*Peach State Precision* Nathan Dallas, 2017-09-19 This is the ultimate guide book for trophy whitetail deer hunters in the state of Georgia. Pursuing a trophy buck is a heart-pounding thrill. Harvesting a mature whitetail is an accomplishment that most Georgia hunters never experience. The deer in the southeastern corner of the country are some of the most difficult to hunt because the animals here are smarter, more skittish, less forgiving, and harder to pattern than the ones typically seen on TV or read about in magazines. To be successful in the Georgia woods, a hunter must possess knowledge and discipline. This manual was created specifically for the Georgia hunter to gain both. *Peach State Precision* will guide you through the process to become an elite whitetail hunter in the Peach State. Whether you are a novice or veteran, a gun-hunter or bow-hunter, you will find invaluable instruction in this entertaining and easy read. There is no other item in the hunting store that will be more valuable than this comprehensive manual. Nathan Dallas, a lifelong outdoorsman with a passion for whitetail, will swiftly guide you through practical topics including: Elite mindset Proper planning Strategic travel Using trail cameras Reading signs Hunting clothing Scents and lures Calls Stand setup Wind strategy Understanding the rut Planting and feeding Herd management Common misconceptions Stalking and more *Georgia Game and Fish*, 1969

*Hiking Georgia* Jimmy Jacobs, 2020-06-01 Hiking Georgia, 5th edition features some of the best trekking adventures the Peach State has to offer. Whether the trails are in the high mountains of north Georgia, on coastal barrier islands, or in fertile Piedmont river valleys, the flora, fauna, and scenery are spectacular. The more than 70 hikes (plus 14 honorable mentions) offer up detailed hike descriptions, step-by-step directions, gorgeous full-color photos, and GPS-tracked color trail maps to make the journey easier and more enjoyable.

Sam in Full Ed Oliver, 2010-09-24 SAM IN FULL is a humorous, heart warming story of a White Tailed Deer Family told through the eyes of an Ol' Man that loved them. The deer assume almost humanistic characteristics as the story unfolds. The book is much more than a hunting adventure. It will bring a tear to your eye, a smile to your face and you will never forget the characters. The book is a must read for anyone who loves to laugh, loves the world of the White Tailed Deer and has a deep philosophy of life.

**A Sportsman's Life** Leigh Perkins, 2022-10-01 When Leigh Perkins bought the Orvis Company in 1965, the fly-fishing and bird-hunting outfitter was a sleepy business with annual sales that had leveled off at \$500,000. Over the next thirty years Perkins built Orvis's annual sales to \$100 million by revolutionizing the catalog retail industry and reshaping the company's tradition-bound culture. He achieved this by blending his love of nature with his business acumen and bringing the commonsense approach he learned in the streams and on his hunts to his boardroom decision making. The basic principles he used to run his business include: The Customer Is Always Right. . . Even When You Know Damned Well He's Wrong: Perkins put such a high priority on customer service that he would personally man the phones at the height of the holiday season each year to keep in touch with his customers. Product Excellence: Perkins made sure that everything Orvis sold was of the highest quality--even if that meant he had to fight the US government to get access to embargoed Chinese bamboo for fly rods. Empower Your Employees: By promoting from within, and by empowering his employees to solve problems without manager involvement, Perkins built a loyal and talented team. Living the outdoor life his catalog popularized, Perkins traveled all over the world to fish and hunt, from Argentina to New Zealand, while devoting his resources to conservation causes worldwide.
