*The Usual Suspects* Maurice Broaddus,2019-05-21 Fans of Jason Reynolds and Sharon M. Draper will love this oh-so-honest middle grade novel from writer and educator Maurice Broaddus. Thelonius Mitchell is tired of being labeled. He's in special ed, separated from the "normal" kids at school who don't have any "issues." That's enough to make all the teachers and students look at him and his friends with a constant side-eye. (Although his disruptive antics and pranks have given him a rep too.) When a gun is found at a neighborhood hangout, Thelonius and his pals become instant suspects. Thelonius may be guilty of pulling crazy stunts at school, but a criminal? T isn't about to let that label stick.

*Fact Hunt* Larry Bundy Jr,2020-02-06 A bumper collection of facts about video games from YouTuber extraordinaire, Larry Bundy Jr, this book will debunk myths and urban legends, delve into developers' biggest successes and failures, explore the odd characters behind the games and unearth the obscure, the forgotten, the cancelled and the abandoned aspects of the gaming world. For the past decade, Larry has painstakingly trawled through countless old magazines, routinely harassed developers, and blackmailed journalists to uncover these amazing tidbits and anecdotes that would have fallen by the wayside of history. Now he has compiled them into a fun, full-colour book with sections on botched game launches, pointless peripherals, unreleased video game movies, weird guest fighters and much, much more. Along the way, he has invited a few famous gaming guests, including Stuart Ashen and Did You Know Gaming?, to provide their favourite quips for your personal perusal. So whatever your level of knowledge about video games, you're guaranteed to learn a ton of entertaining new information.

**Encyclopedia of American Short Films, 1926-1959** Graham Webb,2020-07-10 Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.
