**Attract Hotter Guys** Woody Miller, 2018-05-31 Attract Hotter Guys With Irresistible Body Language Are you subconsciously sending "go away" signals to cute guys? Learn how gestures, postures, stances, and handshakes make you more approachable with the first body language guide for gay men. Attract Hotter Guys is Book #2 of 3 Books In The Gay Dating Series. Look In The Mirror. Your Body Language Is All Wrong Can I tell you a story? Going out to bars and parties destroyed my self-esteem. I felt like a complete loser. How many times can you come home without meeting anybody before you feel like there's something wrong with you? Seriously, have you ever come home from parties, events, clubs and bars more depressed than when you left? If you're like me, you've tried everything. Different bars, different people, different events. You changed your look, your clothes, your style. The result? Nada, nothing, zip. You may as well go straight. Well one day, I met a body language expert. He told me something that would change my life: Half the Guys You Like Are Turned Off By Your Body Language You know what my reaction was? "Bullsh\_t." I mean, come on! Body language? I'm not meeting good looking guys because of my body language? Puh-leeze. Stay with me because this is where it gets interesting. The body language expert (a psychologist, actually) took me under his wing and coached me in the art of using body language to attract the kind of guys I liked. He wanted a guinea pig-ME-to prove that the sexual body language principles that work for straight couples could, with some adaptation, work for gay men. Yes, body language for gay men. Here's a partial list of what he changed: \* The way I shook hands. \* The way I leaned in (or away). \* How I pointed with my feet (yes, feet, long story). \* The angle that I talked to people. \* The direction that I approached guys I wanted to meet. \* The way I looked at guys I was interested in. \* The way I used my body to catch their eye. \* The way I used my hands to gesture. The result? In less than an hour, two good-looking guys

struck up a conversation with me! After that profound revelation I was determined to make this knowledge available to all other gay guys who couldn't figure out why their love life sucked. So here it is and here's what you'll learn: MAKE YOURSELF MORE APPROACHABLE 1. Wear certain types of shirts and pants. Research shows men are far more attracted to clothes that... Well, it's on Page 23. 2. Wear a certain type of jewelry and accessories. I'll give away one of the secrets right now: Shoes! Find out why on Page 25. 3. Open your "Territory Line." I show you how to do it on Page 26. 4. Create "Invisible Hallways" between the two of you by using your hands and arms while you're talking to friends. 5. Point with your hands, your feet and your head. This is a little known secret among communication researchers. Pointing is an "invitation" (it also reveals how he feels about you). Where should you point and how? It's all on Page 28. 6. Use Inviting Postures. Whether you're standing, sitting (even slouching), there are do's and don'ts to show your interest. They're all on Page 29. 7. Make it easy for him to touch you. See Page 30 for inventive things you can wear or do to make touching you irresistible. They work like a charm! Fed Up With Feeling Invisible At Bars & Parties? Not meeting the type of guys you like? Frustrated you always have to make the first move? Use this guide to change your body language and watch how many more attractive guys approach you.

The Velvet Rage Alan Downs, 2006-04-25 The gay male world today is characterized by seductive beauty, artful creativity, flamboyant sexuality, and, encouragingly, unprecedented acceptability in society. Yet despite the progress of the recent past, gay men still find themselves asking, Are we really better off? The inevitable byproduct of growing up gay in a straight world continues to be the internalization of shame, a shame gay men may strive to obscure with a façade of beauty, creativity, or material success. Drawing on contemporary psychological research, the author's own journey to be free of anger and of shame, as well as the stories of many of his friends and clients, The Velvet Rage outlines the three distinct stages to emotional well-being for gay men. Offering profoundly beneficial strategies to stop the insidious cycle of avoidance and self-defeating behavior, The Velvet Rage is an empowering book that will influence the public discourse on gay culture, and positively change the lives of gay men who read it.

Gaydar Kim Dare, 2009-03-30 Find a gay man in a gay bar. Matt's sure that should be a lot easier than it actually is. Matt's having a run of bad luck - one that's lasted ever since he stepped out of the closet. An uncanny ability to home in on the only straight guy in a

bar room full of gay men really isn't doing his sex life any favours. A knack for picking complete jerks whenever he does stumble upon a genuinely gay man isn't helping either. But, this time everything is going to be different. This time Matt's absolutely sure his gaydar has guided him towards a completely sane, entirely gay man - which is why he's arranged to meet him in the gents' room in five minutes. What could possibly go wrong?

Behind Every Great Woman There's a Fabulous Gay Man Dave Singleton, 2005 A gay man dishes out his 25 most unfailing, uncompromising pieces of advice--based on stories from real women.

Savin-Williams, 2017-11-13 Based on research, the author explores in this publication the personal stories of forty young men to help us understand the biological and psychological factors that led them to become mostly straight and the cultural forces that are loosening the sexual bind that many boys and young men experience.

**Helping Gay Men Find Love** Israel Martinez, 2017-09-18 Navigating the complex dating world is difficult, but finding a life partner is particularly challenging for gay men. On the surface alone, the pool of options is significantly smaller, and potential matches can be hard to spot. But psychology also plays an important role. Growing up as a sexual minority often leads to insecurities and developmental issues particular to gay men, and these create roadblocks when attempting to build a healthy relationship. Author and psychotherapist Israel Martinez, LCSW, who himself identifies as gay, has helped many LGBT clients work through these obstacles in their efforts to find lasting love. His well-researched, well-tested, and effective techniques begin by addressing self-esteem issues and from there work toward building practical relationship skills. These skills, paired with sincere effort, will markedly increase the chances of finding-and sustaining-a healthy partnership. A straightforward and helpful guide, *Helping Gay Men Find Love* builds on itself chapter by chapter, guiding readers through each stage-from the first date to meeting the parents. This book gives gay men a better chance of acquiring what all human beings need: love and companionship.
