

Go Rush!

John Feinstein

Anthem: Rush in the 1970s Martin Popoff,2020-05-12 The definitive biography of the rock 'n' roll kings of the North With extensive, first-hand reflections from Geddy Lee, Alex Lifeson, and Neil Peart, as well as from family, friends, and fellow musicians, Anthem: Rush in the '70s is a detailed portrait of Canada's greatest rock ambassadors. The first of three volumes, Anthem puts the band's catalog, from their self-titled debut to 1978's Hemispheres (the next volume resumes with the release of Permanent Waves) into both Canadian and general pop culture context, and presents the trio of quintessentially dependable, courteous Canucks as generators of incendiary, groundbreaking rock 'n' roll. Fighting complacency, provoking thought, and often enraging critics, Rush has been at war with the music industry since 1974, when they were first dismissed as the Led Zeppelin of the north. Anthem, like each volume in this series, celebrates the perseverance of Geddy, Alex, and Neil: three men who maintained their values while operating from a Canadian base, throughout lean years, personal tragedies, and the band's eventual worldwide success.

Limelight: Rush in the '80s Martin Popoff,2020-10-13 Part two of the definitive biography of the rock 'n' roll kings of the North — covering Rush's most iconic and popular albums, Moving Pictures and Power Windows Includes two full-color photo inserts, with 16 pages of the band on tour and in the studio In the follow-up to Anthem: Rush in the '70s, Martin Popoff brings together canon analysis, cultural context, and extensive firsthand interviews to celebrate Geddy Lee, Alex Lifeson, and Neil Peart at the peak of their persuasive power. Rush was one of the most celebrated hard rock acts of the '80s, and the second book of Popoff's staggeringly comprehensive three-part series takes readers from Permanent Waves to Presto, while bringing new insight to Moving Pictures, their crowning glory. Limelight: Rush in the '80s is a celebration of fame, of the pushback against that fame, of fortunes made — and spent ... In the latter half of the decade, as Rush adopts keyboard technology and gets pert and poppy, there's an uproar amongst diehards, but the band finds a whole new crop of listeners. Limelight charts a dizzying period in the band's career, built of explosive excitement but also exhaustion, a state that would lead, as the '90s dawned, to the band questioning everything they previously believed, and each member eying the oncoming decade with trepidation and suspicion.

Geddy Lee's Big Beautiful Book of Bass Geddy Lee,2018-12-18 It's not surprising that sooner or later I'd dive down the proverbial rabbit hole into the world of vintage bass guitars.—Geddy Lee From Rush frontman Geddy Lee's personal collection of vintage electric bass guitars, dating from the 1950s to the 1980s, comes the definitive volume on the subject. Geddy's love of the bass has been nurtured over a lifetime spent in the limelight as one of the world's premier rock bassists. For the past seven years, he's dedicated himself to studying the history of the instrument that's been so essential to his career, collecting hundreds of basses from around the globe. Written with arts journalist Daniel Richler, gorgeously photographed in breathtaking detail by Richard Sibbald, and with insight from Geddy's trusted bass tech and curator, John Skully McIntosh, Geddy Lee's Big Beautiful Book of Bass profiles over 250 classic basses from Geddy's extensive collection. Representing every tone in the bass palette, every nuance of the rock and roll genre as well as blues, jazz, pop, and country, this one-of-a-kind collection features so-called beauty queens—pristine instruments never lifted from their cases—as well as road warriors—well-worn, sweat-soaked basses that proudly show their age and use. Complete with personal commentary from Geddy that showcases his knowledge both as a musician and an aficionado, this luxuriously produced volume is a revelatory look at the heavy hitters in the world of bass—Fender, Gibson/Epiphone, Rickenbacker, Höfner, Ampeg—and lesser known but influential global luthiers such as Antonio Wandr Pioli, Dan Armstrong, and Tony Zemaitis. The book

also features interviews with John Paul Jones (Led Zeppelin); Adam Clayton (U2); Robert Trujillo (Metallica); Jeff Tweedy (Wilco); Bill Wyman (The Rolling Stones); Les Claypool (Primus); Bob Daisley (Rainbow); Fender expert and owner of the legendary Gibson Explorer, Bass Ken Collins; veteran guitar tech for The Who, Alan Rogan; plus comments from many other great players across three decades of rock and roll. Written in Geddy's singular voice, this book reveals the stories, songs, and history behind the instruments of his inimitable collection. Complete with an index and a graphically designed timeline of the history of the bass, as well as an up-close look at Geddy's basses on Rush's final R40 Tour, his stage and recording gear from 1968 to 2017, and forewords by author and respected vintage expert, Terry Foster, and Rush band member, Alex Lifeson, Geddy Lee's Big Beautiful Book of Bass is the ultimate compendium for the consummate collector, musician, Rush fan, and anyone who loves the bass guitar.

