

Go Heaven

Micah Wilder

All God's Creatures Go to Heaven Amy Nolfo-Wheeler, N. A.

Noël, 1996 A child angel discovers that the special purpose of children in Heaven is to care for pets until they are reunited with their human companions.

Go to Heaven Fulton J. Sheen, 2017-08-07 Why is it, asks Bishop Fulton Sheen, that one hears so often the expression Go to hell! and almost never the expression Go to heaven! Here, at his most penetrating, challenging, and illuminating best is Bishop Sheen with his answer, in a book that breathes new meaning into the truths about heaven and hell, and new life into the concepts of faith, tolerance, love, prayer, suffering, and death. Beginning with *The First Faint Summons to Heaven*, Sheen shows how unpopular it is today to be a true Christian, and describes the struggle for living our faith amid the disorders of our times. Keenly aware of evil in the myriad forms it takes in today's world, Bishop Sheen writes about the constant battle man faces with the seven pallbearers of character - pride, avarice, envy, lust, anger, gluttony and sloth - linking them with the corrosive forces that never cease in their attacks on the Church and those who earnestly desire to be serious Christians. In *Go to Heaven*, a great spiritual teacher and

writer, deeply aware of the human and spiritual conflicts being waged in the world, shows us the way to heaven in a most eloquent book, encouraging the reader to choose heaven now, and to understand the reality of hell.

Everybody Wants to Go to Heaven, But Nobody Wants to Die

David Crowder, Mike Hogan, 2009 In this unique and engaging book, Everybody Wants to Go to Heaven, but Nobody Wants to Die, musicians David Crowder and Mike Hogan remind readers that a life lived to the fullest inevitably includes pain and grief. Even more, that kind of life requires dying to self---which then frees us to experience a greater joy: living as part of a community of faith.

Getting to Heaven by Going Through Hell Scot

Hodkiewicz, 2015-05-21 If you want to hear God laugh, just tell him your plan. Dr. Scot Hodkiewicz was happily living the American Dream, having followed his own Great Plan to the letter. But as he would discover, as he drove down the interstate one October day with his wife and three young children, God had an even greater plan for his life. Left with a mangled body and a broken spirit in the aftermath of a head-on collision with a drunk driver, Dr. Scot entered his own personal hell of pain, addiction, and potential tragedy. Initially filled with anger, hatred and self-pity, he would

come to understand the power of forgiveness and that his struggles were ultimately the path to his salvation. God's plan for him was so much more than he could ever imagine. By going through his hell, he found angels to guide him everywhere, and he discovered that heaven is not something we find after death; it can be found right here on Earth. We only have to recognize it. Join Dr. Scot on this miraculous journey of Getting to Heaven by Going through Hell.

Next Door Savior Max Lucado, 2012-12-31 We applaud men for doing good things. We enshrine God for doing great things. But what about a man who does God things? One thing is certain. We can't ignore him. If these moments are factual, if the claim of Christ is actual, then he was, at once, man and God. The single most significant person who ever lived. Forget MVP. He is the entire league. The head of the parade? Hardly. No one else shares the street. Who comes close? Humanity's best and brightest fade like dime-store rubies next to him. Dismiss him? We can't. Resist him? Equally difficult. Why would we want to? Don't we need a God-man Savior? A just-God Jesus could make us, but not understand us. A just-man Jesus could love us, but never save us. But a God-man Jesus? Near enough to touch. Strong enough to trust. A next door Savior.

Imagine Heaven John Burke, 2015-10-13 It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. *Imagine Heaven* is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Revealing the Mysteries of Heaven David

Jeremiah,2017-01-01 What happens when we die? Where do we go? Is there an afterlife? Does the Bible say anything specific about heaven? Are there streets of gold there? This book will answer those questions and tell you what's up with heaven. By studying the Scriptures from Genesis to Revelation and studying a variety of topics, the curtain is pulled back—to the extent Scripture allows—to reveal the glorious and utterly amazing realm of heaven.

Shanahan, 2008-05-01 *Who Says Animals Go To Heaven?* This book will show you some of the Ministers who said it! If you ever wondered if animals go to Heaven, this book will answer your question. This is a collection of over 60 commentaries from Christian Ministers who share their belief that all animals have eternal life. These Bible experts cross the lines of denominations, and span throughout generations and geographical locations. If you've ever had a Minister tell you that animals don't go to Heaven, you'll really appreciate this book. It expands on all the Scriptures we covered in; *There Is Eternal Life For Animals*; which proved that all animals go to Heaven, and now you can hear it straight from the Ministers. It is a very exciting and revealing collection of commentaries that has never been compiled in one book before!

How To Make One Hell Of A Profit and Still Get In To Heaven

Dr. John F. Demartini, 2004-03-01 Millions of people worldwide dream of making a good living, of attaining great wealth, and having an extraordinary and fortunate life. However, they haven't yet found a way of attaining it, and they fear that they can only do so at the expense of others—perhaps by compromising their higher spiritual values and virtuous nature. Some people who outwardly acknowledge their desire for great wealth feel inwardly guilty about acquiring it, and their illusive conflict blocks or dissipates their potential fortunes. Other people say they just want to be comfortable and secure rather than vastly fortunate. These individuals also hold themselves back from breaking through to new levels of financial freedom, and actually living their most cherished and inspiring dreams. In addition to their conflicting spiritual and material natures, some people have an additional internal struggle between their desires to give and receive. How to Make One Hell of a Profit and Still Get to Heaven was written to help you (if you happen to be like most people) dissolve these apparent conflicts. It can assist you in making your financial dreams come true while shedding light on an entirely new way of looking at, understanding, and appreciating the true nature of Earthly profits and heavenly wealth. If you read and apply the

principles and methodologies that are laid out in these pages, your relationship with, and ability to master, your spiritual wealth and material finances as well as other vital areas of your life will undergo an amazing transformation.

