Ghostlight Sonia Gensler,2015-08-04 Things that go bump in the night are just the beginning when a summer film project becomes a real-life ghost story! Avery is looking forward to another summer at Grandma's farm, at least until her brother says he's too old for "Kingdom," the imaginary world they'd spent years creating. Lucky for her, there's a new kid staying in the cottage down the road: a city boy with a famous dad, Julian's more than a little full of himself, but he's also a storyteller like Avery. So when he announces his plan to film a ghost story, Avery is eager to join in. Unfortunately, Julian wants to film at Hilliard House, a looming, empty mansion that Grandma has absolutely forbidden her to enter. As terrified as Avery is of Grandma's wrath, the allure of filmmaking is impossible to resist. As the kids explore the secrets of Hilliard house, eerie things begin to happen, and the "imaginary" dangers in their movie threaten to become very real. Have Avery and Julian awakened a menacing presence? Can they turn back before they go too far?

The Ghost Lights of Forrest Field M. L. Bullock,2018-01-16 The Gulf Coast Paranormal team heads north on I-65 to investigate reports of a strange blue light appearing outside an old fort. Locals call them ghost lights, and they say these orbs are responsible for the death of a young woman hundreds of years ago. An archaeological dig stirs up the activity, and Midas goes to uncover the truth about the Ghost Lights of Forrest Field. A word from Cassidy: It's Monday morning and I'm in the Gulf Coast Paranormal van with Midas, listening to an interesting conversation about the Ghost Lights of Forrest Field. Blue lights have been seen outside the old fort, and there are tales of a missing young woman from hundreds of years ago who may be haunting the place. We've got a new team member who has cultural knowledge we'll need for this investigation, Helen and Bruce are holding hands and planning an archaeological approach, and Joshua is riding shotgun and tinkering with his new thermal. Me? I'm just Cassidy Wright. Paranormal newbie with a sketch pad. I'm excited about this new adventure. This is Book 6 in the Gulf Coast Paranormal series. The Backstagers and the Ghost Light (Backstagers #1) Andy Mientus,2018-09-25 The stage crew at St. Genesius Prep—or Backstagers, as they like to call themselves—are ready for whatever the theater world can throw their way: the madness of tech week, inevitable prop malfunctions, and all the paranormal activity that goes on behind the scenes. Luckily Jory, Hunter, Sasha, Beckett, and Aziz are up for the job! But lately, someone—or something—seems set on ruining their production of Phantasm. It all started when an actor brought a Spirit Board to the cast party, and the ghost light blew out. Every good theater kid knows that a ghost light must be left on to keep ghosts from moving in the shadows of an empty theater. To figure out what's haunting the theater and save the show, the Backstagers will have to use their smarts, bravery, and a little bit of magic!

In this first volume of three stories, Malcom and Dandy thwart a practical-joking poltergeist, rid the Miller house of a ghost, and get to the bottom of some unusual paranormal activity in their elementary school. It may sound strange, but it's just the everyday work of a Ghost Detector! Readers love the humorous detective adventures and learn a number of ghost-detecting tips!

After sixty years, Bonnie is more than ready for her second act. And what she has planned is sure to cause a scene. Come opening night Bonnie will astound the audience with the talent she's been perfecting all these years: vengeance. Clare McNally, author of the bestselling *Ghost House* and *Ghost House Revenge*, stirs up even more terror in *Ghost Light*. Innocence has never been so deadly! Stuff They Don't Want You to Know Ben Bowlin,Matt Frederick,Noel Brown,2022-10-11 "Interesting...Bowlin's calmly rational approach to the subject of conspiracy theories shows the importance of logic and evidence."—Booklist A page-turning book to give to someone who believes in pizza pedophilia or that the Illuminati rule the world.—Kirkus Reviews The co-hosts of the hit podcast *Stuff They Don't Want You to Know*, Ben Bowlin, Matthew Frederick, & Noel Brown, discern conspiracy fact from fiction in this sharp, humorous, compulsively readable, and gorgeously illustrated book. In times of chaos and uncertainty, when trust is low and economic disparity is high, when political institutions are crumbling and cultural animosities are building, conspiracy theories find fertile ground. Many are wild, most are untrue, a few are hard to ignore, but all of them share one vital trait: there's a seed of truth at their center. That seed carries the sordid, conspiracy-riddled history of our institutions and corporations woven into its DNA. Ben Bowlin, Matt Frederick, and Noel Brown host the popular iHeart Media podcast, *Stuff They Don't Want You To Know*. They are experts at exploring, explaining, and interrogating today's emergent conspiracies—from chem trails and biological testing to the secrets of lobbying and the indisputable evidence of UFOs. Written in a smart, witty, and conversational style, elevated with amazing illustrations, *Stuff They Don't Want You to Know* is a vital book in understanding the nature of conspiracy and using truth as a powerful weapon against ignorance, misinformation, and lies.

