It's All Too Much Peter Walsh, 2009-08-01 Are your counters covered with appliances you had to have but rarely use? Are your cupboards stuffed with clothes that you hope to fit back into or that you paid a fortune for but only wore once? Have you been hanging on to that hideous teapot your mother gave you 10 years ago only because she gave it to you? Every time you go shopping do you come back with bags of more stuff because that pillow/blouse/cd/mixer will be the one thing that changes your life and then it doesn't change your life because you have nowhere to put it? In *It's All Too Much*, organisational guru Peter Walsh challenges you to answer a very simple but scary question: Does the stuff you own contribute to the life you hope to achieve or does it get in the way of your vision? Peter helps you assess the state of your home without any sugar coating and will teach you how to confront and conquer the stuff that is holding you back by identifying the purpose of each and every object in your home and assessing your reasons for holding onto it. He shows you how to identify which room is the heart of your home and then shows you why it is so important to keep that space clean and clear of clutter - if the heart of your home is clogged what does that say about you? He then helps you go room by room to ask the important questions: What is the room? What's its purpose? What is this item? Does it contribute positively to the life you want? The answers to these questions will help you understand your priorities and fix your relationship with your stuff. And in gaining this understanding you can start to clear out the clutter!

The Gentle Art of Swedish Death Cleaning Margareta Magnusson, 2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dö meaning "death" and städning meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

The Little Book of Living Small Laura Fenton,2020-06-08 A comprehensive guide to small-space secrets and real-life solutions for living in 1,200 square feet or less. The Little Book of Living Small shows readers how to make the most of limited square footage—with grace and style—and serves as the cheerleader readers need to help themselves feel satisfied and proud of their choice to live with less. In addition to exploring both the motivation behind choosing to live in a small space, as well as the practical, everyday advice for managing a tight footprint, The Little Book of Living Small also includes case studies: 12 style-savvy, small-space dwellers open their doors and share their design secrets. Author Laura Fenton covers a range of homes including studio apartments, one- and two-bedroom houses, a tiny house, a co-living space, and even whole houses. Stylistically these homes range from urban, rural, minimalist, and country, with the unifying thread that they are all real homes of less than 1,200 square feet that offer clever solutions that readers can use in their own homes. Laura Fenton is the lifestyle director at Parents magazine. With more than fifteen years of experience, her work has appeared in major publications including Better Homes & Gardens, Country Living, Good Housekeeping, and on leading home websites including Remodelista.com, HGTV.com, ElleDecor.com, HouseBeautiful.com, Refinery29, and elsewhere. Through her writing she has explored the topic of living small for more than a decade. She lives small with her husband, a photographer, and their son in Jackson Heights, Queens, in New York.

Etiquette: The Least You Need to Know Jamila Musayeva,2019-01-22 You never get a second chance to make a first impression. Have you ever heard this saying? Before we get a chance to say a word, our gestures and manners have already spoken for us. Though some of the rules of good manners change, others remain constant. This book is about the constants: the least you need to know to make a good first impression. As Clarence Thomas once said, Good manners will open doors that the best education cannot. Use this book as a master key to open those doors.
