getAbstract AG

**Summary of Jerk by Christopher Surdak** getAbstract AG,2016-07-12 Strategy consultant Christopher Surdak argues that disruptive companies have already figured out that information is replacing capital as the basis of wealth. Surdak calls this shift a “Jerk,” the physics term for “an extremely rapid change in condition – violent, uncontrolled and difficult to contain.” He covers some successful, disruptive Jerk companies, such as Uber and Airbnb, and lays out 12 tactics for your Jerk firm, such as using other people’s capital, turning customers into information-mining partners and creating your own virtual money. Surdak, winner of getAbstract’s 2014 International Book of the Year for Data Crush, is an engaging writer with a knack for relevant historical background, and his presentation is a lot of fun to read. getAbstract recommends his insights to CEOs, investors, strategists in mature industries and, especially, start-up entrepreneurs. This officially licensed summary of Jerk was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

*Summary of You Don't Have to Be Ruthless to Win by Jonathan Keyser* getAbstract AG,2019-12-25 Jonathan Keyser promises that selfless service pays. After working in cutthroat commercial real estate and feeling like a phony, he changed his perspective. With help from mentors, Keyser found that selflessness led to profit. He shares his “Three Levels of Reinvention” and “15 Core Operating Principles,” while stressing that selflessness means not expecting anything in return. He warns that success in any competitive field requires perseverance and the drive to outperform everyone else. Keyser urges you to base your work on your love for your clients. This officially licensed summary of You Don't Have to Be Ruthless to Win was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of Vaporized by Robert Tercek** getAbstract AG,2015-12-04 Media executive Robert Tercek switches between two authorial voices: Grandpa explaining digital history and Internet networks versus Cassandra warning about the consequences of the coming age of “vaporization,” when nearly every transaction and company will go digital. The former voice will appeal to college students and older businesspeople, but the latter voice is more interesting, in fact, fascinating. Tercek writes with clarity and logic. He admirably avoids jargon. His expertise informs the history he describes and the credible predictions he makes. This is a rare overview written by an insider with successful outside experience. He regards Apple, Google and Amazon as oligarchies whose leaders understand that no asset is as valuable as properly applied data. The future belongs to them. Of course, as Tercek explains, that raises issues of personal privacy and monopolistic business practices. getAbstract recommends this perceptive analysis to those new to digital businesses, those whose business model is at risk of vaporization and those hoping to profit from the coming shift from the physical world to the universe of data. This officially licensed summary of Vaporized was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

*Summary of The Rumble Zone by Jim Boneau* getAbstract AG,2020-08-13 Most people associate drum circles with the counterculture and rarely think of them in relation to how their corporations function. However, drum circles can build emotional and energetic connections among people, says drummer and organizational change expert Jim Boneau. The energy of the drum circle can provide a powerful transformational metaphor for organizational change. All of that happens in the “rumble,” a time of chaos and change. This officially licensed summary of The Rumble Zone was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

*Summary of Leadership Unchained by Sara Canaday* getAbstract AG,2020-09-18 Sara Canaday offers clear guidelines for the demands and challenges facing leaders today, taking into account how the nature of leadership has changed. She covers when it is better not to act; how emotion fights objectivity; how leaders benefit from hearing diverse perspectives; why you need a “Stop Doing” list; and why trusting facts without verifying them is dangerous. Being truthful is paramount, she teaches, and everything else leaders must do follows from that. This officially licensed summary of Leadership Unchained was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of The Adventures of Women in Tech by Alana Karen** getAbstract AG,2021-11-22 Hear the voices of women recount their stories of triumph, and, alas, frustration, as they navigate their technology careers. Alana Karen, a director of search platforms at Google, recounts how women succeed in tech careers and why they stay despite the myriad challenges the industry presents, including an inhospitable work culture, persistent pay inequity, and the daily demands of balancing work and home responsibilities. Karen surmises that resolving these issues will require the collective effort of tech companies and women in senior roles to foster inclusivity and improve overall diversity. This officially licensed summary of The Adventures of Women in Tech was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

Summary of The Jungle by Upton Sinclair getAbstract AG,2019-12-02 Upton Sinclair’s novel The Jungle shocked respectable Americans in 1906. Repeated economic crises punctuated rapidly growing industrial output, casting millions of people out of work and onto the streets. Conventional thinking was that these events were transient phenomena and that hard work and clean living would deliver individual prosperity in time. Many Americans saw slums, vice and squalor as signs of individual shortcomings – nothing more than new immigrants bringing bad habits and poor discipline with them from the old countries. The Jungle turned that way of thinking on its head. The economic system Sinclair portrayed took decent hard-working immigrants, stripped them of their savings, health, dignity and frequently their lives, in pursuit of shoddy, unsafe consumer products. It rewarded crime and political corruption, while crushing anyone foolish enough to demand fair treatment and a decent life. Unfortunately, Sinclair’s exposé of meat processing conditions in Chicago was the only part of his novel to truly upset respectable Americans’ stomachs. Food safety standards raised quickly, but improving working conditions would take decades longer. More than one hundred years on, the same questions of food quality and exploitation of the many for the benefit of a few once again resonate in debates on inequality, processed foods and pesticide residues. This summary of The Jungle was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

