

Gay Portland

Martin Duberman

Portland Queer Ariel Gore, 2009 Paperback

Gay Bars, Vice, and Reform in Portland, 1948-1965, 2002 The city of Portland adopted different policies toward gay bars between 1948 and 1965. Portland's conservative mayors, generally uninterested in changing the city or promoting growth, ignored gay bars. Reform mayors instigated campaigns against gay bars to gain public, political, and business support for their broader economic and social goals. They were able to use crackdowns on gay bars as popular components of their reform initiatives because Portland, in comparison to other cities, professed conservatism and morality and had little economic or cultural incentive to tolerate gay bars. Blaming Portland's vice on outsiders, reform mayors argued that their actions protected Portland's traditional reputability, despite the city's long history of tolerating vice and gay bars. This thesis focuses on the reform mayoral administrations of Dorothy McCullough Lee and Terry Schrunk and their policies toward gay bars and vice. Chapter two discusses Lee's attack on all criminality in Portland, and deals briefly with why the previous administration, under Frank Riley, was rejected as corrupt. Terry Schrunk's later reform, centered in suppressing sexual deviance and promoting economic development downtown, is discussed in chapter four. Chapter three describes growing awareness of queer communities, including changing definitions of queerness and perceived threats. These changes in popular beliefs about queerness, although not the direct cause of actions against gay bars in Portland, influenced the types of vice associated with gay bars, arguments used to justify anti-queer actions, and the level of priority placed on suppressing Portland's queer community. This thesis incorporates primary and secondary sources on gay bars, Portland, and queer history. It relies heavily on city council minutes and newspaper articles, but also draws from sources including City Club Bulletins, letters from Schrunk's constituents, interviews, popular psychological works, and comparisons with articles about other cities, such as Miami, San Francisco, and New York.

Served Hot Annabeth Albert, 2015-03-03 First in the gay romance series that delivers passion in Portland. "Tremendously charming and sexy, Served Hot is a knockout!" –RT Book Reviews In Portland, Oregon, the only thing hotter than the coffee shops, restaurants, and bakeries are the hard-working men who serve it up—hot, fresh, and ready to go—with no reservations . . . Robby is a self-employed barista with a busy coffee cart, a warm smile, and a major crush on one of his customers. David is a handsome finance director who works nearby, eats lunch by himself, and expects nothing but "the usual"—small vanilla latte—from the cute guy in the cart. But when David shows up for his first Portland Pride festival, Robby works up the nerve to take their slow-brewing relationship to the next level. David, however, is newly out and single, still grieving the loss of his longtime lover, and unsure if he's ready to date again. Yet with every fresh latte, sweet exchange—and near hook-up—David and Robby go from simmering to steaming to piping hot. The question is: Will someone get burned? Praise for the Portland Heat series "A charming read, a warm, feel-good story with just the right amount of angst (and steam!) featuring two likeable characters." –All About Romance on Served Hot "A really enjoyable story." –Joyfully Jay on Baked Fresh "Sometimes an author just gets everything right . . . Absolutely perfect." –Guilty Pleasures Book Reviews on Delivered Fast

A Curious and Peculiar People David Grant Kohl, 2016-12-21 Ten eventful years in GLBT history have passed since the first edition of A Curious and Peculiar People was written for the 30th anniversary of Portland's Gay Church in 2006. Major accomplishments in marriage equality, transgender recognition, and military status all grew from the historic accomplishments of the Stonewall era, recounted in this detailed and perceptive account. As the most recognized gay property in the area, MCC provided both a venue and support. This is a case study describing the success and failure of common people working together (mostly) for the common goal. of gay rights. Oregon attracted a unique mixture of activists and committed leaders - establishing early musical groups, churches, PRIDE efforts, underlying creative and committed dedication in the advent of HIV-AIDS. Research was based on over 200 interviews supplementing 35 years of local gay and lesbian publications. Over 400 photos bring the details of people and places into focus. An extensive listing of local organizations, business, and establishments have become a unique resource to follow-up research, especially in connection with the Oregon Historical Society and the Gay and Lesbian Archives of the Pacific North-West. This edition contains an extensive listing (7 pages Clubs, meeting places, bookstores, and more) of Historic GLBT Venues in Portland, Over 300 historical photographs, extensive listings of: Bibliography: Journalistic Publications; GLBT organizations& unions and groups; Community of Welcoming Congregations; and people Interviewed. It also contains an abridged index.

