Winterbottom, “So why am I here?” Marriet asked. “You are here because you’ve been chosen,” said Palmators. “Chosen? Chosen for what?” Marriet said. “Marriet Sworn, you have no idea what is coming, do you?” said Palmators. Marriet stood looking serious now in front of the Caretaker. “No,” she said. Marriet Sworn is invited into the divine museum, Alcha Prunchtis, by the museum’s caretaker, Palmators Squild, when a mysterious thief somehow ends up stealing some of the divine relics inside the museum. In order to restore balance to life and all of its possibilities, she must track down this thief, stop him, and bring back the Eternity Cube, the most powerful of all the divine relics. On her new journey, she will go through time, and through many possibilities of life, and from these possibilities, she will finally meet Harlay Colspo, discover the criminal mastermind, Depthtus, learn of the missing angel, Varyl, and experience the wrath of her father, Alatar Skyrise. She will know the feud between Colspo and Volance Melthom, and amongst the battles, the war, and all the miracles, she will find out a shocking truth that will change everything.

The Empyrean Scrolls Michael Ortiz,2012-09 All that is was not how it was. Empyrean was the highest realm of the twenty-four realms and were collectively known as Celestia. Other manifestations of light were brought forth. Certain manifestations of the Great Light became servants, guardians, and witnesses to the unfolding events. It began when the Great Light initiated the twenty-fourth realm. Not all light was created in the same spectrum and not all possessed the honorable wings of legend. The beings of light marveled at the Great Light's numerous revelations. However, there was one who rose in his pride and broke all the laws that kept the balance. This is that one which came to be known as the Adversary

Glow of the Red Star Paul McCoy,2015-03-20 A dramatic journey through a present tense view of Tom Sanders, who's an Afro-American archaeologist that will unknowingly rip open the theory of time travel. When he's assigned a mission that will set his life on an innovative path after the undiscovered territory to save a life. A primeval Mayan Indian tribe that once populated a metropolis deep in the jungle of Mexico vanished off the face of the earth thousands of years ago. Volatile and degrading scenarios set a platform for a perilous adventure when four destinies collide at the intersection of life. Tom Sanders a retired Navy Seal and infamous archaeologist is called upon by Dr. Baldwin; the director of a New York museum to find the Mayan lost city of Tikal. Tom is pushed to the edge of his breaking point when several members of his crew suffer horrendous deaths caused by uncanny events. He must find resolve when turmoil comes from just around the next

corner. Tom Sanders calls on his beloved friend Susan Anderson for her invaluable expertise in deciphering ancient glyphs. They find an artifact that later turns out to be a key that can open the doors to the future and the past. During this journey, his feelings cultivate even stronger for her as they make the biggest discovery of their careers. Calamity strikes Susan at the hands of a sadistic religious fanatic; Peter Stanley, who believes that he has his own kingdom waiting for him in heaven. Another close friend, Jon Henderson gets himself into a big dilemma dealing with a lethal Russian mobster (Mr. Keloff), as desperation comes to a boil; Jon makes matters worse by naively stealing a cursed artifact from Tom in order to save his own skin.

Vampire Blade AJ Cooper,2013-08-19 A century has passed since the vampire race settled in the arctic north. It seems all is well for Druthor the Great, King of the Vampires, sitting uncontested on the Crimson Throne, when an iron sorceress arrives from the south. With her tales of war and tumult, she brings memories of what Druthor lacks: a national heirloom, an ancestral treasure, Lifedrinker, the ancient blade of the vampires.