Summary of The Rookie CEO, You Can't Make This Stuff Up! by Bill Miller getAbstract AG,2022-03-28 In this tour of mistakes by new CEOs, executive coach Bill Miller shares his experiences working with rookie leaders in his long career as a consultant. Dividing the book into four sections – path, philosophy, culture and leadership style – Miller details the qualities that give certain rookie chief executives an edge and tells readers where others went wrong. You will savor the successes and failures of the Builder, the Flyboy, the Cyclone and the Innovatist, among others. Miller likes a funny story, and facing these CEOs’ most egregious errors, he throws up his hands and exclaims, “You can’t make this stuff up!” This officially licensed summary of The Rookie CEO, You Can't Make This Stuff Up! was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

Changing on the Job Jennifer Garvey Berger,2011-11-30 Listen to people in every field and you'll hear a call for more sophisticated leadership—for leaders who can

solve more complex problems than the human race has ever faced. But these leaders won't simply come to the fore; we have to develop them, and we must cultivate them as quickly as is humanly possible. Changing on the Job is a means to this end. As opposed to showing readers how to play the role of a leader in a paint by numbers fashion, Changing on the Job builds on theories of adult growth and development to help readers become more thoughtful individuals, capable of leading in any scenario. Moving from the theoretical to the practical, and employing real-world examples, author Jennifer Garvey Berger offers a set of building blocks to help cultivate an agile workforce while improving performance. Coaches, HR professionals, thoughtful leaders, and anyone who wants to flourish on the job will find this book a vital resource for developing their own capacities and those of the talent that they support.

**Get Momentum** Jason W. Womack, Jodi Womack, 2016-04-05 A powerful and personalized process to improve your life and advance your career Do you sometimes feel stuck, despite real efforts to gain momentum on goals you've set? Momentum means you're doing more than simply getting things done. It's that feeling of satisfaction, the belief that you can achieve big goals and complete important projects that fulfill you both personally and professionally. Get Momentum coaches you in the mindset, skill set, and toolkit required to make progress on the items you have on your life and work goals faster and easier, while living a less stressful, more meaningful life. The authors, Jodi Womack and her husband Jason Womack, provide valuable insights into the psychology of change and how to direct your focus to experience fulfillment at work and in life. The authors share what they know having built a successful executive coaching firm together, as well as facilitating leadership workshops in their home town and more than twenty countries around the world. Contrary to the promise of many self-help/business books, they believe there is no one-size-fits-all recipe for success. Get Momentum teaches you how to make proactive changes based on the solid foundation of your own "quality of life" criteria. Jodi and Jason offer clear, step-by-step guidance on how to define your personal criteria so that you can Get Momentum, improve your life and enhance your career. You will learn how to: Answer the Call (What to do when you say "Someone should do something about this!") Organize a Team and Gain the Perspective of People You Trust Measure Something (Just Not Everything At Once) Experiment Specifically and Practice Deliberately Build Momentum, Recognize Your Wins, and Pay It Forward With kindness, accountability and encouragement, Get Momentum will help you tap into your natural way of being to achieve professional goals and personal experiences that are on your bucket list, living a life you're proud to share with others.

**Managing Information Quality** Martin J. Eppler, 2013-06-05 What makes information useful? This seemingly simple and yet intriguing and complicated question is discussed in this book. It examines ways in which the quality of information can be improved in knowledge-intensive processes (such as on-line communication, strategy, product development, or consulting). Based on existing information quality literature, the book proposes a conceptual framework to manage information quality for knowledge-based content. It presents four proven principles to apply the framework to a variety of information products. Five in-depth company case studies show how information quality can be managed systematically. The book uses frequent diagrams and tables, as well as diagnostic questions and summary boxes to make its content actionable.

