Gay Seattle Gary Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu (ASN) Jesuit Book Award In 1893, the Washington State legislature quietly began passing a set of laws that essentially made homosexuality, and eventually even the discussion of homosexuality, a crime. A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle. *Gay Seattle* traces the evolution of Seattle's gay community in those 100 turbulent years, telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle. Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century, the earliest prosecutions for sodomy, the official harassment and discrimination through most of the twentieth century, and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured. Places of refuge from this imposed social exile were created in underground theater and dance clubs: the Gold Rush-era burlesque shows, modern drag theater, and in mid-century the emergence of openly gay bars, from the Casino to Shelley's Leg. Many of these were subjected to steady exploitation by corrupt police - until bar owner MacIver Wells and two Seattle Times reporters exposed the racket. The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self-help organizations such as the Dorian Society, gay businesses and advocacy groups including the Greater Seattle Business Association, and the stormy relationship between the Vatican, Seattle's Catholic hierarchy, and gay worshippers. Atkins's narrative reveals the complex and often frustrating process of claiming a civic life, showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics, the police, the media, and public opinion. The emergence of mainstream political activism in the 1970s, and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council, were momentous events, yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole. These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community. Collectively, they are a powerful testament to the endurance and fortitude of this minority community, revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without.

An Evening at the Garden of Allah Don Paulson, Roger Simpson, 1996 Within the pages of this book lies the story of the community of lesbians and gays that blossomed around America's first gay-owned cabaret, the Garden of Allah, in seedy downtown Seattle.

Report on Gay and Lesbian Youth in Seattle Seattle (Wash.). Commission on Children and Youth, 1988 Describes the problems and special needs of gay and lesbian youth and includes 21 recommendations for addressing them. Recommendations are included for the city, the Seattle school district, social service and health care agencies, and the media.

Weathering Change Thomas J. Linneman, 2003-09 The Pacific Northwest is known for its diverse, unusual politics. There are thriving gay and lesbian communities and populations of staunchly conservative Christians. Both groups wield political power out of proportion to their numbers and yet both feel beleaguered. How do members of these groups—both community leaders and everyday citizens—perceive the political climates that surround them This book tells a tale of two Northwestern cities: Seattle, well known nationally for its liberalism, and Spokane, its conservative cousin to the east. *Weathering Change* characterizes the ways these liberal and conservative environments translate into hostility and hospitality for the Christian conservatives, gay men, and lesbians who live within them. Linneman gives us a firsthand account of how people from both groups think about social change in relation to the media, the public, the government, their communities, and their opposition. Indeed, we gain much needed insight into why Christian conservatives view the progress of the gay and lesbian movement as such a threat.

Imagining Gay Paradise Gary L. Atkins, 2012-01-01 This look at gay paradises in Southeast Asia and the men who created them considers the obstacles gay men have faced in securing a voice as citizens, and how they have used images of paradise in Bali, Bangkok and Singapore to create a sense of refuge, construct homes for themselves, and dissent from typical notions of manhood and masculinity. It focuses on Walter Spies, a gay German painter who in the 1930s depicted Bali as an ideal male aesthetic state; Khun Toc, who founded an architectural paradise called Babylon in Thailand; and the cyber-paradise of Fridae.com created by a young Singaporean named Stuart Koe. Collectively, Atkins examines their pursuit of sexual justice, the ideologies of manhood they challenged, the different types of gay spaces they created (geographic, architectural, online), and political obstacles they have encountered. Gary Atkins is professor of communication at Seattle University. He is the author of *Gay Seattle: Stories of Exile and Belonging*.

Geisha of a Different Kind C. Winter Han, 2015-05-08 In gay bars and nightclubs across America, and in gay-oriented magazines and media, the buff, macho, white gay man is exalted as the ideal—the most attractive, the most wanted, and the most emulated type of man. For gay Asian American men, often viewed by their peers as submissive or too ‘pretty,’ being sidelined in the gay community is only the latest in a long line of racially-motivated offenses they face in the United States. Repeatedly marginalized by both the white-centric queer community that values a hyper-masculine sexuality and a homophobic Asian American community that often privileges masculine heterosexuality, gay Asian American men largely have been silenced and alienated in present-day culture and society. In *Geisha of a Different Kind*, C. Winter Han travels from West Coast Asian drag shows to the internationally sought-after Thai kathoey, or “ladyboy,” to construct a theory of queerness that is inclusive of the race and gender particularities of the gay Asian male experience in the United States. Through ethnographic observation of queer Asian American communities and Asian American drag shows, interviews with gay Asian American men, and a reading of current media and popular culture depictions of Asian Americans, Han argues that gay Asian American men, used to gender privilege within their own communities, must grapple with the idea that, as Asians, they have historically been feminized as a result of Western domination and colonization, and as a result, they are minorities within the gay community, which is itself marginalized within the overall American society. Han also shows that many Asian American gay men can turn their unusual position in the gay and Asian American communities into a positive identity. In their own conception of self, their Asian heritage and sexuality makes these men unique, special, and, in the case of Asian American drag queens, much more able to convey a convincing erotic femininity. Challenging stereotypes about beauty, nativity, and desirability, *Geisha of a Different Kind* makes a major intervention in the study of race and sexuality in America.

