

# Gettysburg Concordance

Thomas A. Desjardin,A Desjardin

**Vermont at Gettysburg, July, 1863, and Fifty Years Later** Vermont. Gettysburg commission, 1914  
The War Andrew Boyd Cross, 1865

*The Gettysburg Campaign* Carol Reardon, 2013 The Battle of Gettysburg attained a special aura that has distinguished it ever since. Boston journalist Charles Carleton Coffin dubbed it the high water mark of the rebellion, while others described it as the turning point of the war. But it was President Lincoln who most eloquently expressed Gettysburg's significance. On 19 November 1863, Lincoln delivered a few appropriate remarks at the dedication of the Soldiers' National Cemetery that became known as the Gettysburg Address: We here highly resolve that these dead shall not have died in vain-that this nation, under God, shall have a new birth of freedom-and that government of the people, by the people, for the people, shall not perish from the earth. --p. 61.

*Living Gettysburg* Craig Rupp, 2019-09-25 Corey Sullivan and Jeremy Dawson, Civil War reenactors, take a trip to beautiful, historic Gettysburg, Pennsylvania. In a strange twist of fate, they find themselves transported through time back to June 30th, 1863. Knowing the events that took place during the Battle of Gettysburg, the two take it upon themselves to attempt to change history and save thousands of lives. Will their efforts pay off? Or will the history books remain the same as they are today.

**The Hospital on Seminary Ridge at the Battle of Gettysburg** Michael A. Dreese, 2005-08-02 Old Dorm, which served as the first classroom and dormitory

of the Gettysburg Lutheran Theological Seminary, is a familiar tourist site--Union Cavalry General John Buford directed the opening stages of the battle of Gettysburg from the building's distinctive cupola and some of the bloodiest fighting of the three-day conflict took place on Seminary Ridge. However, few visitors realize the building's important role as the second largest hospital at Gettysburg, both during and after the battle. During the peak occupancy, 600-700 wounded soldiers from both armies were cared for at this site. This work presents the history of the Gettysburg Seminary during the Civil War and the important cast of characters that have passed through its halls by utilizing the firsthand accounts of soldiers, civilians, surgeons, and relief agency personnel. Also included is the prewar and postwar history of the Seminary, as well as information about President Samuel S. Schmucker and the abolition movement.

**The Guns at Gettysburg** Fairfax Davis  
Downey, 2018-12-05 The guns still stand at Gettysburg amid the markers and the monuments on the hallowed ground. And it is fitting that they do, for Gettysburg marked not only the high tide of the Confederacy and the turning point of the war, but also the greatest cannonade ever seen in this hemisphere. In no battle of the Civil War did artillery play a more decisive role than it did here, and no factor contributed more to the Union victory than the superior handling of the Federal cannon. Amid all the discussions of the errors of generalship on both sides, too little credit has been given to that all-but-forgotten hero of the

battle, General Henry Jackson Hunt, the chief of the Union artillery. In reappraising and retelling the battle from the artilleryman's point of view, Colonel Downey has made a real contribution to our understanding of the reasons for the Confederate failure to crush the Army of the Potomac.

**These Honored Dead** Thomas A. Desjardin, A Desjardin, 2008-11-06 Ever since the guns of Gettysburg fell silent, and Lincoln delivered his famous two-minute speech four months after the battle, the story of this three-day conflict has become an American legend. We remember Gettysburg as, perhaps, the biggest, bloodiest, and most important battle ever fought-the defining conflict in American history. But how much truth is behind the legend? In *These Honored Dead*, Thomas A. Desjardin, a prominent Civil War historian and a perceptive cultural observer, demonstrates how flawed our knowledge of this enormous event has become, and why. He examines how Americans, for seven score years, have shaped, used, altered, and sanctified our national memory, fashioning the story of Gettysburg as a reflection of, and testimony to, our culture and our nation.