Rush Martin Popoff, 2017-05 ...Treats fans to an unparalleled look back at the trio's twenty studio albums through the minds and ears of twenty musicians, Rush authorities, and fellow journalists. -back cover.

Rush Revere and the First Patriots Rush Limbaugh, 2014-03-11 From America's #1 radio talk show host and #1 New York Times bestselling author, the second book in a series for young readers with a history teacher who travels back in time to have adventures with exceptional Americans. Rush Revere rides again! Saddle up with Rush Limbaugh's really good pal for a new time-travel adventure. "Whoa there, young historians! Before we go rush, rush, rushing off anywhere, I'd like a moment. I'm Liberty, Rush Revere's loquacious equine companion—his trusty talking horse! Always at the ready to leap from the twenty-first century into America's past, that's me. When he says 'Let's go!' I'm so there. I'm jazzed, I'm psyched, I'm—" "Ah, excuse me, Liberty?" "Yeah, Rush?" "Usually you say 'oh no, not again!' and 'while we're in colonial Boston, can I try the baked beans?'" "Okay, fine—you do the talking. I'll just be over here, if you need me...." Well, he's sulking now, but I couldn't be your tour guide across time without Liberty! His name says it all: the freedom we celebrate every July Fourth with fireworks and hot dogs (and maybe some of those baked beans). But how did America get free? How did thirteen newborn colonies tell the British king where he could stick his unfair taxes? Jump into the bustling streets of Boston in 1765, where talk of revolution is growing louder. I said LOUDER. You'll have to SHOUT to be heard over the angry cries of "Down with the king!" and "Repeal the Stamp Act!" that fill the air. You'll meet fierce supporters of liberty like Samuel Adams, Benjamin Franklin, and my idol, Paul Revere, as they fearlessly defy British rule. It's an exciting, dangerous, turbulent, thrilling time to be an American...and exceptional young patriots like you won't want to miss a minute. Let's ride!

The California Gold Rush Jean F. Blashfield, 2001 Describes adventures and disasters in the lives of people who rushed to the gold mines of California in 1848 and explains how this event sparked the state's development.

I Ain't Studdin' Ya Bobby Rush, 2021-06-22 Experience music history with this memoir by one of the last of the genuine old school Blues and R&B legends, the Grammy-winning dynamic showman Bobby Rush. This memoir charts the extraordinary rise to fame of living blues legend, Bobby Rush. Born Emmett Ellis, Jr. in Homer, Louisiana, he adopted the stage name Bobby Rush out of respect for his father, a pastor. As a teenager, Rush acquired his first real guitar and started playing in juke joints in Little Rock, Arkansas, donning a fake mustache to trick club owners into thinking he was old enough to gain entry. He led his first band in Arkansas between Little Rock and Pine Bluff in the 1950s. It was there he first had Elmore James play in his band. Rush later relocated to Chicago to pursue his musical career and started to work with Earl Hooker, Luther Allison, and Freddie King, and sat in with many of his musical heroes, such as Howlin' Wolf, Muddy Waters, Jimmy Reed and Little Walter. Rush eventually began leading his own band in the 1960s,

crafting his own distinct style of funky blues, and recording a succession of singles for various labels. It wasn't until the early 1970s that Rush finally scored a hit with Chicken Heads. More recordings followed, including an album which went on to be listed in the Top 10 blues albums of the 1970s by Rolling Stone and a handful of regional jukebox favorites including Sue and I Ain't Studdin' Ya. And Rush's career shows no signs of slowing down now. The man once beloved for performing in local jukejoints is now headlining major music/blues festivals, clubs, and theaters across the U.S. and as far as Japan and Australia. At age eighty-six, he is still on the road for over 200 days a year. His lifelong hectic tour schedule has earned him the affectionate title King of the Chitlin' Circuit, from Rolling Stone. In 2007, he earned the distinction of being the first blues artist to play at the Great Wall of China. His renowned stage act features his famed shake dancers, who personify his funky blues and his ribald sense of humor. He was featured in Martin Scorsese's The Blues docuseries on PBS, a documentary film called Take Me to the River, performed with Dan Aykroyd on The Tonight Show Starring Jimmy Fallon, and most recently had a cameo in the Golden Globe nominated Netflix film, Dolemite Is My Name, starring Eddie Murphy. He was recently given the highest Blues Music Award honor of B.B. King Entertainer of the Year. His songs have also been featured in TV shows and films including HBO's Ballers and major motion pictures like Black Snake Moan, starring Samuel L. Jackson. Considered by many to be the greatest bluesman currently performing, this book will give readers unparalleled access into the man, the myth, the legend: Bobby Rush.

