Gaylords Inn Habu, 2016-04-21 GayLords Inn is both a primer in gay male Kama Sutra sexual positions, with Internet links to images of the positions, and a story of the first few months of an extraordinarily gay-friendly B&B set in the beach resort of Cape May, New Jersey. Chef Alex Renard, who specializes in Kama Sutra positions, and antique dealer Sean Temple, who, as a former gymnast, can accommodate Alex' fetish, have found and tried each other out only to find that they both are prepared to bid on a Victorian mansion just off the Cape May beach to turn into a gay-friendly B&B. They decide to combine their talents and resources and go into business together. They establish a twenty-eight-room inn, with each room named after a gay celebrity; hire a sex-services-willing staff; and embark on an enterprise that quickly crosses over into being a brothel and setting for porn films. In their first two months of business, their clientele runs from a closeted tennis pro and TV anchorman, to rock star, transvestite couple, politician and aides, first-time trysts, bounty hunter, escaping lover, a prejudiced father, suicidal disgraced TV comedian, spring-winter couples, and the entire cast and crew of porn movies. They have to deal with providing a whole gamut of sex services and sex training; deaths, both natural and not; protection

demands; thieving staffers; increasingly explicit sexual fetishes; the ominous attentions to Sean of Alex' brother, Eddie; and the need to assure privacy and provide a safe haven from the outside world. It's a wild ride that can either pull Alex and Sean apart or bring them closer together but that never suffers a dull moment. When consulted as a primer in gay male Kama Sutra sexual positions, the reader will find over eighty positions described, which can be seen in multiple photos on the linked Internet site. Also available in paperback.

Taboo Sex Stories Anna Filly, 2020-05-26 Do you want hot and dirty stories with anal, milfs, bdsm and submissive sex to stimulate your hidden feelings and repressed desires? Are you looking for a complete guide to sexual positions? If so, then keep reading... Have you ever imagined what it would be like to throw a sex party? Think about a threesome? Imagine leading your lover to a night of sexual power - or submission? Maybe you always liked to think you were a schoolgirl or a scientist. Or in your private moments, you could dream of being seduced by a rock star. Maybe your friend has succumbed

to the dream of becoming a sexy fireman, protecting beautiful girls from danger. Have you ever dreamed of doing the taboo sex act you could dream about with your new secretary at work for hours? Fantasies are free, intimate sex toys. They send a strong current from your brain to your groin. The right erotic dream, playing through your brain like in a private movie, will turn you on like a tap. If you know what works for you, your creative imagination will take you to dizzying heights of excitement - and take you over the orgasmic cliff. Sex is familiar to everyone and involves a biomechanical and instinctive relationship. Sex is more realistic and complex than what television and movies show. Sex is beautiful, all its forms. What good sex does to body, soul and mind is indescribable. It is not like a meal prepared with the same recipe, so you know what to expect. It's not like a hobby that constant repetition can easily lead to boredom. Romance, making love! Sex! Call it whatever you want, but if you don't feel that desire or satisfaction as much as you would like, then there will be a problem. Believe it or not, most marriages that have broken up have broken up because they are no longer getting the satisfaction they want from the relationship. Men cheat on their wives because she no longer satisfies them. Women do everything they can to have a sexual partner that makes them feel that spark of romance. In any case, it wouldn't be fair to blame anyone. After all, people who cheat in their marriages or relationships do it with someone else. So, the big question is, what do they have that she doesn't? This is about the idea of

bringing romance back into the everyday relationship, allowing the couple to get more enjoyment and fulfillment from their partner is the main goal of this work. The topics included here, which are tantric sex and kamasutra, will show you why certain styles and rituals are necessary and what are the benefits given to the couple. We have discussed the different aspects of sex before looking at the sexual positions that you can try if you have never tried them before, or that you can re-learn if you have tried them before. We then learned the dirty techniques and how it can be useful in your sex life, the Kama Sutra and some of the sexual positions it contains, tantric sex and how to start using it to improve your sex life and your relationship in general. As much as we love sex and love to have it, many people mystify it or make it sound like a bad thing. They talk about it in a soft voice and when no one is looking. Even when they talk about it, they don't like to admit that they are the ones who are involved in sex. It's always a friend or an acquaintance. Warning: Sex Stories is for adults only. Most desires will revolve around subtle - or overt - ideas of domination and submission, such as when someone considers a hard attitude to arouse or has romantic daydreams of surrendering to authoritarian figures. This book presents forbidden males and females in all their off-limits glory. Stories of erotic, sinful and taboo sex that will rock your world. Sometimes all you need is a dirty love story to get through the night. Ready to get started? Click on Buy N

Wouldn't you like to know how to give real pleasure to your partner? If the answer to the above question is yes then you made the right choice to read this book. Sex is a big part of romantic relationships, which is sometimes overlooked by the couple due to responsibilities and lack of communication. However, this does not mean that both partners don't yearn or are interested in having sex! This book is about couples who have been together for years and new couples, for people who wish to achieve a sexual union and spiritual love, for those who wish to offer and receive the real pleasure. The ancient oriental beliefs on the art of love were dedicated to the spiritual part of sex, with the most famous tradition being the Kama Sutra. Today, we use the Kama Sutra as a guide through which many couples get the inspiration they need and learn how to control their body and mind, their passion, their emotions, and find out how to achieve harmony and freedom in their intimate life. The Kama Sutra covers a wide range of topics from sexual rituals, methods to delay orgasm, oral sex, and many more. We will cover a wide range of topics that will help you achieve real sexual pleasure, overcome your insecurities, and enjoy the art of offering and receiving pleasure. You will become an inventive, tireless lover, something that we would love to learn how to be: In the first chapter, we will thoroughly analyze everything you need to know about the kama

Sutrasuch as its meaning, history, and structure. In the second chapter, we will talk about the problem of sexual anxiety performance and how this issue, along with your insecurities, can affect both you and your partner and the tremendous impact it can have on your sex lives. In the third chapter, we will talk about sexual fulfillment, something that should allow yourself to feel, and to do this, you should overcome both your anxieties and insecurities. In the fourth chapter, we will discuss sexual fantasies, which are the most common sexual fantasies people have, and how men can last longer in bed by improving their libido and concentration not to ejaculate prematurely. In the fifth chapter, we will analyze an essential part of every relationship, which is communication. A relationship where the two partners cannot communicate their needs is almost certainly doomed to fail. In the sixth chapter, we will present you with various tips on Tantric sex, including how to give perfect Tantric massages to your partner and to learn how to perform Tantric sex flawlessly. In the seventh and final chapter, we will present you with various sex positions perfect for your first time and do not require much expertise and tricks.