Knit Tight Annabeth Albert, 2016-04-12 It's not the coffee that puts the spring in a barista's step, it's the yummy stranger who walks through his door in this charming gay romance novella. One of Portland's hottest young baristas, Brady is famous for his java-topping flair, turning a regular cup of joe into a work of art. Every Wednesday—aka "Knit Night"—hordes of women and their needles descend on the coffeehouse, and Brady's feeling the heat. Into the fray walks a tall, dark, and distractingly handsome stranger from New York. His name is Evren, and he's the sexy nephew of Brady's sweetest customer, the owner of the yarn shop down the street. He's also got a killer smile, confident air, and masculine charm that's tying Brady's stomach in knots. The smitten barista can't wait to see him at the next week's gathering. But when he tries to ask Evren out, his plans unravel faster than an unfinished edge. If Brady hopes to warm up more than Evren's coffee, he'll have to find a way to untangle their feelings, get out of the friend zone, and form a close-knit bond that's bound to last a lifetime . . . "A particularly cozy entry into the Portland Heat series and features details of knitting nerdery and delicious cups of coffee." –Book Riot Praise for the Portland Heat series "Tremendously charming and sexy." –RT Book Reviews on Served Hot "A really enjoyable story." –Joyfully Jay on Baked Fresh "Sometimes an author just gets everything right . . . Absolutely perfect." –Guilty Pleasures Book Reviews on Delivered Fast

Who Needs Gay Bars? Greggor Mattson, 2023-05-30 Gay bars have been closing by the hundreds. The story goes that increasing mainstream acceptance of LGBTQ+ people, plus dating apps like Grindr and Tinder, have rendered these spaces obsolete. Beyond that, rampant gentrification in big cities has pushed gay bars out of the neighborhoods they helped make hip. Who Needs Gay Bars? considers these narratives, accepting that the answer for some might be: maybe nobody. And yet... Jarred by the closing of his favorite local watering hole in Cleveland, Ohio, Greggor Mattson embarks on a journey across the country to paint a much more complex picture of the cultural significance of these spaces, inside big four gay cities, but also beyond them. No longer the only places for their patrons to socialize openly, Mattson finds in them instead a continuously evolving symbol; a physical place for feeling and challenging the beating pulse of sexual progress. From the historical archives of Seattle's Garden of Allah, to the outpost bars in Texas, Missouri or Florida that serve as community hubs for queer youth—these are places of celebration, where the next drag superstar from Alaska or Oklahoma may be discovered. They are also fraught

grounds for confronting the racial and gender politics within and without the LGBTQ+ community. The question that frames this story is not asking whether these spaces are needed, but for whom, earnestly exploring the diversity of folks and purposes they serve today. Loosely informed by the Damron Guide, the so-called Green Book of gay travel, Mattson logged 10,000 miles on the road to all corners of the United States. His destinations are sometimes thriving, sometimes struggling, but all offering intimate views of the wide range of gay experience in America: POC, white, trans, cis; past, present, and future.

Queer Corners Donald Olson, 1999 The lives of comfortably middle-class gay professionals are turned upside down when a homophobic bigot and his televangelist wife move into their all-gay neighborhood and begin a statewide antigay rights campaign. This funny and outrageous novel tackles the personal and political battles surrounding gay culture and the religious right, and deals with issues many gay people face on a day-to-day basis: group identity, personal freedom, privacy, spirituality, gay history, and AIDS. Set in Portland, Oregon, *Queer Corners* is a moving, humorous, and sometimes shocking portrait of a community turned on its ear.

Delivered Fast Annabeth Albert, 2015-05-26 A Portland restaurant owner succumbs to temptation in this gay romance novella. "Sometimes an author just gets everything right . . . Absolutely perfect." –Guilty Pleasures Book Reviews Sure, Chris O'Neal has problems. His restaurant is still co-owned by his ex. His flannel-and-tattoos style is making him accidentally trendy. He can't remember the last time he went out and had fun. But he's not lonely, he's driven. And the hot bakery delivery boy is not his problem, no matter how sweet his buns. Chris is old enough to know Lance Degrassi's sculpted good looks and clever double-entendre's spell nothing but trouble. Lance is still in college—he should be hitting the clubs and the books, chasing guys his own age, not pursuing some gruff motorcycle-riding workaholic. Especially when he'll be leaving for grad school in a few months. But Lance keeps hanging around, lending a hand, charming Chris to distraction. Maybe some steaming hot no-strings indulgence won't hurt. Then again, maybe it will . . . Praise for the Portland Heat series "Tremendously charming and sexy, Served Hot is a knockout!" –RT Book Reviews "A charming read, a warm, feel-good story with just the right amount of angst (and steam!) featuring two likeable characters." –All About Romance on Served Hot "A really enjoyable story." –Joyfully Jay on Baked Fresh

Picture (im)perfect J. S. Frankel, 2015-09-01 Nolan Goodman, star swimmer for Portland High, meets Mia Swarva at a swim meet and thinks he's found his perfect girlfriend. They start dating, things are going well...and then he finds out that Mia was born Mark, and his concept of what constitutes relationships not to mention sexuality goes out the window. However, Mia has that certain something about her, and Nolan does his best to understand as he genuinely cares for her. Their relationship develops after a series of stops and starts, but when Mia is inadvertently outed on a social website, she and Nolan have to run the gamut of emotions as well as deal with the inevitable reaction to her being transgender. It is only then, that Nolan learns the true meaning of commitment.

God and the Gay Christian Matthew Vines, 2014 Reinterpretations of key Bible texts related to sexual orientation, written by a Harvard student, present an accessible case for a modern Christian conservative acceptance of sexual diversity.