Gay City: Volume One Vincent Kovar, 2008 *Gay City: Volume One* is a collection of fiction, poetry, comic art and photography published under the auspices of Seattle's Gay City Health Project. The anthology addresses Gay City's mission of preventing HIV transmission by building community, fostering communication, and nurturing self-esteem. Included here are author Tom Spanbauer's 'Mr. Energy', written during the dark dawn of AIDS, alongside '25 Years, 25 Fears,' drawn by 'Ethan Green' creator, Eric Orner. Inside you'll also find an excerpt from novelists and syndicated columnist Michael Thomas Ford's novel 'Full Circle', eight pieces from the award winning poet Peter Pereira, vibrant works from artist Donna Barr, plus many others.

Jay's Gay Agenda Jason June, 2021-06-01 From debut novelist Jason June comes a moving and hilarious sex-positive teen rom-com about the complexities of first loves, first hookups, and first heartbreaks—and how to stay true to yourself while embracing what you never saw coming, that's perfect for fans of Sandhya Menon and Becky Albertalli. There's one thing Jay Collier knows for sure—he's a statistical anomaly as the only out gay kid in his small rural Washington town. While all his friends can't stop talking about their heterosexual hookups and relationships, Jay can only dream of his own firsts, compiling a romance to-do list of all the things he hopes to one day experience—his Gay Agenda. Then, against all odds, Jay's family moves to Seattle and he starts his senior year at a new high school with a thriving LGBTQIA+ community. For the first time ever, Jay feels like he's found where he truly belongs. But as Jay begins crossing items off his list, he'll soon be torn between his heart and his hormones, his old friends and his new ones . . . because after all, life and love don't always go

Fejes,2016-02-25 Using the 1977 campaign against the Dade County Florida gay rights ordinance as a focal point, this book provides an examination of the emergence of the modern lesbian and gay American movement, the challenges it posed to the accepted American notions of sexuality, and how American society reacted in turn.

Seattle Sports Terry Anne Scott,2020-08-17 Seattle Sports: Play, Identity, and Pursuit in the Emerald City, edited by Terry Anne Scott, explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play. The work gathered here covers Seattle’s professional sports culture as well as many of the city’s lesser-known figures and sports milestones. Fresh, nuanced takes on the Seattle Mariners, Supersonics, and Seahawks are joined by essays on gay softball leagues, city court basketball, athletics in local Japanese American communities during the interwar years, ultimate, the fierce women of roller derby, and much more. Together, these essays create a vivid portrait of Seattle fans, who, in supporting their teams—often in rain, sometimes in the midst of seismic activity—check the country’s implicit racial bias by rallying behind outspoken local sporting heroes.

The Freezer Door Mattilda Bernstein Sycamore,2020-11-24 A meditation on the trauma and possibility of searching for connection in a world that enforces bland norms of gender, sexual, and social conformity. When you turn the music off, and suddenly you feel an unbearable sadness, that means turn the music back on, right? When you still feel the sadness, even with the music, that means there's something wrong with this music. Sometimes I feel like sex without context isn't sex at all. And sometimes I feel like sex without context is what sex should always be.--The Freezer Door The Freezer Door records the ebb and flow of desire in daily life. Crossing through loneliness in search of communal pleasure in Seattle, Mattilda Bernstein Sycamore exposes the failure and persistence of queer dreams, the hypocritical allure of gay male sexual culture, and the stranglehold of the suburban imagination over city life. Ferocious and tender, The Freezer Door offers a complex meditation on the trauma and possibility of searching for connection in a world that relentlessly enforces bland norms of gender, sexual, and social conformity while claiming to celebrate diversity.

All the Better Part of Me Molly Ringle,2019-09-03 It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle—whom Sinter once kissed when they were 15.Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

Hidden Mercy Michael J. O'Loughlin,2021-11-30 The 1980s and 1990s, the height of the AIDS crisis in the United States, was decades ago now, and many of the stories from this time remain hidden: A Catholic nun from a small Midwestern town packs up her life to move to New York City, where she throws herself into a community under assault from HIV and AIDS. A young priest sees himself in the many gay men dying from AIDS and grapples with how best to respond, eventually coming out as gay and putting his own career on the line. A gay Catholic with HIV loses his partner to AIDS and then flees the church, focusing his energy on his own health rather than fight an institution seemingly rejecting him. Set against the backdrop of the HIV and AIDS epidemic of the late twentieth century and the Catholic Church's crackdown on gay and lesbian activists, journalist Michael O'Loughlin searches out the untold stories of those who didn't look away, who at great personal cost chose compassion--even as he seeks insight for LGBTQ people of faith struggling to find a home in religious communities today. This is one journalist's--gay and Catholic himself--compelling picture of those quiet heroes who responded to human suffering when so much of society--and so much of the church--told them to look away. These pure acts of compassion and mercy offer us hope and inspiration as we continue to confront existential questions about what it means to be Americans, Christians, and human beings responding to those most in need.