I'm Not Perfect, Can I Still Go to Heaven? Anthony

The Heaven Promise Scot McKnight,2015 Heaven. Eternity.

The Afterlife. You mention any of these concepts, and people of all

ages and from all walks of life are certain to have opinions. Maybe that's why there are so many books and movies that feature heaven-and-back experiences. But how can we know if those accounts are accurate? How can we know for sure what heaven will be like? Well, according to New Testament scholar and popular author Scot McKnight, all we need to do is to turn to Scripture to answer our questions. Separating fact from fiction, McKnight helps the reader examine the witness of God's Word in order to discover what awaits us on the other side of the grave. -- Amazon.

Go to Heaven Rev. John Booko,2022-09-07 When we all get to heaven What a day of rejoicing that will be When we all see Jesus We will sing and shout the victory

How to Get to Heaven (Without Really Dying) Robert Kopecky,2018-03-08 A Near-Death Survivor's Guide to Living a Joyful Reality in the Here and Now After living through three very different near-death experiences, Robert Kopecky discovered a remarkable fact about life and death: You don't have to die to go to Heaven. This book shows how to engage with a paradise that is always present in your life. It's about learning how to make choices that lead you to a place of happiness and fulfillment—finding the pathways (and a few shortcuts) that will bring you the spiritual

awareness and joy that is your birthright. By cultivating perspective, presence, and purpose, you'll discover that going to Heaven is not about moving into a realm of eternal sleep, but about being right where you are—wherever that may be—and waking up. Praise: Many people have had near-death experiences and have returned with strong messages for the rest of us. Robert Kopecky's reflections are unusually intelligent and presented in a lively mix of humor and seriousness. I had fun reading this book and appreciated Robert's fresh way of offering traditional wisdom.—Thomas Moore, author of *Care of the Soul* and *Ageless Soul* Helping us to engage with life, these truths will lead us on a transformational journey in finding a life filled with joy while creating Heaven on Earth.—Anita Moorjani, New York Times bestselling author of *What If This Is Heaven* Possibly the most insightful book on how to obtain the enlightenment experienced by those who have gone through a NDE, *How to Get to Heaven (Without Really Dying)* offers hope and encouragement to experience lasting change.—Marianne Pestana, host of *Moments with Marianne* Robert's compassion and selfless service of insight and reflections are a true gift to every reader of this guide to higher consciousness.—Brother Edward Salisbury, DDiv, FD, hospice

minister and multiple NDE survivor Robert Kopecky clearly identifies techniques to help stop our de-evolution of society by remembering our true purpose—to be of service to others.—Linda P. Truax, Board Secretary of the International Association for Near-Death Studies I appreciate and endorse Robert's key themes, which are presented with engaging and heartfelt first person examples: we if seek peace of mind in this life, we'll find it through acts of kindness, humility, honesty, forgiveness, compassion, and service. These practices are universal, but often expressed in a dogmatic fashion, rather than in the friendly manner found in this book. Perhaps his clarity boils down to the adage, 'Religion is for people who're afraid of going to hell. Spirituality is for those who've already been there.'—Josh Korda, author and guiding teacher of DharmaPunx NYC A landscape of love is all around us, and yet mysteriously hidden. Based on his own near-death experiences, Robert Kopecky gives us keys to this landscape. Practicing the simple qualities of kindness, compassion, humility, and service open us to the love, light, and magic of life. Heaven is not 'somewhere else' but a state in which we are reconnected to the Divine Consciousness that is within and all around us. This beautiful book helps us to live in this miraculous realm, awake in its

wonder.—Llewellyn Vaughan-Lee, PhD, author of *Sufism: The Transformation of the Heart*

Passport to Heaven Micah Wilder, 2021-06-01 “You have a call, Elder Wilder.” When missionary Micah Wilder set his sights on bringing a Baptist congregation into the Church of Jesus Christ of Latter-day Saints, he had no idea that he was the one about to be changed. Yet when he finally came to know the God of the Bible, Micah had no choice but to surrender himself—no matter the consequences. For a passionate young Mormon who had grown up in the Church, finding authentic faith meant giving up all he knew: his community, his ambitions, and his place in the world. Yet as Micah struggled to reconcile the teachings of his Church with the truths revealed in the Bible, he awakened to his need for God’s grace. This led him to be summoned to the door of the mission president, terrified but confident in the testimony he knew could cost him everything. *Passport to Heaven* is a gripping account of Micah’s surprising journey from living as a devoted member of a religion based on human works to embracing the divine mercy and freedom that can only be found in Jesus Christ.

Letting Go of Heaven Laura Steffens, Adina M.

Kring, 2019-03-26 Adina had no idea an allergic reaction would set

Unaware of efforts to resuscitate her, she toured heaven after encountering an old friend who died only months before. While being ushered from room to room during this heavenly visit, doctors told her family she was brain damaged and would never return to her former self. Read about her miraculous journey and return to everyday life while learning to “let go of heaven.”

Not by Sight Jon Bloom, 2013-04-30 Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus’s words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, Not by Sight gives us glimpses of what it means to walk by faith and counsel for how to trust God’s promises more than our perceptions and to find rest in the faithfulness of God.
