*Ghost Hunting* Jason Hawes, Grant Wilson, Michael Jan Friedman, 2007-10-02 The Atlantic Paranormal Society, also known as T.A.P.S., is the brainchild of two plumbers by day, paranormal investigators by night: Jason Hawes and Grant Wilson. Their hair-raising investigations, fueled by their unique abilities and a healthy dose of scientific method, have made them the subject of a hit TV show: the SCI FI Channel's Ghost Hunters. Now their experiences are in print for the first time, as Jason and Grant recount for us, with the help of veteran author Michael Jan Friedman, the stories of some of their most memorable investigations. The men and women of T.A.P.S. pursue ghosts and other supernatural phenomena with the most sophisticated scientific equipment available -- from thermal-imaging cameras to electromagnetic-field recorders to digital thermometers -- and the results may surprise you. Featuring both cases depicted on Ghost Hunters and earlier T.A.P.S. adventures never told before now, this funny, fascinating, frightening collection will challenge everything you thought you knew about the spirit world.

*13 Paranormal Investigations Into Central Florida's Unknown* Jason Moose, 2011-06 My desire to do paranormal investigations in Central Florida was not to embellish or damage the reputations of the establishments in which I visited, but rather shed new light on the folklore and mystery that surrounds them. All of my investigations are practiced without prejudice and with good moral logic. Assisting me were tools of the latest technology in uncovering electronic voice phenomena, electromagnetic fields, and photography. But be advised that soul searching is not for the weak hearted or the ill willed. Spirits are both benevolent and evil in nature, and could prove to be unpredictable at times.

It is their true cause and nature that is the ongoing mystery. In *Paranormal Investigations*, author Chad Stambaugh discusses the process of trying to find that one piece of evidence that could prove, without a doubt, that ghosts are real. *Paranormal Investigations* shows both the beginner and the professional when and how to correctly operate the different types of equipment integral to a paranormal investigation--cameras, camcorders, voice recorders, digital video recorders, EMF detectors, dowsing rods, pendulums, and more. In addition, Chad breaks down, step by step, the correct procedures for conducting both public and private investigations, including how to deal with clients, what to look for, how to look for it, and how to document an investigation. Through this detailed guide, Chad works toward creating paranormal unity among those who research the events or phenomena that science can't or won't explain.

Currently employed test equipment is examined and proper use is covered in great detail. *Paranormal Technology* is an indispensable aid to any scientific researcher or ghost hunting group, whether you are a beginner, or with many years of experience. This book is not a means to an end, but rather, an invitation to a fresh beginning.

**Adventures in Paranormal Investigation** Joe Nickell,2014-04-23 Tales of alien abductions, miraculous relics, and haunted castles have attracted believers and skeptics across the globe for centuries. Paranormal investigator Joe Nickell tackles the world's most seemingly inexplicable myths in *Adventures in Paranormal Investigation*. With four decades of experience in the field, Nickell employs skepticism and scientific analysis to pull truth from the mires of false evidence and trickery that surround both old and new legends and mysteries. Unlike authors who engage in hype and sensationalism in order to foster or debunk myths, Nickell approaches each case with a rational and scientific approach intended to find the truth. Occam's Razor—all things being equal, the simplest solution is the best one—is a principal instrument in his investigative toolbox, as well as the belief that it is the claimant's responsibility to provide the extraordinary proof required in such extraordinary cases. *Adventures in Paranormal Investigation* features Nickell's on-site explorations in unusual phenomena. Among the forty unique cases, Nickell examines mysteries ranging from snake charmers who purport to hold influence over the reptiles, to the Holocaust victims who reportedly haunt a gas chamber in Dachau, to Lake Simcoe's resident lake monster Igoopogo in Canada. In addition to the case studies, Nickell analyzes how the propensity to fantasize can affect human perceptions of and belief in paranormal activity and how his personal experience with the paranormal was altered when intuition led to the discovery of a daughter he didn't know existed. More than just another myth-busting text, *Adventures in Paranormal Investigation* brings together reason and scientific analyses to explain both the phenomena and the role of human perception therein, establishing Nickell as the foremost paranormal investigator of our time.

