Mario Kart Tour 101 Brian Reitema,2021-06-05 Mario Kart Tour is a mobile game in the Mario Kart series. Like Super Mario Run, it is free to start from the App Store and Google Play. Unlike Super Mario Run and similar to that of Dr. Mario World, the game more heavily incorporates a free-to-play microtransaction mechanic, having elements in the form of items being launched out of pipes. The game reuses many assets from Mario Kart 7 and Mario Kart 8, as well as returning gameplay mechanics such as gliding and character-specific special items. In addition, the game introduces some features new to the Mario Kart franchise such as reversed courses and the ability to deploy a large amount of any item during a race, including Spiny Shells and Bullet Bills. At its most basic, Mario Kart Tour is what it sounds like: a simplified Mario Kart you can play on your phone. It looks like Mario Kart, albeit with slightly sterile graphics, and you'll hear familiar tunes as you race. Power-ups like red shells and banana peels are still present, and if you're in the first place you'll still need to be wary of blue shells.