Ghosthunters John B Kachuba, 2007-07-13 In Ghosthunters, John Kachuba explores some of America's great haunts while he introduces us to the people who actually go searching for ghosts. His writing takes the reader on a haunted journey—it's like riding shotgun with him while he creeps through haunted asylums, abandoned farmhouses, and historic battlefields, and speaks with some of the biggest names in this field of study. If something goes bump in the night, have no fear—John Kachuba won't be far behind. —Jeff Belanger, founder of Ghostvillage.com and author of The World's Most Haunted Places Why do ghosts fascinate so many people? To answer that question, writer and paranormal researcher John Kachuba aka “The Ghosthunter” investigates haunted locations throughout the country and interviews scores of people who have had paranormal encounters. The author discovers a growing interest in ghosts today, which has spurred an American pop culture phenomenon based on the supernatural. Combining his case reports of actual hauntings, discussions with leading figures in the paranormal world, and stories about related subjects—buying ghosts on eBay, buying and selling haunted houses, ghost tourism—Ghosthunters presents an intriguing and witty look at America's paranormal world. Set off down the trail of the paranormal and read about: A ghost hunt in a Connecticut coffee shop with lay religious demonologist David Considine. Spending the night with the ghost of Miss Lily at St. Augustine, Florida's historic St. Francis Inn. Spiritualist minister Rev. Rose Vanden Eynden's abilities to talk with the dead. The search for the headless inmate on a ghost hunt at West Virginia's Moundsville State Penitentiary.

Hallowtide Karl Pfeiffer, 2012-09-26 Halloween, 2001. Will Andrews is found in the hallway of Savage Creek High School, shot in the head, pistol in hand. Beside him is a dead man with a bomb strapped to his chest. Two of Will's best friends are dead. Two more are wounded. When Will wakes from his coma three days later, he has no memory of what happened, but the local papers are already calling him a hero. Now, five years later, Will is in Hell. At night, he holds his girlfriend, Jennifer, close, while in his sleep he journeys deeper and deeper into a nightmarish dreamscape. During the day, his therapist urges him to finally look into the shooting, suggesting that these nightmares may be one part of himself desperately trying to communicate with the other. But the deeper Will digs, the further the lines between reality and fiction are blurred, and he finds himself in a place where nightmare bleeds into memory, the spiritual leaks into the physical, and the world as he knows it threatens dissolving entirely. Both beautiful and deeply harrowing, Hallowtide combines Jungian theory with echoes of classic descent narratives, deconstructing western philosophy, depression, and religion, while following one young man's fall into Stygian wasteland and the journey that will change him forever.

Riley's Ghost John David Anderson, 2022-01-11 From John David Anderson, acclaimed author of *Posted*, comes a ghost story pulled from the darkest shadows of middle school. Riley Flynn is alone. It feels like she's been on her own since sixth grade, when her best friend, Emily, ditched her for the cool girls. Girls who don't like Riley. Girls who decide one day to lock her in the science closet after hours, after everyone else has gone home. When Riley is finally able to escape, however, she finds that her horror story is only just beginning. All the school doors are locked, the windows won't budge, the phones are dead, and the lights aren't working. Through halls lit only by the narrow beam of her flashlight, Riley roams the building, seeking a way out, an answer, an explanation. And as she does, she starts to suspect she isn't alone after all. While she's always liked a good scary story, Riley knows there is no such thing as ghosts. But what else could explain the things happening in the school, the haunting force that seems to lurk in every shadow, around every corner? As she tries to find answers, she starts reliving moments that brought her to this night. Moments from her own life...and a life that is not her own.
