The Internet David Pogue,J. D. Biersdorfer,2006 A guide to the Internet covers such topics as broadband connections, searching the Web, online shopping, games and gambling sites, trip planning, email, instant messaging, blogs, and downloading songs and videos.

Endless Endless Adam Clair,2022-01-18 An inspiring, revelatory exploration of the genesis and impact of the fabled Elephant 6 collective and the baffling exodus of its larger-than-life luminary, Neutral Milk Hotel frontman Jeff Mangum Years after its release, Neutral Milk Hotel’s *In the Aeroplane Over the Sea* remains one of the most beloved and best-selling albums in all of indie music, hailed as a classic so influential as to be almost synonymous with the ongoing vinyl revival. But despite its outsized impact, a question looms even larger: why did frontman Jeff Mangum, just as the record propelled him to the brink of music superstardom, choose instead to disappear entirely? The mystery has perplexed listeners for decades—until now. In barely two years, Neutral Milk Hotel rose from house show obscurity in Athens, Georgia, to widespread hype and critical acclaim, selling out rock clubs across the country and gracing the tops of numerous year-end best-of lists. But just as his band was reaching the escape velocity necessary to ascend from indie rock success to mainstream superstar, Mangum hit the eject button. After the 1998 release of *Aeroplane* and a worldwide tour to support it, Mangum stopped playing shows, releasing new music, or even doing interviews. He never explained why, not even to his friends or colleagues, but thanks to both the strength of *Aeroplane* and his vexing decision to walk away from rock stardom, Neutral Milk Hotel’s impact only grew from there. In *Endless Endless*, Adam Clair finds the answer to indie rock’s biggest mystery, which turns out to be much more complicated and fascinating than the myths or popular speculation would have you believe. To understand Mangum and Neutral Milk Hotel and *Aeroplane* requires a deep dive into the unconventional inner workings of the mercurial collective from which they emerged, the legendary Elephant 6 Recording Company. *Endless Endless* details the rise and fall of this radical music scene, the lives and relationships of the artists involved and the colossal influence that still radiates from it, centered around the collective’s accidental figurehead, one of the most idolized and misunderstood artists in the world, presenting Mangum and his collaborators in vividly human detail and shining a light into the secret world of these extraordinary and aggressively bizarre artists. *Endless Endless* offers unprecedented access to this notoriously mysterious collective, featuring more than 100 new interviews and dozens of forgotten old ones, along with never-before-seen photos, answering questions that have persisted for decades while also provoking new ones. In this deeply researched account, *Endless Endless* examines not just how the Elephant 6 came to be so much more than the sum of its parts, but how community can foster art—and how art can build community.

In these inspirational stories you will get to know three amazing young women all of whom are first introduced in book one: Stella, Claudia, and Sofie. In book one, *Shadowing Stella*, Stella meets Jason while she struggles to come to terms with being the pregnant single daughter of the town’s preacher. All the while, she senses someone watching, but shrugs off the feeling as her overactive imagination. Her choice to ignore the danger may have deadly consequences if she’s not careful. In book two, *Implicating Claudia*, Claudia gets reacquainted with Dawson, a family friend and neighbor. Things go awry when she’s accused of murdering her childhood friend. When the real killer sets his sights on her, she must rely on others, but her stubborn independent streak causes difficulty. Her defiance may put more than one life at risk. In book three, *Chasing Sofie*, Sofie meets Caleb on the day of her boyfriend Johan’s untimely death. Johan was a professor on campus and Caleb is there to investigate a drug ring. The Irresistible Consultant's Guide to Winning Clients David A. Fields,2017-03-21 This deeply insightful guide to understanding what clients really want is “an indispensable resource for consultants” (Keith Ferrazzi, #1 New York Times-bestselling author of Never Eat Alone). Independent consulting is a potentially lucrative enterprise—but the reality seldom matches the dream. Most solo consultants and boutique consulting firms are perpetually within six months of bankruptcy due to the sputtering unreliability of their new business engines. The problem, according to international consulting expert David A. Fields, is twofold: 1) lack of a consistent, proven plan, and 2) fundamental misunderstanding about what clients want in a consultant. Fields, who has helped hundreds of consultants and boutique firms worldwide build profitable, sustainable practices, replaces the typical consultant’s mindset of emphasizing expertise and differentiated processes with a focus on building relationships, engendering trust, and solving clients’ existing problems. In The Irresistible Consultant’s Guide to Winning Clients, Fields synthesizes his decades of experience into a step-by-step approach to winning more projects from more clients at higher fees. From nuts-and-bolts business advice and tactics to a deeply insightful breakdown of the human side of a very human profession, Fields, named one of Advertising Age magazine’s “Marketing Top 100,” delivers a comprehensive guidebook that is at once highly approachable and satisfyingly detailed. “If I could have just one book on client strategy, this book would be it.” —Marshall Goldsmith, #1 New York Times-bestselling author of Triggers
