The Mystery of the Magic Toilet Pungence,2018-09-02 The

Amazing Frog is back! Swindon's favorite resident is always seeking out exciting new adventures, but when the Amazing Frog is called upon to solve an unusual emergency on the moon, little does he know it's the start of his craziest escapade yet. The most important moon worm of all time has gone missing, and it looks like it's up to the Amazing Frog to find out where he's gone. And when the space ants decide they want to send along one of their representatives to help the Amazing Frog in his quest, things only get stranger. Aided by his trusty pal Pig Newton, the Amazing Frog must draw on all his weapons, contraptions, and-above all-wits to find the missing moon worm before it's too late. When clues begin pointing to a mysterious magic toilet-that appeared out of nowhere in Swindon one day, and seems to have awesome transformative powers-the Amazing Frog realizes that all may not be as it seems, and that strange dangers will stand between him and the missing moon worm.As the Amazing Frog makes his way through a world of fun puzzles and challenges, he encounters old friends (or in some cases frenemies) like Joke Frog and Megalodon, and interesting new adversaries like Red Megalodon. He also learns

more than he ever wanted to know about the nuanced relations between moon worms and space ants! But will he rescue the missing moon worm in time to avert disaster? You'll have to read on to find out! Fans of Pungence and the Amazing Frog are sure to enjoy this rollicking adventure for readers of all ages!

100 Endgames You Must Know Jesus de la Villa,2015-12-28 'New (4th) and improved edition of an all-time classic The good news about endgames is: • there are relatively few endings you should know by heart • once you know these endings, that's it. Your knowledge never goes out of date! The bad news is that, all the same, the endgame technique of most players is deficient. Modern time-controls make matters worse: there is simply not

enough time to delve deep into the position. Jesus de la Vila debunks the myth that endgame theory is complex and he teaches you to steer the game into a position you are familiar with. This book contains only those endgames that: • show up most frequently • are easy to learn • contain ideas that are useful in more difficult positions. Your performance will improve dramatically because this book brings you: • simple rules • detailed and lively explanations • many diagrams • clear summaries of the most important themes • dozens of tests.

The Mamba Mentality Kobe Bryant,2018-10-23 The Mamba Mentality: How I Play is Kobe Bryant’s personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe “The Black Mamba” Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to

teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” *The Mamba Mentality* takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They’ll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant’s detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant’s very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant’s narrative and Bernstein’s photos make *The Mamba Mentality* an unprecedented look behind the curtain at the career of one of the world’s most celebrated and fascinating athletes.

Machine of Death Ryan North, Matthew Bennardo, David

Malki,2010 MACHINE OF DEATH tells thirty-four different stories about people who know how they will die. Prepare to have your tears jerked, your spine tingled, your funny bone tickled, your mind blown, your pulse quickened, or your heart warmed. Or better yet, simply prepare to be surprised. Because even when people do have perfect knowledge of the future, there's no telling exactly how things will turn out.

Playing to Win David Sirlin,2006-04-01 Winning at competitive games requires a results-oriented mindset that many players are simply not willing to adopt. This book walks players through the

entire process: how to choose a game and learn basic proficiency, how to break through the mental barriers that hold most players back, and how to handle the issues that top players face. It also includes a complete analysis of Sun Tzu's book *The Art of War* and its applications to games of today. These foundational concepts apply to virtually all competitive games, and even have some application to real life. Trade paperback. 142 pages.

That Sounds Fun Annie F. Downs, 2021-02-02 A New York Times Bestseller! We know there are certain things we must have to survive--food, shelter, and safety to name a few. But there are also aspects of life that truly allow us to be joyful and fulfilled. For popular podcaster and bestselling author Annie F. Downs, fun is close to the top of that list. Few would argue that having fun doesn't enrich our lives, but so much gets in the way of prioritizing it. Tough days, busyness, and feelings that are hard to talk about keep us from the fun that's out there waiting to be found. With *That Sounds Fun*, Annie offers an irresistible invitation to understand the meaning of fun, to embrace it and chase it, and to figure out what, exactly, sounds fun to you--then do it! Exploring some research and sharing some thoughts behind why fun matters, she shows you how to find, experience, and multiply your fun. With her

signature storytelling style and whimsical vulnerability, Annie is the friend we all need to guide us back to staying true to ourselves and finding the fun we need.