Rush Jobs Nick Bryan, 2015-01-08 Sometimes #crime feels like the Matrix. Or the #patriarchy or #porn. It's everywhere, even in people you trusted, and there's so MUCH of it." Angelina Choi returns for her second and final week of work experience at John Hobson's detective agency, ready for anything after their first successful murder solve. After all that online buzz, they're in phenomenal demand. Can Hobson & Choi solve a kidnapping, play chicken with corporate crime, beat back gentrification, save a dog from drug dealers and head off violent backlash from their last case? Or will grim revelations about Hobson's past leave them floundering in the chaos? Rush Jobs collects the second major storyline in the Hobson & Choi saga, #1 on Jukepop Serials and #2 in Dark Comedy on Amazon, adding brand new chapters and scenes to the case. Also included: bonus story Infernal Accounting, exclusive to this book. An unfortunate accountant is terrified of his first day working for Rush Recruitment - but they're only a temp agency, right? How bad can it be? Praise for Hobson & Choi series "You'll want to say you got on this guy's bandwagon early. Really." - Chris Brosnahan, author of Deadlines and POV "Great, engaging characters who you can't help but root for. The well-plotted crime/mystery elements make it a real page-turner, and the book shows its origins as serialised fiction in the best possible way -- with pacey writing and never a dull moment." - Ali Luke, author of Lycopolis "Hilarious modern crime comedy caper. I can't wait for the next volume." - Alastair JR Ball, Nimbus Space This is one of my must-read serials. If you enjoy mystery, a bit of crudeness, and dark humor, Hobson and Choi is definitely a serial you should check out. - Colleen Vanderlinden, author of Hidden I'd definitely recommend this story to mystery enthusiasts, especially those who favor dark humor. - Palladian, author of Super H&C is just plain fun... Even when it's being grim and ghastly, it's still packed full of wit. - Dan Weatherley, author of The New Devil By turns serious and darkly funny... my hat's off to the author. Witty and just a bit gross!

Ryder's Rush Kim Lubbers, Jackie Ziegler, 2020-12-08 Ryder I live for the adrenaline rush. Never once have I not. All my life, it's been one adventure after another. Now I find myself on the most dangerous one yet. Finding her the way I did; I knew without a doubt I'd claim her as mine. Didn't matter if she agreed or not. She'd come to my way of thinking sooner or later. Only when the worse kind

of rush rears its head, do I find myself conflicted of whether or not to keep my beauty. She is nothing like she seems and I'm not sure she can handle the life I lead. It's only a matter of time before the fires catch us in their grasps. Will she cave to my demands or will I let her go? The rush of a lifetime is ahead of the both of us.

La Vendée Anthony Trollope, 1874

Rush for the Gold: Mystery at the Olympics (The Sports Beat, 6) John Feinstein, 2013-05-14 New York Times bestselling sportswriter John Feinstein dives headfirst into a scandal of Olympic proportions in this exciting sports mystery. Teen sports reporter Susan Carol is competing as a swimmer at her first-ever Olympic games. It's the opportunity of a lifetime, and her best friend Stevie is both amazed and envious. Usually they cover sporting events together, now he's covering her. But Stevie can't shake the feeling that something's not right. Everyone wants a piece of Susan Carol's success—agents, sponsors, the media. Just how far will they go to ensure that America's newest Olympic darling wins gold? John Feinstein has been praised as “the best writer of sports books in America today” (The Boston Globe), and he proves it again in this fast-paced novel.

Mating Norman Rush, 1992-09-01 NATIONAL BOOK AWARD WINNER • Is love between equals possible? This modern classic is a delightful intellectual love story that explores the deepest canyons of romantic love even as it asks large questions about society, geopolitics, and the mystery of what men and women really want. “Luminous... Few books evoke the state of love at its apogee.” —The New York Times Book Review “The best rendering of erotic politics... since D.H. Lawrence... The voice of Rush's narrator is immediate, instructive and endearing.” —The New York Review of Books The narrator of this splendidly expansive novel of high intellect and grand passion is an American anthropologist at loose ends in the South African republic of Botswana. She has a noble and exacting mind, a compelling waist, and a busted thesis project. She also has a yen for Nelson Denoon, a charismatic intellectual who is rumored to have founded a secretive and unorthodox utopian society in a remote corner of the Kalahari—one in which he is virtually the only man. What ensues is an exhilarating quest and an exuberant comedy of manners: “A dryly comic love story about grown-up people who take the life of the mind seriously.” —Newsweek

English-Cheyenne Dictionary Rodolphe Charles Petter, 1915

Substrate and Adstrate Micah Corum, 2015-04-24 This volume provides a large-scale, in-depth analysis of locative structures in Nigerian Pidgin and Ghanaian Pidgin English and compares those structures to locatives in their lexifier, substrate, and adstrate languages. The work draws on new research methods for investigating substrate and adstrate influence in semantics and creole genesis.

