Ghost Hunters of the South Alan Brown,2006 Southerners are accustomed to hearing stories of a residence, an old hotel, a mansion, or a battlefield being haunted. In Ghost Hunters of the South, Alan Brown shows that ghostlore is no longer enough for some. The forty-four ghost hunting groups he profiles in this book pack cameras, Geiger counters, thermal scanners, oscilloscopes, tape recorders, computers, and dowsing rods to find and record elusive proof of supernatural activity. With candor, the directors and team members reveal the passions and even obsessions that lead them to this expensive, time-consuming, and sometimes dangerous and chilling pursuit of evidence of the spirit realm. Brown interviews enthusiasts from twelve states--Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, and Virginia. Ghost Hunters of the South takes the reader along on exciting and fearful investigations of places such as the Myrtles, St. Francis Inn, Chickamauga Battlefield, Bob Mackey's Music World, Old Talbott Tavern, North Carolina State Capitol, Granberry Opera House, and 17Hundred90 Inn and Restaurant. Brown participates in some of the investigations to gain a full and objective understanding of teachers, doctors, accountants, housewives, and law enforcement personnel, who devote much of their free time to a quest that many outsiders view with skepticism if not scorn. Haunted & Paranormal America Top 10 Haunted Places in the USA Richard Berrington, 2016-05-02 The Cambridge dictionary describes haunted as a place where ghosts appear often while the Free Dictionary says it means to inhabit, visit, or appear to in the form of a ghost or other supernatural being. From the above definitions of the only verb in the title of this book - haunted - it appears that you have to possess some form of interest in ghost-related activities or at least have a passive interest in supernatural events. Since the dawn of time, what we have come to know as America has had its fair share of activities and deeds done by people, animals, or manmade things in different places and locations across the country that have become associated with frequent appearance of ghosts and other telepathic incidents. As creepy as these supposed incidents are made to seem like, these incidents have sort of transcended from mere theories or made-up fiction to actual realities to such an extent that they have been made tourist centers. In fact, ghost, paranormal and clairvoyant enthusiasts find these places which have been termed haunted as choice locations for activities such as ghost hunting! It is commonly said that in the mouth of a few witnesses then there exists at least an iota of truth; the haunting capabilities of these places have been propped up by the fact that there are a good number of people who testify on a regular basis of encountering ghosts at one time or the other. These haunted places cut across different kind of buildings and locations; they include cinema halls, hotels, museums, cemeteries, historical sites, battlefields, mansions and even residential homes. Enough of the somewhat boring gist of the meaning of haunting and whatever it is that has to do haunting as a word; let us get down to the reason why you picked this book in the first place. It is time to reveal the top 10 haunted places in the USA. Enjoy!

Ghosts Believe in Me Rick McCallum, 2020-08-30 Rick McCallum has been a professional stuntman, actor and stunt coordinator for over 35 years, and has more than 75 movie and TV projects to his name. He has been in many horror movies, most notably *Hatchet 2* where he is chain sawed in half by his best friend Kane (hey, what are friends for?).. He frequently played monsters or paranormal characters. He has stunt doubled for many well-known actors, including Barry Bostwick, Oliver Platt, Christopher Noth, and Greg Evigan among many others. Rick's real passion is the paranormal which began at age 13 and has been a lifelong pursuit. While working on a movie in Mansfield Reformatory, a very haunted prison in Ohio, he and Kane Hodder (Jason Voorhees in *Friday 13th Parts 7, 8, 9, and 10*) discovered a mutual interest in the paranormal and founded the Hollywood Ghost Hunters. They later added R.A. Mihailoff (*Leatherface*, *Texas Chainsaw Massacre part 3*). The three appeared on the TV show *Ghost Adventures* where they joined the GA crew in an investigation at the Pico House in Los Angeles. This book combines a unique blend of stories of movies, ghost hunting, and humor as Rick recounts the extraordinary happenings in his life. He has ghost hunted all over the United States, many times while on location for a movie, and has also ghost hunted at many of the most iconic haunted locations in Scotland, England, Ireland and Australia. The locations would be a bucket list for most paranormal investigators, including Waverly Sanitorium, the Queen Mary, Pioneer Saloon, Oman House, Rosslyn Chapel, Bachelor's Grove, Bolton Abbey, Greyfriars Cemetery, Hellfire Club, Leap Castle, and the Real Mary King's Close. Rick relays his time living in what may be the most haunted house in America, and the stories that happened there are incredible! Some of the hunts are fun, most are intense, and the one at Leap Castle in Ireland is the most terrifying ghost experience you may ever read. What others have to say?... Rick's connection with the afterlife is undeniable, the spirits of Leap Castle made their presence known to him before he even stepped inside the building'. Greg Stewart, Scottish Paranormal .. The female spirits, especially Ruby love Rick, and call out his name on the Spirit Box, or in an actual voice you can hear every single time he has been here, and he has been here about a half dozen times! Jill Allen Padovese, Director, *Haunted Lockdown*, Pioneer Saloon.. I remembered Rick telling me about what happened at Leap Castle, and when I read the book I felt everything he was going through and it literally brought me to tears!!!! Deb White, Paranormal Investigator.. Rick shows up with just a little case of equipment and he gets just as much as any of the big TV production companies.. David Oman, the Oman House.. My most favorite memory of Rick was Scarefest 2018, when I watched him push a wheel chaired attendee to an event about a mile down the road because there wasn't room for her on the shuttle. Shannon Byers, Paranormal Author.. Rick was ghost hunting with my group at the Norwich Theater here in England, when he and I both saw a full body apparition six feet from us, and we both turned and said did you see it too? Mandy Fellows, Anubis Paranormal Investigations... Rick's approach to investigating Mary King's Close made it an amazing and memorable experience, his perception of his surroundings and the effect it had on others was unforgettable. J Craig Miller, Manager.. If Rick is there, spirit is there.. Ally Reid. Scottish Paranormal
