how to see the world from the point of view of a Methodist raised in Iowa, North Dakota, and California. Difficult for me, a radical Greek raised in Lowell, Massachusetts who thought another Greek Massachusetts politician, Michael Dukakis, was too conservative. This book explores my origins, how I became political, and how I came out as a gay man in Boston over the period of the 1960s through the 1980s.

A Radical Rethinking of Sexuality and Schooling Eric E. Rofes, 2005 A Radical Rethinking of Sexuality and Schooling: Status Quo or Status Queer? offers a startling and original critique of unexamined assumptions and liberal notions about sexuality and education in the United States. Professor and long-time community activist Eric Rofes argues that liberal approaches to gay issues and public schooling are inherently doomed to fail and that a radical approach is needed that addresses core issues of power in education in a meaningful way. Tackling issues ranging from anti-gay harassment in school to children's literature on gay themes, gender performances of teachers to HIV education, graduate school programs in education to gay men's sexual cultures, Rofes presents a compelling argument for the creation of a second generation of activism focused on queers, schools, and education, one that truly empowers young people and educators and one that has the potential to truly transform power relations in our nation.

Hot Sauce Scott Pomfret, Scott Whittier, 2009-09-26 Brad and Troy have it all. Brad, a celebrity chef before age 30, is one smart cookie. He knows that a while a good table may be all about display, it's the meal that counts. Troy, a hip fashion designer, is the fabulous force behind a string of Boston's trendiest boutiques. He's got swanky digs in Beacon Hill, quality social credentials, and pecs you could break your teeth on. Brad's mad for Troy and vice-versa. In fact, the two are so for

real they're getting ready to tie the lavender knot. Enter Aria Shakespeare. Peroxide-pretty Aria, one of Troy's simmering old flames, tells Brad that his lover has been slutting around behind his back. And Aria says he's got proof! Truth or fairy tale, it's the start of a love-struck ride that will take Brad and Troy from tony Boston to torrid Bermuda and back again. On the way they'll learn that sometimes you just have to trust your heart...even if you can't believe your eyes.
