*Lift* Minh Lê,2020-05-05 From the award-winning and bestselling creators of *Drawn Together* comes the fantastic tale of a magical elevator that will lift your spirits--and press all the right buttons! Iris loves to push the elevator buttons in her apartment building, but when it's time to share the fun with a new member of the family, she's pretty put out. That is, until the sudden appearance of a mysterious new button opens up entire realms of possibility, places where she can escape and explore on her own. But when she's forced to choose between going at it alone or letting her little brother tag along, Iris finds that sharing a discovery with the people you love can be the most wonderful experience of all. Using their dynamic comics-inspired storytelling, acclaimed author Minh Lê and Caldecott Medal-winning artist Dan Santat carry readers on a journey of ups, downs, and twists and turns that will send hearts--and imaginations--soaring. \*Beautiful ---School Library Journal, starred review \*Dazzling---Publishers Weekly, starred review \*Delightful---School Library Connection, starred review \*Immersive---Booklist, starred review \*Inspired---Kirkus Reviews, starred review

*Lift-the-Flap Tab: On the Go* Sarah Powell (Writer of children's books),Roger Priddy,2014-06-17 Describes different forms of transportation, including taxis, motorcycles, freight trains, fishing boats, and jumbo jets, with lift flaps to see what's inside each vehicle.

*Lift* Kelly Corrigan,2010-03-02 No matter when and why this comes to your hands, I want to put down on paper how things started with us. Written as a letter to her children, Kelly Corrigan's *Lift* is a tender, intimate, and robust portrait of risk and love; a touchstone for anyone who wants to live more fully. In *Lift*, Corrigan weaves together three true and unforgettable stories of adults willing to experience emotional hazards in exchange for the gratifications of raising children. *Lift* takes its name from hang gliding, a pursuit that requires flying directly into rough air, because turbulence saves a glider from sinking out. For Corrigan, this wisdom--that to fly requires chaotic, sometimes even violent passages--becomes a metaphor for all of life's most meaningful endeavors, particularly the great flight that is parenting. Corrigan serves it up straight--how mundanely and fiercely her children have been loved, how close most lives occasionally come to disaster, and how often we fall short as mothers and fathers. *Lift* is for everyone who has been caught off guard by the pace and vulnerability of raising children, to remind us that our work is important and our time limited. Like Anne Morrow Lindbergh's *Gift from the Sea*, *Lift* is a meditation on the complexities of a woman's life, and like Corrigan's memoir, *The Middle Place*, *Lift* is boisterous and generous, a book readers can't wait to share.

*On the Go* Sarah Wilson,1997 The Disney Babies help little ones explore letters, numbers,

shapes, colors, and opposites as they play with trucks, cars, and boats, and pack their bags for a trip. Over 60 flaps included in this full-color, oversized book.

**First 100 Trucks and Things That Go Lift-the-Flap** Nicola Friggens,Roger Priddy,Sarah (CRT) Powell,Amy (CRT) Oliver,2015-01-06 Introduces young readers to various modes of transportation through labeled pictures and flaps to lift, including airplanes, automobiles, fire trucks, tractors, boats, buses, bicycles, and trains.

**Lift Yourself** Laura Hoggins,2019-07-25 Ditch the fad diets and step off the treadmill. There's another way to get results, and it's all about lifting weights. Laura Hoggins spent her early adult life a slave to the scales and a fad diet junkie. Fed up of feeling unhappy, exhausted and demotivated, something had to change. That's when she discovered lifting - the ultimate form of fitness that celebrated effort over results and empowerment over appearance. Packed full of practical tips and myth-busting advice, Lift Yourself is your go-to companion to strength training which will help you to: · turbo-charge your metabolism · improve your mental health · recharge your energy levels Now a qualified strength and conditioning coach, Laura's 10 Lifting Commandments will help you kick-start a happier, healthier life. So, get ready for lift-off and prepare to find out just how strong you are.

*I Know Things That Go* Clever Publishing,2018-11-27 I Know Things That Go invites kids to discover the big and fascinating world of vehicles - over 50 different kinds of machines! Kids will love lifting the flaps and learning how various vehicles work and what they do. The Moment of Lift Melinda Gates,2019-04-23 NEW YORK TIMES BESTSELLER “In her book, Melinda tells the stories of the inspiring people she’s met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace.” – President Barack Obama “The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what’s possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page.” – Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead “Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever.” – Malala Yousafzai Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms. – Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. “How can we summon a moment of lift for human beings – and especially for women? Because when you lift up women, you lift up humanity.” For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she’s learned from the inspiring people she’s met during her work and travels around the world. As she writes in the introduction, “That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live.” Melinda’s unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and

grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

*Women's Health Lift to Get Lean* Holly Perkins, Editors of Women's Health Maga, 2015-04-14 Research shows that building muscle helps the body burn more calories 24/7 and that resistance training is the most effective way to torch body fat. Yet that message is still lost on many women who fear that weight lifting will make them bulky, turn their skin green, and give them Incredible Hulk muscles like their boyfriends'. Women have more options than step aerobics or running on a treadmill to shed pounds: They can weight-train in a very specific manner designed to make the most of a woman's unique physiology. *Lift to Get Lean* is the first beginner's guide to strength training from Women's Health that is written specifically for women by a woman. Holly Perkins is a certified strength and conditioning specialist (CSCS) who has been teaching the fat-burning secrets of weight training exclusively to women for more than 20 years. Perkins doesn't follow men's rules when it comes to building muscle. Her *Lift to Get Lean* delivers a three-step system: Technique, Movement Speed, and the Last 2 Reps Rule, which make all the difference in developing the kind of strong, lean, and sexy body women want. Perkins offers four different 90-day training programs that efficiently build functional strength along with leaner legs, stronger arms, and a sexier butt.