**Summary of The CEO's Guide to Restoring the American Dream by Dave Chase** getAbstract AG, 2020-08-07 This collection of essays about the US health care system, its out-of-control costs, and how companies and insurance buyers can better manage them delivers an important and urgent message. Dave Chase heads the Health Rosetta, a nonprofit and public benefit corporation that shares practical and nonpartisan fixes to health care. As its CEO, he demonstrates expertise and passion in this insider's guide to managing your company's health care benefits. This officially licensed summary of The CEO's Guide to Restoring the American Dream was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of Take the Cold Out of Cold Calling by Sam Richter** getAbstract AG, 2011-11-09 Google identifies more than one trillion unique Internet URLs (web page addresses), with new pages multiplying exponentially. Thousands of different search engines can help you locate information on these trillion-plus pages, but a single search can net hundreds of thousands of results. So much information exists online that finding what you want can be difficult. In his helpful, resource-rich book, Internet and sales expert Sam Richter teaches you how to search the web effectively. Richter details numerous specialized search engines and websites for finding business information that will impress your prospects. getAbstract recommends Richter's guide to salespeople who want to close more business by becoming or sounding supremely well informed. This officially licensed summary of Take the Cold Out of Cold Calling was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of Designed to Win by Po Chung** getAbstract AG, 2021-02-23 How does DHL succeed where other courier companies fail? Since the 1970s, it has offered delivery options in far-flung locations - including some that other courier services don't reach - and operated according to values its leaders see as timeless and cross-cultural. Po Chung, author and co-founder of DHL International, explains that part of the company's success hinges on its human-centric approach. It values special customer service moments robots can't replicate. DHL's pioneering path offers multiple lessons for designing and developing a strong global company, including Chung's clearly written, accessible advice for leaders who want to create holistic growth. This officially licensed summary of Designed to Win was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**How to Listen and How to Be Heard** Alissa Carpenter, 2022-10-10 Inclusive Conversations at Work People often avoid difficult conversations; but these discussions need to happen to bring us together so we can all succeed. The best employees and leaders know that harnessing the power of our differences will build stronger teams, ideas, and organizations. If we all think, feel, and act so differently, how do we get anything done? The first step is recognizing that these differences exist. And that they're here to stay. How to Listen and How to be Heard enables you to empower yourself and others to communicate with people who think, act, and experience things differently than you do, and do so with more confidence, candor, and authenticity. It shows you how to bridge the conversation gap and use your unique voice to start powerful conversations-learning to communicate with, through, and alongside what makes us different. It's about open dialogue and practical tools for authentic communication in the workplace. It's about remembering that we're all here to work together. ALISSA CARPENTER is a multigenerational workplace expert and owner of Everything's Not Ok and That's OK, where she provides training, consulting, and speaking services to organizations all over the world. Carpenter has delivered a TEDx talk on authentic workplace communication, and has been featured in media outlets including Forbes, ABC, FOX, and CNN Money.

**Summary of Value by Robyn Haydon** getAbstract AG, 2016-10-26 Australian business development consultant Robyn Haydon explains why customers should focus on the "value" of the services their suppliers provide, not just on the price. Customers should look for purchases that convey important "value attributes," such as being "safer, cheaper, simpler, faster, smarter" or "better." She also warns sellers to push against letting customers treat their offerings as interchangeable commodities. Sellers should tout the benefits they offer to their clients - services that create value - not their methods or practices. Haydon tends to interpose analysis with anecdotes, and the book's disjointed structure makes it a challenging read. Still, getAbstract believes that executives in firms that buy or sell services will find that this

conversation addresses issues that confront them daily. This officially licensed summary of Value was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of Think Excellence by Chaim Botwinick** getAbstract AG,2012-04-26 Business has become so competitive that people increasingly regard superior performance as the expected norm. Just being good at what you do isn't enough anymore. So how do you upgrade yourself and your efforts? Educator Chaim Y. Botwinick answers that question, and many more, in this short, supportive book with a foreword by Stephen R. Covey. Botwinick outlines nine thoughtful "power principles" and tells you how to use them to achieve your best work. getAbstract recommends his straightforward, logical advice to anyone who feels a little stuck on the road to excellence. This officially licensed summary of Think Excellence was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of You Were Born to Speak by Richard Newman** getAbstract AG,2019-05-22 When you were a kid, you naturally knew how to communicate by using body language and words in combination. Somehow, over time, bad habits and fear buried that knowledge. Speech expert Richard Newman shows you how to utilize your body language so it supports rather than undercuts your message. If you're looking for presentation advice, this is a good place to start. This officially licensed summary of You Were Born to Speak was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. Find out more at [getabstract.com](http://getabstract.com).

**Summary of How to Fix a Factory by Rob Tracy** getAbstract AG,2020-08-17 All factories struggle, writes seasoned manufacturing executive Rob Tracy. Sooner or later, your plant will fall behind in on-time delivery, your workforce will lose morale and the production calendar will fill up with emergency "hot list" scheduling. Tracy points out that getting a factory back in shape may be hard, but it's not complicated. He explains step-by-step how to identify weaknesses, set attainable goals, get the cooperation of the whole organization and make improvements that last. This officially licensed summary of How to Fix a Factory was produced by getAbstract, the world's largest provider of book summaries. getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there. ## Getabstract Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Getabstract free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Getabstract free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Getabstract free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Getabstract. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Getabstract any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Getabstract Books

**What is a Getabstract PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Getabstract PDF?** There are several ways to create a PDF: Use

software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Getabstract PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Getabstract PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Getabstract PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
