Sebastian Brünink

The Mesoamerican Ballgame Vernon L.

Scarborough, David R. Wilcox, 1993-01-01 The Precolumbian ballgame, played on a masonry court, has long intrigued scholars because of the magnificence of its archaeological remains. From its lowland Maya origins it spread throughout the Aztec empire, where the game was so popular that sixteen thousand rubber balls were imported annually into Tenochtitlan. It endured for two thousand years, spreading as far as to what is now southern Arizona. This new collection of essays brings together research from field archaeology, mythology, and Maya hieroglyphic studies to illuminate this important yet puzzling aspect of Native American culture. The authors demonstrate that the game was more than a spectator sport; serving social, political, mythological, and cosmological functions, it celebrated both fertility and the afterlife, war and peace, and became an evolving institution functioning in part to resolve conflict within and between groups. The contributors provide complete coverage of the archaeological, sociopolitical, iconographic, and ideological aspects of the game, and offer new information on the distribution of ballcourts, new interpretations of mural art, and newly perceived relations of the game with material in the Popol Vuh. With its scholarly attention to a subject that will fascinate even general readers, The Mesoamerican Ballgame is a major contribution to the study of the mental life and outlook of New World peoples.

The Ball John Fox, 2012-05-15 Anthropologist John Fox sets off on a worldwide adventure to the farthest reaches of the globe and the deepest recesses of our ancient past to answer a question inspired by his sports-loving son: Why do we play ball? From Mexican jungles to the small-town gridirons of Ohio, from medieval villages and royal courts to modern soccer pitches and baseball parks, *The Ball* explores the little-known origins of our favorite sports across the centuries, and traces how a simple invention like the ball has come to stake an unrivaled claim on our passions, our money, and our lives.