My Ghost Adventures & Otherworldly Phenomenon Cynthia A. Sakmary,2017-02-18 My ghost adventures began, unexpectedly, as a child when I was the one targeted. Twenty five years later, I was targeted again by something dark when a portal was opened. It began with three knocks. It was a lengthy and horrifying experience. It is unnerving when you are the one being hunted. In 2008, paranormal activity presented it's self again. With a camcorder in one hand and a steering wheel in the other I narrated as I drove down single lane roads which were known to be haunted. I shared my videos with the world which became very interactive. My followers became my eyes and ears finding EVPs or electronic voice phenomena, apparitions, shadow ghosts, and orbs. Ghost Mountain in PA sparked my interest when an apparition was seen in my passenger window three years after the video was posted. Ghost Mountain also intrigued the producer of the History channel and my video aired on an episode of, True Monsters in 2015. I was on a quest to find answers to the paranormal. Now, I would be the one hunting ghosts and investigating paranormal activity. This book consists of eight years of the best paranormal activity I captured within the USA. I include pictures which were taken from my investigations. Funks Mill road in PA is one I could only investigate during the day as I also have my limitations. The remnants of this stone house which burned down killing an entire family also has it's negative imprint or residual energy engraved there forever. Subsequently, I investigated hotels and 17th century bed & breakfast inns. The Stanley Hotel in, CO and the Magnolia Hotel in, TX are two infamous ones I visited. Devil's Tower in Alpine, NJ is notoriously known as well and I investigated this portal from hell and include testimonies from those who shared their hellish experiences. You will also enter Constitution Drive in Allentown, PA which is diabolical as well. I investigated Civil War & Revolutionary War cemeteries providing the most compelling paranormal evidence. Katie's Abandoned Church, Whitehall, PA is known to many as well, and I feel this was the best and worst evidence I captured for the world to see as a demon fully manifested in the back upper window. The inside of this abandoned church has only one floor which is even more unnerving. Someone heard an EVP, I want to kill her. This vile and brazen creature stalked one of my viewers and her comments and text messages are included. I also investigated and captured pictures of these mysterious pyramids on a back road in Upper Bucks, PA. The paranormal activity I captured was not all evil and wicked. December 9, 2015 as I was taking pictures of my Christmas lights, I looked down as I saw something fluttering it's wings and looking up at me was a male, mythical fairy. I quickly snapped a picture and as he quickly ran off in my flower garden I ran in my house. I

was just as startled as he was because I did not believe fairies existed. I looked at my pictures and I captured every detail of this male fairy. I went back outside and to my amazement there were others. One was a beautiful female fairy. These pictures are very detailed which I included for the world to see. I believe a portal opened that night in my front yard. I never saw them again. There are dimensions which exist beyond and sometimes we get a glimpse into them. This book is also inspiring for those who have lost their loved ones. The chapter on Roselawn Cemetery in Pueblo, CO is one of inspiration and love. As a licensed, RN, BSN I am a logical and sensible person, however, when I cannot debunk something then I will define it as paranormal or otherworldly.

**Paranormal Activity** GERALYN ST. JOSEPH, 2014-09-26 How do I know if my house is haunted? How can I tell what it is haunted by? Is it dangerous? What should I do? Paranormal Activity - What are you dealing with? What might be around you, what to do about it and more will be answered. You are not alone! Demons, Angels, Fallen Angels, Ghosts, haunting? Do I need an exorcism? What does the Bible say about these things? Every night at 3am you wake up to the sound of music, followed by the sounds of a heated argument. The first half dozen times you flew out of bed, checked the house, yelled at the neighbors, only to realize that the sound was coming from...where? You might be able to see it, or just catch glimpses from the corner of your eye. What are you dealing with?!? It seems like every time you have an argument with your teen, something breaks. It's not that they throw stuff or do anything you can put your finger on, but something always breaks. Pictures fly off the wall, their stereo [do these even exist anymore?] starts to go crazy, a glass is cracked...inside the cabinet! What are you dealing with?!? You keep feeling like someone is watching you, seeing something out of the corner of your eye and suddenly you feel really sad, but there's no reason for it. It seems that the lights keep flickering when you enter the room, but you checked them all. They aren't loose and there is no electrical problem. What are you dealing with?!? Your child keeps telling you family history they should not know. You ask them who told them and they tell you about meeting their grandparent. They describe in vivid detail what they look like and what they said. But their grandparent is dead. There's no way this could happen, right? What are you dealing with?!? Every time you are alone the TV changes channels or turns on and off. Your pictures fly off your dresser, like someone angrily knocked them down. You feel like someone is watching you. You feel angry for no reason. What are you dealing with?!? You feel uneasy when you are home, like someone is watching you and wants to hurt you. You have severe headaches that seem to dissipate as soon as you leave the house. You had the house checked for environmental causes, but there's no mold, or fumes the inspector can find to explain your pain or illness. Things seem to move, you keep finding your wedding pictures on the floor. Then you wake up with 3 deep scratches on you. Now it's time to worry. What are you dealing with?!? You feel indestructible and engage in risky behavior. You start craving things you never wanted before and saying things that seem to just jump out of your mouth. You find yourself being confronted by friends and family for things you don't remember doing. Your appearance undergoes subtle changes. You feel out of control. What's going on here?!? You believe that anyone who is not the same faith as you is lost and deluded. You judge others harshly, yet make excuses for your own bad behavior. You take lessons and quotes from the Bible [or other sacred texts] without looking at the context to make your point. You think everyone who is spiritual is wrong. What are you doing? You read a book and now you are ready to summon your angels. So you sit down and go through the process. You don't get a name right away, but you keep trying. Eventually you can really feel them and things are looking up. Your angels speak to you consistently. You get what you want, but then things seem to go awry. What are you dealing with? If ANY of this sounds familiar you need this book!