*The Struggle for the Bliss Farm at Gettysburg, July 2nd and 3rd, 1863* Elwood Christ, Few visitors to the Gettysburg battlefield take note of the peculiar grassy rise in the fields southeast of the town between Seminary and Cemetery ridges. It was there that the Bliss home and barn once stood, between the lines in a no-man's-land during the largest battle of the Civil War. The 60-acre farm witnessed back-and-forth bloody clashes that began on the morning of July 2, 1863, as a fitful

episode between skirmishers and ended in a small but important combat all its own. The fight played an oversized role in the overall battle and directly impacted the massive rolling Confederate assault later that afternoon. In a bit more than 24 hours, the back-and-forth Bliss farm combat would attract at least 10 Union and Confederate regiments, draw heavy artillery fire, disrupt the seemingly unstoppable Confederate assault moving northward against Cemetery Ridge, and kill and wound hundreds of men. This study is based on official records, letters, diaries, and other unpublished archival sources. A new foreword by award-winning author and Gettysburg Licensed Battlefield Guide James Hessler opens this facsimile edition, which originally appeared to great acclaim in a small print run in 1994.

Gettysburg and the Christian Commission Daniel John Hoisington, 2002 Following the battle of Gettysburg, hundreds of relief workers from the United States Christian Commission rushed to care for the wounded & dying soldiers. This book tells about their work within the religious & theological currents of the day.

The Star of Gettysburg Joseph Alexander Altsheler, 1936

**Principles and Practice of Big Data** Jules J Berman, 2018-07-23 Principles and Practice of Big Data: Preparing, Sharing, and Analyzing Complex Information, Second Edition updates and expands on

the first edition, bringing a set of techniques and algorithms that are tailored to Big Data projects. The book stresses the point that most data analyses conducted on large, complex data sets can be achieved without the use of specialized suites of software (e.g., Hadoop), and without expensive hardware (e.g., supercomputers). The core of every algorithm described in the book can be implemented in a few lines of code using just about any popular programming language (Python snippets are provided). Through the use of new multiple examples, this edition demonstrates that if we understand our data, and if we know how to ask the right questions, we can learn a great deal from large and complex data collections. The book will assist students and professionals from all scientific backgrounds who are interested in stepping outside the traditional boundaries of their chosen academic disciplines. Presents new methodologies that are widely applicable to just about any project involving large and complex datasets Offers readers informative new case studies across a range scientific and engineering disciplines Provides insights into semantics, identification, de-identification, vulnerabilities and regulatory/legal issues Utilizes a combination of pseudocode and very short snippets of Python code to show readers how they may develop their own projects without downloading or learning new software

**The Gettysburg Campaign** Carol Reardon, 2013 The Battle of Gettysburg attained a special aura that has distinguished it ever since. Boston journalist Charles Carleton Coffin dubbed it the high water

mark of the rebellion, while others described it as the turning point of the war. But it was President Lincoln who most eloquently expressed Gettysburg's significance. On 19 November 1863, Lincoln delivered a few appropriate remarks at the dedication of the Soldiers' National Cemetery that became known as the Gettysburg Address: We here highly resolve that these dead shall not have died in vain-that this nation, under God, shall have a new birth of freedom-and that government of the people, by the people, for the people, shall not perish from the earth. --p. 61.

### **War, Memory, and the 1913 Gettysburg Reunion**

Thomas R. Flagel, 2019 Union and Confederate veterans meet at Gettysburg on the 50th anniversary of the battle This June 29-July 4 reunion drew over 55,000 official attendees plus thousands more who descended upon a town of 4,000 during the scorching summer of 1913, with the promise of little more than a cot and two blankets, military fare, and the presence of countless adversaries from a horrific war. Most were revisiting a time and place in their personal history that involved acute physical and emotional trauma. Contrary to popular belief, veterans were not motivated to attend by a desire for reconciliation, nor did the Great Reunion produce a general sense of a reunified country. The reconciliation premise, advanced by several major speeches at the anniversary, lived in rhetoric more than fact. Recent scholarship effectively dismantles this Reconciliation of 1913 mythos, finding instead that sectionalism and lingering hostilities largely prevailed among veterans and

civilians. Flagel examines how individual veterans viewed the reunion, what motivated them to attend, how they acted and reacted once they arrived, and whether these survivors found what they were personally seeking. While politicians and the press characterized the veterans as relics of a national crusade, Flagel focuses on four men who come to the reunion for different and very individual reasons. Flagel's book adds significantly to Gettysburg literature and to Civil War historiography.

3 DAYS AT GETTYSBURG John E. (John Emanuel) Pitzer, 2016-08-28 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.