Rush Stephen Fried, 2018-09-04 The monumental life of Benjamin Rush, medical pioneer and one of our most provocative and unsung Founding Fathers FINALIST FOR THE GEORGE WASHINGTON BOOK PRIZE • AMERICAN LIBRARY ASSOCIATION NOTABLE BOOK OF THE YEAR By the time he was thirty, Dr. Benjamin Rush had signed the Declaration of Independence, edited Common Sense, toured Europe as Benjamin Franklin's protégé, and become John Adams's confidant, and was soon to be appointed Washington's surgeon general. And as with the greatest Revolutionary minds, Rush was only just beginning his role in 1776 in the

American experiment. As the new republic coalesced, he became a visionary writer and reformer; a medical pioneer whose insights and reforms revolutionized the treatment of mental illness; an opponent of slavery and prejudice by race, religion, or gender; an adviser to, and often the physician of, America's first leaders; and "the American Hippocrates." Rush reveals his singular life and towering legacy, installing him in the pantheon of our wisest and boldest Founding Fathers. Praise for Rush "Entertaining . . . Benjamin Rush has been undeservedly forgotten. In medicine . . . [and] as a political thinker, he was brilliant."—The New Yorker "Superb . . . reminds us eloquently, abundantly, what a brilliant, original man Benjamin Rush was, and how his contributions to . . . the United States continue to bless us all."—The Philadelphia Inquirer "Perceptive . . . [a] readable reassessment of Rush's remarkable career."—The Wall Street Journal "An amazing life and a fascinating book."—CBS This Morning "Fried makes the case, in this comprehensive and fascinating biography, that renaissance man Benjamin Rush merits more attention. . . . Fried portrays Rush as a complex, flawed person and not just a list of accomplishments; . . . a testament to the authorial thoroughness and insight that will keep readers engaged until the last page."—Publishers Weekly (starred review) "[An] extraordinary and underappreciated man is reinstated to his rightful place in the canon of civilizational advancement in Rush. . . . Had I read Fried's Rush before the year's end, it would have crowned my favorite books of 2018 . . . [a] superb biography."—Brain Pickings

Land Rush Gary Reiswig, 2014-07-30 On the Great Plains, boys nearing manhood have to grow up tough even if their hearts are tender. In this collection of stories based on true events from his boyhood, Gary Reiswig leads others back to the time when the last homesteaders—like his own family—arrived in the Oklahoma Panhandle to claim their pot of gold in the great land rush, the last westward thrust of Manifest Destiny. A farm boy learns to drive a tractor when he's nine, castrate and dehorn calves at twelve. After his father points out old trails, the boy realizes that Native Americans hunted buffalo on the very land his family owns and has fenced, where they now pasture their cattle. 2 A strong-headed boy attends a box supper with his parents, and unwittingly helps a tobacco-chewing neighbor, despised by his mother, recognize her box so he can buy it. 2 A boy, small for his age, discovers unexpected danger when he visits the Grand Canyon and hikes the Bright Angel Trail. 2 A beloved uncle heads to Korea to fight in the war leaving his nephew to care for his two-door hardtop. No one has any idea how drastically this separation will alter their relationship. The stories in Land Rush provide an unforgettable glimpse into the time and place where only the strongest survived and a handshake sealed the deal. "Gary Reiswig's strong, unsentimental voice carries us to a time—the fifties—and a place—the Oklahoma Panhandle—that is at once exotic and home with its hard, wounded, beautifully evoked mothers, fathers, and sons trying to survive one another's love."—Robert Lipsyte, author of *The Accidental Sportswriter* and *The Contender*

"An" Anglo-Saxon Dictionary Joseph Bosworth, 1882

As recognized, adventure as without difficulty as experience more or less lesson, amusement, as without difficulty as contract can be gotten by just checking out a book **Go Rush!** then it is not directly done, you could resign yourself to even more roughly speaking this life, on the subject of the world.

We meet the expense of you this proper as well as easy exaggeration to get those all. We offer Go Rush! and numerous books

collections from fictions to scientific research in any way. among them is this Go Rush! that can be your partner.

Go Rush! Introduction

Go Rush! Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Go Rush! Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Go Rush! : This website hosts a vast collection of scientific articles, books, and

textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications. Internet Archive for Go Rush! : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Go Rush! Offers a diverse range of free eBooks across various genres. Go Rush! Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Go Rush! Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Go Rush!, especially related to Go Rush!, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Go Rush!, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Go Rush! books or magazines might include. Look for these in online stores or libraries. Remember that while Go Rush!, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Go Rush! eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Go Rush! full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Go Rush! eBooks, including some popular titles.

FAQs About Go Rush! Books

1. Where can I buy Go Rush! books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Go Rush! book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Go Rush! books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Go Rush! audiobooks, and where can I find them?

Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Go Rush! books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
