**Tuck-in Time** Carole Gerber,2014-08-19 A lyrical bedtime poem by the author of *Seeds, Bees, Butterflies, and More!* follows a bedtime romp involving a little child who after getting ready for bed realizes that she forgot to give her Mama a kiss. Illustrated by the artist of *Elephant's Story*.

How You Came to Be Carole Gerber,2022-04-05 This love letter written from mother to child invites readers to experience a baby's month-by-month development in the womb as compared to familiar fruits and vegetables. A mother lovingly describes the sizes and stages of her baby's month-by-month development inside the womb, and the amazement of experiencing it from the outside. Look at you - as big as a banana! Some of your cells formed into bones, and your arms and legs grew longer. I could feel you kick! Sometimes when I rubbed my belly, I felt you thump back. Was that your way of saying hello? Simple, age-appropriate facts are woven into a tender and lyrical text that celebrates the miracle of a baby. It demystifies and informs readers, while simultaneously appreciating the wonder of it all. A perfect read-aloud for mother and child, or for children whose mothers are pregnant with a younger sibling.

Dear Parent Magda Gerber,1998 Internationally renowned infant specialist Magda Gerber, M.A., the founder of RIE, offers a healthy new approach to infant care based on a profound respect for each baby's individual needs and abilities.

**Expanding Receptive and Expressive Skills Through Stories (EXPRESS)** Evelyn R. Klein,Sharon Lee Armstrong,Janice Gordon,Donna Kennedy,Carolyn Gerber Satko,Elisa Shipon-Blum,2017-11-15 *EXPanding Receptive and Expressive Skills through Stories (EXPRESS): Language Formulation in Children with Selective Mutism and Other Communication Needs* is a resource that provides a treatment approach for speech-language pathologists, teachers, psychologists, parents, and others working with children with selective mutism and other language delays or disorders such as language learning disabilities, autism spectrum disorders, or for children learning English as a second language. It is a program for expanding receptive and expressive language skills with five

levels of communication to accommodate children from nonvocal stages through spontaneous vocalization. The EXPRESS approach includes activity modules corresponding to classic children's stories. Children's literature is used as a flexible and adaptable tool for presenting activities designed to help expand vocabulary and grammar, engage in question-answer routines, improve sentence formulation, and generate narrative language. Creativity and imagination are also fostered using sentence formulation and story generation. EXPRESS supports the Common Core State Standards for English and Language Arts. Each of the modules requires the corresponding storybook that can be obtained individually or found within *The 20th Century Children's Book Treasury*, a compendium that includes all the stories. EXPRESS requires the use of classic children's stories to complete the activity modules. The stories can be obtained individually, through an inclusive compendium, or through online videos. To obtain each storybook individually, contact your preferred library or bookseller. *The 20th Century Children's Book Treasury* (ISBN-13: 978-0679886471) is a compendium that includes all the stories. It can be purchased through your preferred bookseller (such as Amazon) or the publisher (Penguin Random House). Disclaimer: At the time of publication all information and links are accurate.
