Jewels That Made History Stellene Volandes,2020-10-13 The history of the world--triumphs and tragedies, breakthroughs and breakups--through the iconic jewels that have inspired and influenced since the dawn of time. From ancient treasures to royal weddings, great heists to the red carpet, this book is a stunning, surprising, and glittering tour of historic turning points and gem-driven drama, delving into the passions and predilections of some of the world's most interesting and extraordinary people. Starting in the era of Cleopatra and continuing through to contemporary jewelry statements by Jennifer Lopez, Lady Gaga, and Meghan Markle, Stellene Volandes tells the stories of how shiny stones and precious metals have determined empires, inspired expeditions and great crime, and been the communicator of status and ruin since ancient times. Each moment is placed in historic and relevant context, with Volandes drawing engaging parallels between Napoleon's gift to Marie Louise at the birth of their son and the modern push present or the insouciant story behind the brooch Jackie Kennedy famously wore to a 1962 State Dinner with the Shah of Iran. Illustrated with a mix of archival images and gorgeous photography of the jewels, this book is a beautiful, informative, and essential read for history lovers, fashion, celebrity, and pop-culture followers, as well as passionate jewel hounds.

Teens Have Style! Sharon Snow,Yvonne Reed,2013-03-18 Authors Sharon Snow and Yvonne Reed present fashion as a way to offer a fun and interesting program for teens in the library—and not just for girls. Today's fashion-savvy teenaged guys are just as likely to be eager participants. **Teens Have Style!:** Fashion Programs for Young Adults at the Library provides an easy-to-follow template for creating popular programs within the public or school library setting that will capture the attention of most teenaged girls. In **Teens Have Style!**, librarians will find programs they can adapt to their individual style or specific age range of their younger patrons, such as getting ready for the prom, making jewelry, decorating sneakers, creating a green outfit from recycled materials, and many more. All of the ideas are flexible and can be matched to other educational programs or to fit the library's needs, regardless of its size. For example, school librarians can partner with art teachers to orchestrate a Fashion as Art program, which challenges students to identify a painting that they like and then to create an outfit that reflects the style and feel of that work of art.