Fugitives and Refugees Chuck Palahniuk, 2007-12-18 Want to know where Chuck Palahniuk's tonsils currently reside? Been looking for a naked mannequin to hide in your kitchen cabinets? Curious about Chuck's debut in an MTV music video? What goes on at the Scum Center? How do you get to the Apocalypse Café? In the closest thing he may ever write to an autobiography, Chuck Palahniuk provides answers to all these questions and more as he takes you through the streets, sewers, and local haunts of Portland, Oregon. According to Katherine Dunn, author of the cult classic *Geek Love*, Portland is the home of America's "fugitives and refugees." Get to know these folks, the "most cracked of the crackpots," as Palahniuk calls them, and come along with him on an adventure through the parts of Portland you might not otherwise believe actually exist. No other travel guide will give you this kind of access to "a little history, a little legend, and a lot of friendly, sincere, fascinating people who maybe should've kept their mouths shut." Here are strange personal museums, weird annual events, and ghost stories. Tour the tunnels under downtown Portland. Visit swingers' sex clubs, gay and straight. See Frances Gabe's famous 1940s Self-Cleaning House. Look into strange local customs like the I-Tit-a-Rod Race and the Santa Rampage. Learn how to talk like a local in a quick vocabulary lesson. Get to know, I mean really get to know, the animals at the Portland zoo. Oh, the list goes on and on.

A Queer World Martin Duberman, 1997-04 This anthology comprises 52 articles based on presentations at colloquia sponsored by the Center for Lesbian and Gay Studies (CLAGS) during its first decade (1986-96) at the CUNY Graduate School. Arrangement is in five sections covering identities as they revolve around gender and sexuality; the terrains of homosexual history; mind- body relations; laws and economics; and policy issues related to gay youth, AIDS, and aging. Annotation copyrighted by Book News, Inc., Portland, OR

The Vice Clique George Painter, 2013 The Vice Clique scandal occurred in Portland in 1912, when 68 men were implicated in the crime of consensual sex. Painter's book follows all 68 cases to the extent possible, and examines the scandal's impact on individual lives, and the impact it had on Oregon law and culture for approximately the next 100 years.

Journal Notebook L. E. E. T SHIPMAN, 2020-09-13 This minimalist and classic notebook is a wonderful multi-purpose journal for sketching, jotting down thoughts, and writing notes. Check out the specifications for more information. If you would like to see a sample of the notebook, click on the Look Inside feature. Specifications: *Layout: Unlined *Dimensions: 6x9 *Soft, matte laminated paperback cover *Cover color: Black *100 pages

Queer Kathy Belge, Marke Bieschke, 2019 Teen life is hard enough, but for teens who are LGBTQ, it can be even harder. When do you decide to come out? Will your friends accept you? And how do you meet people to date? *Queer* is a humorous, engaging, and honest guide that helps LGBTQ teens come out to friends and family, navigate their social life, figure out if a crush is also queer, and challenge bigotry and homophobia. Personal stories from the authors and sidebars on queer history provide relatable context. This completely revised and updated edition is a must-read for any teen who thinks they might be queer or knows someone who is.

Same-Sex Affairs Peter Boag, 2003-08-14 At the turn of the twentieth century, two distinct, yet at times overlapping, male same-sex sexual subcultures had emerged in the Pacific Northwest: one among the men and boys who toiled in the region's logging, fishing, mining, farming, and railroad-building industries; the other among the young urban white-collar workers of the emerging corporate order. Boag draws on police logs, court records, and newspaper accounts to create a vivid picture of the lives of these men and youths—their sexual practices, cultural

networks, cross-class relations, variations in rural and urban experiences, and ethnic and racial influences.

Queer Indigenous Studies Qwo-Li Driskill,2011-03-15 0This book is an imagining.0 So begins this collection examining critical, Indigenous-centered approaches to understanding gay, lesbian, bisexual, transgender, queer, and Two-Spirit (GLBTQ2) lives and communities and the creative implications of queer theory in Native studies. This book is not so much a manifesto as it is a dialogueÑa 0writing in conversation0Ñamong a luminous group of scholar-activists revisiting the history of gay and lesbian studies in Indigenous communities while forging a path for Indigenouscentered theories and methodologies. The bold opening to Queer Indigenous Studies invites new dialogues in Native American and Indigenous studies about the directions and implications of queer Indigenous studies. The collection notably engages Indigenous GLBTQ2 movements as alliances that also call for allies beyond their bounds, which the co-editors and contributors model by crossing their varied identities, including Native, trans, straight, non-Native, feminist, Two-Spirit, mixed blood, and queer, to name just a few. Rooted in the Indigenous Americas and the Pacific, and drawing on disciplines ranging from literature to anthropology, contributors to Queer Indigenous Studies call Indigenous GLBTQ2 movements and allies to center an analysis that critiques the relationship between colonialism and heteropatriarchy. By answering critical turns in Indigenous scholarship that center Indigenous epistemologies and methodologies, contributors join in reshaping Native studies, queer studies, transgender studies, and Indigenous feminisms. Based on the reality that queer Indigenous people 0experience multilayered oppression that profoundly impacts our safety, health, and survival,0 this book is at once an imagining and an invitation to the reader to join in the discussion of decolonizing queer Indigenous research and theory and, by doing so, to partake in allied resistance working toward positive change.
