*Flight of the Diamond Smugglers: A Tale of Pigeons,  
Obsession, and Greed Along Coastal South Africa* Matthew Gavin  
Frank,2021-02-23 “Unforgettable. . . . An outstanding adventure in  
its lyrical, utterly compelling, and heartbreaking investigations of the  
world of diamond smuggling.” —Aimee Nezhukumatathil For nearly  
eighty years, a huge portion of coastal South Africa was closed off  
to the public. With many of its pits now deemed “overmined” and  
abandoned, American journalist Matthew Gavin Frank sets out  
across the infamous Diamond Coast to investigate an illicit trade  
that supplies a global market. Immediately, he became intrigued by  
the ingenious methods used in facilitating smuggling particularly,  
the illegal act of sneaking carrier pigeons onto mine property,  
affixing diamonds to their feet, and sending them into the air.

Entering Die Sperrgebiet (“The Forbidden Zone”) is like entering an eerie ghost town, but Frank is surprised by the number of people willing—even eager—to talk with him. Soon he meets Msizi, a young diamond digger, and his pigeon, Bartholomew, who helps him steal diamonds. It’s a deadly game: pigeons are shot on sight by mine security, and Msizi knows of smugglers who have disappeared because of their crimes. For this, Msizi blames “Mr. Lester,” an evil tall-tale figure of mythic proportions. From the mining towns of Alexander Bay and Port Nolloth, through the “halfway” desert, to Kleinsee’s shores littered with shipwrecks, Frank investigates a long overlooked story. Weaving interviews with local diamond miners who raise pigeons in secret with harrowing anecdotes from former heads of security, environmental managers, and vigilante pigeon hunters, Frank reveals how these feathered bandits became outlaws in every mining town. Interwoven throughout this obsessive quest are epic legends in which pigeons and diamonds intersect, such as that of Krishna’s famed diamond Koh-i-Noor, the Mountain of Light, and that of the Cherokee serpent Uktena. In these strange connections, where truth forever tangles with the lore of centuries past, Frank is able to contextualize the personal grief that sent him, with his wife Louisa

in the passenger seat, on this enlightening journey across parched lands. Blending elements of reportage, memoir, and incantation, *Flight of the Diamond Smugglers* is a rare and remarkable portrait of exploitation and greed in one of the most dangerous areas of coastal South Africa. With his sovereign prose and insatiable curiosity, Matthew Gavin Frank “reminds us that the world is a place of wonder if only we look” (Toby Muse).

*The Ninth Life of a Diamond Miner* Grace Tame, 2022-09-27

Grace Tame has never walked on middle ground. From a young age, her life was defined by uncertainty - by trauma and strength, sadness and hope, terrible lows and wondrous highs. As a teenager she found the courage to speak up after experiencing awful and ongoing child sexual abuse. This fight to find her voice would not be her last. In 2021 Grace stepped squarely into the public eye as the Australian of the Year, and was the catalyst for a tidal wave of conversation and action. Australians from all walks of life were inspired and moved by her fire and passion. She was using her voice and encouraging others to use theirs too. *The Ninth Life of a Diamond Miner* is Grace's story, in Grace's words, on Grace's terms. Here she returns, again and again, to the things

that have driven and saved her: love, connection and radical, unwavering honesty. Like Grace, this book is sharply intelligent, deeply felt, wildly unexpected and often blisteringly funny. And, as with all her work, it offers a constructive and optimistic vision for a better future for all of us. Sydney Morning Herald/The Age 'The Ninth Life of a Diamond Miner, an honest, raw and at times harrowing piece of writing, far from being a one-note memoir, also sparkles with wit and artless joy.' The Australian 'Grace Tame's The Ninth Life of a Diamond Miner shifts expectations . . . The book is loosely chronological, but mostly follows the rhythms and shapes of Tame's thoughts. It is held together by a strong, irreverent,

*The Covenant* James A. Michener, 2015-03-10 James A.

Michener's masterly chronicle of South Africa is an epic tale of adventurers, scoundrels, and ministers, the best and worst of two continents who carve an empire out of a vast wilderness. From the Java-born Van Doorn family tree springs two great branches: one nurtures lush vineyards, the other settles the interior to become the first Trekboers and Afrikaners. The Nxumalos, inhabitants of a peaceful village unchanged for centuries, unite warrior tribes into the powerful Zulu nation. And the wealthy Saltwoods are missionaries and settlers who join the masses to influence the wars and politics that ravage a nation. Rivalries and passions spill across the land of The Covenant, a story of courage and heroism, love and loyalty, and cruelty and betrayal, as generations fight to forge a new world. Praise for The Covenant "A prodigious

endeavor . . . Nowhere else could an American reader unfamiliar with South Africa get so full an understanding of its problems in so engaging a form.”—The New York Times Book Review

*Red Ridge* T. M. Takoda, T. M. Phillips, 2004 Set in the year 2225. For Torrin of Red Ridge, the journey to leadership and manhood begins at age 25. No longer will he be a watcher on the lookout ridge, searching the warning beacons for signs of war. He will learn the secrets hidden deep within his mountain home of Monte Cristo. Secrets even his own mother has held from him. But his best friend Sherman will be there for him, just as he always has. Torrin's journey begins east, to the very fringes of his own wilderness. Deep in a northwest forest, an ancient world is revealed to the young leader - a world of power and strength in the form of a man. What he learns from his father, however, he can share with no others. No one must know of the forest dwellers.

Friendships are rekindled as five young adults revisit their past. A past of childhood pranks, and laughter, hard work and training. They seek answers of the America they read about, and the Oil Wars that changed everything. Youth may have grown to adulthood, but a bond of courage has formed that will remain unbreakable. The great Dome in the mountains has also begun a journey. For 200 years it lay silent and menacing, well protected by the Red Ridge people. But silent it will be no more. Its slow rise from the earth has shattered the quiet, well-blended community. Peace and laughter has reigned for more than a hundred years in the Robe Valley. But the thunder of evil looms on the horizon. The forgotten Dome in the Cascade Mountains has been remembered once again. Red Ridge must transform themselves from mountain people to hardened warriors.
