God Passes by Effendi Shoghi,1944 Here is a history of our times written on an unfamiliar theme—a history filled with love and happiness and vision and strength, telling of triumphs gained and wider triumphs yet to come: and whatever it holds of darkest tragedy it leaves mankind at its close not facing a grim inhospitable future but marching out from the shadows on the high road of an inevitable destiny towards the opened gates of the Promised City of Eternal Peace. These hundred years as we have known them have been distinguished by human achievements and marvels unparalleled in any annals, and also by unparalleled disillusion and loss. But this history tells of wonders greater, mightier, more beneficent, wrought in the same period: and its tidings instead of tears and sorrow are of long forgotten Joy and vanished Power descended from heaven once more into the world of action and the lives of mortal men. It tells of things divine: of the birth of a new World Faith in our midst—a Faith which comes in succession to all the World Faiths of the past, acknowledging all, fulfilling all, carrying the common purpose of all to its consummation: and bearing to the Christians, the People of the Gospel, a special summons to rise and help speed its propagation through the whole earth. -- From Introduction (page iii)

The Advent of Divine Justice Shoghi Effendi,2021-02-27 The Advent of Divine Justice is a letter from Shoghi Effendi to the Bahá'ís of the United States and Canada written on 25 December 1938. It describes the unique spiritual destiny of America, its role in establishing the Most Great Peace and the crucial contribution that American Bahá'ís have to make to that process. Shoghi Effendi explains that in order for the Bahá'ís to make a lasting contribution and fulfill their destiny, they must exert themselves to manifest moral rectitude, absolute chastity, and complete freedom from prejudice.

God Speaks Again Kenneth E. Bowers,2004 God Speaks Again is a comprehensive introduction to the Baha'i Faith. Members of the Baha'i religion believe that periodically throughout history, God has revealed Himself to humanity through Divine Messengers-among them Abraham, Zoroaster, Moses, Krishna, Buddha, Jesus, and Muhammad-each offering fresh spiritual teachings suited for the age in which they appear. Bowers quotes extensively from Baha'u'llah 's own writings, which Baha'is regard as the most recent Divine Revelation for humankind, providing a welcome glimpse into its power and majesty. In placing the life of Baha'u'llah at the center of the story, he reveals an authentically inspiring figure and the inseparable connection between a new religion and an extraordinary human being touched by His Creator.

The Hidden Words Baha'u'llah,2002 A collection of lyrical, gem-like verses of scripture that convey timeless spiritual wisdom clothed in the garment of brevity, The Hidden Words is one of the most important and cherished scriptural works of the Baha'i Faith. Revealed by Baha'u'llah, the founder of the religion, the verses are a perfect guidebook to walking a spiritual path and drawing closer to God. They address themes such as turning to God, humility, detachment, and love, to name but a few. These verses are among Baha'u'llah's earliest and best known works, having been translated into more than seventy languages and read by millions worldwide. This edition will offer many readers their first introduction to the vast collection of Baha'i scripture.

A Tutorial on the Kitáb-i-Íqán Fazel Naghdy,2012-02-06 A journey through the Book of CertitudeThe Kitáb-i-Íqán is one of the most important Writings of Bahá'u'lláh, the Founder of the Bahá'í Faith. Bahá'u'lláh revealed this book within the space of two days and two nights, in the last years of His stay in Baghdád (AH 1278-AD 1862). According to Shoghi Effendi, the Guardian of the Bahá'í Faith, The Kitáb-i-Íqán sets forth in outline the Grand Redemptive Scheme of God and it occupies a position unparalleled by any work in the entire range of the Bahá'í literature, except The Kitáb-i-Aqdas Bahá'u'lláh's Most Holy Book.This current book is a record of the journey that the author has taken through The Kitáb-i-Íqán over a period of 12 years. It is not an interpretation or a critical analysis of the content of the book. Neither does it provide any personal opinion. It primarily guides reader through a systematic study of the Íqán while providing some background information on topics raised by Bahá'u'lláh in each paragraph. It is called a tutorial as it attempts to simulate, as much as possible, the tutor-tutored relationship in a self-paced personal study. All the references in the tutorial are sourced either from authoritative Bahá'í materials or obtained from other reliable sources.The 290 paragraphs of The Kitáb-i-Íqán are apportioned for study to 58 chapters. The size and complexity of each chapter reflects the content and intricacy of the issues

addressed in the paragraphs included therein. Each chapter starts with an introduction that highlights the key ideas. Then in a coherent manner, background information on the terminologies, references and mystical concepts inherent in each paragraph is provided. The tutorial covers the 266 topics embedded in The Kitáb-i-Íqán. This second edition of the book, which was originally released in 2012, contains many editing improvements, and some changes and additions to the content.

This Decisive Hour Shoghi Effendi, 2021-02-24 This Decisive Hour is a collection of letters and cablegrams from Shoghi Effendi to the North American Bahá'í community sent between 1932 and 1946. It was originally published under the title Messages to America. As with Citadel of Faith the collection gives insight into the crises and victories faced by the American believers in the period covered by the letters, through the lens of guidance provided by the Guardian, and its value lies not only in the glimpse it gives into history but in the perspective it provides on the present, and the applicability of the principles identified to the issues of the current time.
