How to Get Pregnant, Even When You've Tried Everything A'ndrea Reiter, 2018-07-08 When you've tried everything to get pregnant—from eating the right foods to spending thousands on medical treatments—and nothing's worked, it's hard to stay positive. But this book holds the key to success. The mind-body connection, a vastly under-acknowledged and under-studied area in fertility, has helped many women become pregnant. It can help you, too. Holistic fertility coach A'ndrea Reiter teaches you about the four areas that may be blocking your ability to conceive and offers concrete ways to navigate them. Her mind-body approach focuses on natural methods instead of invasive and expensive fertility procedures. A'ndrea also provides practical exercises, in-depth case studies, eye-opening information, and expert guidance on understanding the nuances of energy and mindset. Whether you have PCOS, endometriosis, male factor infertility, unexplained infertility, thyroid issues, or are over forty, A'ndrea can show you how to move through it and achieve your dream of motherhood.
