Data Grab Ulises Ali Mejias,Nick Couldry,2024 In the present day, Big Tech is extracting resources from us, transferring and centralizing resources from people to companies. These companies are grabbing our most basic natural resources--our data--exploiting our labor and connections, and repackaging our information to control our views, track our movements, record our conversations, and discriminate against us. These companies tell us this is for our own good, to build innovation and develop new technology. But in fact every time we unthinkingly click Accept on a set of Terms and Conditions, we allow our most personal information to be kept indefinitely, repackaged by companies to control and exploit us for their own profit. Each chapter of respected technology scholars Ulises Mejias and Nick Couldry's compelling book opens with a story of an ordinary person going about their life until they come up against technology taking their data: a migrant trying to reach Europe where drones are patrolling borders, a woman in the Philippines working for a software company that takes screenshots of her monitor, a food delivery driver in a Chinese city racing against an algorithm. All of these people could be us; the story of what tech companies are doing is a global story that is impossible to escape. Mejias and Couldry explain why postindustrial capitalism cannot be understood without colonialism, and why race is a critical factor in who benefits from data colonialism, just as it was for historic colonialism. In this searing, cutting-edge guide, two leading global researchers and founders of the concept of data colonialism reveal how history can help us understand the emerging future--and how we can fight back--

Grab, Gather, Grow Jennifer Cowart,Jim Cowart,2016-09-20 Jim and Jen Cowart, authors of Start This, Stop That, offer a fresh strategy for developing community groups for your whole church and beyond. Harvest Church (www.harvestchurch4u.org), a young United Methodist congregation twenty miles southwest of Macon, met for seven years (on Sundays) on the move in a rented theatre. They learned about adaptive systems, digital tools, and flexible overhead. Since building a multipurpose facility on 43 acres near Warner Robins, Georgia in 2007, Harvest Church applied what they learned about mobility and sustained rapid growth to 2700 in worship attendance, with seven weekend services. They dispensed with a typical education wing (at significant cost savings) and classrooms in favor of four multipurpose rooms. They adapted a community groups strategy, which meets primarily in homes. They have expanded from 72 community groups to more than 300 in one year. In this leadership book, Jen and Jim offer a five-part method for transforming a congregation through launching community groups. Community groups become a multiplication strategy because they nurture an urgent expectation outside the congregation to share the good news with persons not yet professing faith, while creating a well defined path for growth in discipleship. The book will include the following themes: Group Explosion - New Strategy for 100% plus group participation Overcoming Obstacles - Structuring for Maximum Growth vs Control - Crowd to Core Group Growth The Power of the Pulpit - This system is driven from the stage Living the 5 through Group Life - How the CG lives into Fellowship, Discipleship, Ministry, Evangelism, and Worship Creating Infrastructure for Facilitators

Grab Your Miracle Randi Rabin,2020-10-30 Randi had it all: love, a wealthy husband, cars, a series of beautiful homes in Beverly Hills, jewelry, dazzling clothes, shoes to die for, thoroughbred racehorses, and another horse just to ride. So why wasn't Randi satisfied? What was missing? She was haunted in her dreams by a little boy, who was sometimes an infant, and sometimes a toddler, and always a cheerful angel. A psychic told her that she was destined to become a mother. The universe told her it was time to choose: wealth or motherhood. Randi took the challenge: she left her husband and moved to Santa Barbara, where she eventually remarried and became a mother at the age of 45. This book is a story of a dream fulfilled. It is also an account of one woman's search for the meaning of love. Grab Your Miracle tells the inspiring story of Randi's quest to know the meaning of love, which is also the meaning of life. She tells her tale with honesty and humor, a tale of celebration and regret. It has been an often bumpy road, fraught with disappointment, tears, and a few wrong turns, but the journey has been, and it continues to be, a profound blessing and a miraculous adventure

We will experience the excitement of Western rodeos and swim with beluga whales from the Arctic Ocean. But our final destination lies far beyond the North American continent, the earth, or even our solar system. We're headed to heaven. How can an awkward-looking Texas armadillo prepare you for the biggest trip of your life? How can Roanoke Island's mysterious carvings get you ready for your home in the sky? Grab your boarding pass for a yearlong tour of America—and an eternal trip to heaven. Bible? Check.

Grab The Wheel & Go! Herb Singer, 2016-08-26 In Grab the Wheel and Go Herb Singer, who launched Discount Car & Truck Rentals and built it into the country's largest independent car and truck rental operation, shares his life story, business smarts, and wisdom. Herb's innovative business ideas, such as offering pick-up and drop-off service for rental customers and creating his own "university" for Discount employees, helped build a one-shop operation into a celebrated and award-winning corporation with 300+ locations. With humour and inspiration, Herb narrates his life story that carried him from Siberia to Rio, Brooklyn and eventually to Canada. During the journey he and the reader encounter challenges and rewards, picking up practical experience along the way. Herb explains that success in life doesn't depend on where you begin or what you start with — it's where you get and who you become that counts. Or, as Herb puts it: What you've got is what you've got. What you do with it is who you are. Grab the Wheel and Go is more than a must-read for anyone considering launching a business, working their way through the corporate world, or looking for a guide to making critical decisions in life. It is a down-to-earth engaging tale told by a man who has achieved so much ... and whose greatest joy is in sharing his experiences and love of life with others.

Grab the Day with God Betsie du Rand, 2011-01-26 It is an order of God that we must spread out His Name and tell the whole world about Him. I am not a good speaker, but we must do God's will. That is why I wrote this book. It is easy written for each and everyone to enjoy and listen what God wants to tell us through His Word. When I wrote this book, I could feel the Holy Spirit works inside of me with every piece that was written. It was an awesome experience. This book is written from the bottom of my heart and it is not about the money, but to win souls for our Lord and Saviour. Enjoy it and take it to heart.

A Gift for a Ghost Borja Gonzalez, 2020-05-05 "The lives of two teenage girls living 160 years apart intertwine in this magical coming-of-age story . . . [an] evocative graphic novel." —Publishers Weekly An untalented punk band and a parallel dimension—what could go wrong? In Borja González's stunning graphic novel, two parallel stories reflect and intertwine in a tale of youthful dreams and desires. In 1856, Teresa, a young aristocrat, is more interested in writing avant-garde horror poetry than making a suitable marriage. In 2016, three teenage girls, Gloria, Laura, and Cristina, want to start a punk band called the Black Holes. They have everything they need: attitude, looks, instinct . . . and an alarming lack of musical talent. They've barely started rehearsing when strange things begin to happen. As their world and Teresa's intersect, they're haunted by the echo of something that happened 160 years ago. "Elegantly crafted, with delicate cartooning and a brilliant autumnal color palette, González's first full-length work delivers a quietly emotional evocation of the universal hopes and desires linking characters across centuries." —Library Journal "This thoughtful, graceful look into young women trying to find their place in the world may appeal to other adolescent, frustrated artists." —Booklist "A Gift for a Ghost is an uncommon fantasy that speaks to the perennial, difficult-to-verbalize issues that teenagers face." —BookPage "A Gift for A Ghost is the exact opposite of the way so many stories are told today . . . It's about collaboration between the reader and the work and creating a personal experience from it, something that all the best creative works aspire to." —The Comics Beat
