Naptime with Joey Laura Izumikawa, 2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes *Naptime with Joey*, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from *Stranger Things*. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. *Naptime with Joey* is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

How to Get Followers on Twitter Steve Burns,2011-08 While other books will tell you all about how to use twitter, how to set up a profile, and inform you of the overwhelming amount of applications available to use with your twitter account. This twitter book is only about one thing, how to get and keep followers. The purpose of this book is to give twitter users who are frustrated with their small followings 100 ideas to help them build their following. By using the ideas found in this book consistently over a period of time it is possible to acquire 1000 followers. If you follow the principles of this book, you will see your followers grow. These are not my theories or opinions; these are the actual ideas I used to build my own twitter following to over 5000 in less than one year. Twitter has been a great help to me in both connecting with likeminded people and collaborating on business projects. Twitter was also the main outlet for promotions for my two published books that both reached the top 5% of all books sold on Amazon. I have helped others by sharing these ideas and I believe it will work for the readers of this book if they are patient and work on using these suggestions while also building a high quality twitter account through quality tweets. Use the ideas that fit your twitter goals and personality and skip the ones you do not like. I believe everyone will find enough tips in this book to gain a substantial following of people who want to hear what you have to say.
