G.E.M.S. Daphne Valcourt,2022-11-08 In the ancient traditions, inspirational life lessons and words of wisdom were passed on from one generation to the next through the oral tradition; modern technology (television, electronic games, gizmos, and social media) however has replaced these oral traditions resulting in important life lessons and impactful stories that help to strengthen character and build resilience not being passed on. This book was written as a legacy to my daughter to help preserve these life lessons for generations to come; in so doing, these lessons will not be lost or forgotten. In times of crisis or distress, most people tend to revert to a more primitive form of existence to seek for strength, but conceivably, if the life lessons were never learned then there would be nothing to revert to; it is then that they give up in defeat. This book has valuable life lessons, impactful stories and research discoveries, which are called "G.E.M.S" and is shared to encourage and strengthen you in your personal journey. Enjoy the Journey!
