Grown and Flown Lisa Heffernan,Mary Dell Harrington,2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Beyond Mama Bear Lisa Filholm,2017-03-21 Hope for frazzled families! Parents of teenagers need new role models. When our cubs are young, Mama Bear is a fine example: strong, smart, sassy, sure of herself. But she is a dangerous role model when our kids turn into adolescents. When puberty hits and life turns into a three-ring circus, Mama Bear hibernates. Goes to sleep on the job. Parents do the same: we tend to check out (because teenagers are awful and we're exhausted), leaving our kids vulnerable on their rocky journey toward adulthood. From a high school teacher (and parent) who has seen it all, here is some frank, funny, practical advice for staying vigilant during these topsy-turvy years. Parents who know, protect and honor their teenagers can find balance for the whole family. New role models--the peregrine falcon (watch them), the ninja (disarm them), the personal trainer (work them), the mentor (guide them) and many more--can help!
