Joseph Smith's New Translation of the Bible Kent P. Jackson, Scott H. Faulring, Robert J. Matthews, 2004 This volume--the work of a lifetime--brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day.

The Sealed Portion - The Final Testament of Jesus Christ Christopher Na, 2005-04 The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed. The angel Moroni commanded him not to break the seals, but to translate only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed them to several others. These men gave their personal testimony as witnesses to the existence of the plates and to the truthfulness of the Book of Mormon. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate the plates, and none has made claim that he has received the exact same gold plates that were in

Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and continues through until the end of the millennium, when the earth will be restored to a state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbolism of the book of Revelation. He recounts the prophets Ubaid, Zarathustra, Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the translation of the sealed portion, the first part of the gold plates that was translated by Joseph Smith, Jr. and subsequently lost by his scribe, Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is lead from blindness into the light as he or she discovers the truths written within these pages.

Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints, 2000 The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these

chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

An Introduction to Mormonism Douglas J. Davies, 2003-10-23 Although one of the fastest growing religious movements in the world, the Church of Jesus Christ of Latter-day Saints remains a mystery in terms of its core beliefs and theological structure. This timely book provides an important introduction to the basic history, doctrines and practices of The LDS--the Mormon Church. Emphasizing sacred texts and prophecies as well as the crucial Temple rituals of endowments, marriage and baptism, it is written by a non-believer, who describes Mormonism in ways that non-Mormons can understand.
