*The Golden Gizmo* Jim Thompson,2012-07-01 Gizmo is the GI term for the unidentifiable -- and that's the way that Toddy Kent has begun to think of the reasons behind the rapid swing of his days. Somehow, Kent seems always to find himself regularly confronted with The Big Break every man would kill for -- only to see it slip through his fingers. Kent's grinding out a paycheck buying gold on the cheap and selling it for the slimmest of profits when he stumbles into his latest, almost mythical discovery -- pure, unadulterated gold in the form of a priceless watch he didn't exactly mean to steal. Soon Kent finds himself at the center of a whirlwind of danger involving everyone from the woman he can't seem to shake, bail bondsmen who get word of Kent's discovery, the Treasury Department, his pawnbroker, and a devious old man with a dog that may or may not be able to speak English, in a rip-roaring comedy of errors and would-you-believe-it bad luck unlike anything you've ever read. Who ever knew one lousy watch could bring so much trouble? And how many times can Kent avoid getting killed before his luck runs out for good?

**Demented Souls Collection** Melissa Stevens,2022-09-27 Not just another motorcycle club, the Demented Souls have

secrets. Secrets that could cost them their lives. This volume contains: Sadist Gizmo Mac Tuck Sadist: Sadist made a commitment, one that didn't include a woman, at least not one of his own, but was it possible he could have more? Sadist has lived the last ten years with one goal in mind. To make this world safer for people like his family. He lived to protect his fellow Demented Souls, his club brothers. That didn't leave room for the softer parts of life like a wife or family. He didn't know if he could share the secret that kept his brothers alive. But who would be willing to let him keep those secrets from them? Beth was just trying to get through a rough spot. Between work and helping her parents, she was getting by but that was all. Then a tall, tattooed man walked into her salon for a haircut. The last thing she expected was for the man who made her stomach flip to be interested in her. Until he came back and asked her out. Can Beth and Sadist figure out how to make things work or will the secrets and misunderstandings be too much? He gave his loyalty to his club, she wanted his heart. Could they work out a deal? Gizmo: Gizmo Martinez had long since dedicated his life to the Demented Souls and what the club meant. This was no life for a wife or family, and he knew it. But when her sweet charm pulls at something deep inside, can he walk away? Jill wants something more than her work and video games. What she needs is something or someone to add some excitement. Maybe the tattooed man who ran into her, literally, in the grocery store is just the one to show her another side of life? When club business comes between them, can Gizmo and Jill find away over the problem or will the cost be too steep? Mac: Mac had his life in order. His mechanic shop, his brothers and a house where he was comfortable. He thought he had it all, or at least all that he needed. The last thing he expected was the sexy, self-assured woman next door who seemed waiting to knock his life off kilter. Elyse had given up on dating. She didn't have time for it with her job and everything she wanted to do. Besides, she'd never found a man who could step

up and be her equal without trying to make her smaller. Then the hot biker who lived next door knocked on her door. But was he more than just another pretty face? Can they work out their differences or are Mac and Elyse destined for another heartbreak? Tuck: Tuck left home more than twenty years ago to be his own man. Now he's called back with the news that both his parents are dead and he needs to be there. He doesn't want to go. He's built a life with the Demented Souls. They've been his family for the last ten years. But something tells him that may be changing. London is stuck in a life she hates. Wishing she'd gotten out when she had the chance. She's sick of her dead-end job tending bar in Deadwood. Intent on complaining to a friend one night she texts her. or she thought she did. Instead, her message went to a wrong number. With nothing more than miles between them, Tuck and London build a friendship over text. Then Tuck got word he needed to back to where he grew up, which just happened to be less than two hundred miles from where London was. They made plans to meet but when he went to his mother's funeral, he found more there than he'd expected. When they find themselves surrounded by bikes that try to run them off the road, things become terrifying. Can they figure out what's going on before it's too late or will something happen to end things before they find out how much they care about each other?

Harvey Drew and the Bin Men From Outer Space Cas Lester, 2014-03-06 A really rubbish adventure... in outer space Harvey Drew is an ordinary eleven-year-old who dreams of great adventures in outer space. The Toxic Spew is an intergalactic waste disposal ship. The two are on a collision course for chaos! After Harvey unwittingly responds to an alien signal, he is transported to the flight deck of The Toxic Spew by the ship's bad-tempered computer, who promptly loses his return address. Even though none of the crew have even heard of Earth, let alone met an Earthling, Harvey becomes Captain of the stropky, pizza-

obsessed, brave (but grubby) crew, and almost immediately has to save them from poisonous pink maggots, dangerous exploding space-rubbish and a multiple spaceship pile-up on Hyperspaceway B16. Luckily, leading his rabble crew out of danger isn't so different from captaining his football team, and it turns out Harvey is just the boy to save the day!
