*God Said Yes* Heather Hornback-Bland, Ninie Hammon, 2008-09-02 When she was just a child, Heather's life was altered by an accident that all but destroyed her internal organs. The doctors gave her no chance—but with God's grace, she proved them wrong. When they said she would never walk, she defied them again. And though they insisted she could never have children, she did. When others said no—God said yes. More than a story of suffering and survival, Heather's life is a testament to the power of faith. From the first decisive moments after the accident, Heather and her mother were able to give their fear and panic to God, and trust Him to act as a source of strength in their lives. With her husband DeWayne and her daughter Mackenzie—the two greatest miracles in her life—Heather has found great joy, and many reasons to give praise. This is her amazing and inspiring true story.

**What God Said** Neale Donald Walsch, 2013-10-01 God's number one message to the world: "You've got me all wrong." Inspired by his nine-book *Conversations with God* series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

**Has God Said?** John Douglas Morrison, 2006-03-01 Has God said? Has God actually spoken, declared himself and his purposes to us? Historically the Christian faith has affirmed God's redemptive, revelatory speaking as historical, contentful, redemptive, centrally in Jesus Christ and, under Christ and by the Spirit, in the text of Holy Scripture. But in the past three centuries developments in Western culture have created a crisis in relation to historical, divine authority. The modern reintroduction of destructive dualisms, cosmological and epistemological, via Descartes, Newton, Spinoza, and Kant have injured not only the physical sciences (e.g., positivism) but Christian theology as well. The resulting eclipse of God has permeated Western culture. In terms of the Christian understanding of revelation, it has meant the separation of God from historical action, the rejection of God's actual self-declaration, and especially in textual form, Holy Scripture. After critical analysis of these dualistic developments, this book presents the problematic effects in both Protestant (Schleiermacher, Bultmann, Tillich) and Roman Catholic (Rahner, Dulles) theology. The thought and influence of Karl Barth on the nature of Scripture is examined and distinguished from most Barthian approaches. The effects of dualistic Barthian thought on contemporary evangelical views of Scripture (Pinnock, Fackre, Bloesch) are also critically analyzed and responses made (Helm, Wolterstorff, Packer). The final chapter is a christocentric, multileveled reformulation of the classical Scripture Principle, via Einstein, Torrance, and Calvin, that reaffirms the church's historical identity thesis, that Holy Scripture is the written Word of God, a crucial aspect of God's larger redemptive-revelatory purpose in Christ.

"Yea, Has God Said...?" John Grimley, 2020-03-20 Throughout one's life, from its beginning to its end, one is constantly bombarded with spin by those who desire to promote products and push ideas, philosophies, and a multitude of faiths whether religious or

secular. There is only one work, even since the beginning of time, which is free of spin and tells it exactly as it was and is now: God's inspired Word, the Bible. Right from the very beginning, Eve put three spins on what God had told Adam. She deleted the word freely, she added the phrase, neither shall you touch it, and altered the word surely to less. Yet it was Lucifer, the fallen archangel in the guise of a serpent who put into motion the ultimate spin on God's word: Yea, has God said...? From then on, this question has played havoc with every society down through the ages. Any question of doubt concerning God's word always opposes truth and reality. This book has been written to put forth a definitive answer to this insidious question. In fact, this question begs for an answer and not just a rhetorical one. The questions raised concerning God's word itself, creation, salvation, eschatology, morality, death, and more are in this book and are answered with a resounding: Yes, God has said!

*What God Said* Dr. Chris Okeke, 2020-07-29 Those who come to God by faith in His son Jesus Christ are ambassadors for Jesus Christ. (2 Corinthians 5:20) As ambassadors we represent God on earth. We are not here on our own interests but God's. We have been mandated to accomplish certain responsibilities for the kingdom of God. Such responsibilities are what this book is all about. It speaks directly to your heart and empowers you to do "what God said in His word" Jesus Christ spoke to His audience including you and I, "If you love me keep my commandments" John 14:15. The whole duty of man is to fear God and to keep His commandments. (Ecclesiastes 12:13) Yes, God smiles when He sees His children doing what He said. Doing what God said is where the "joy of the Lord" comes from. May the Holy Spirit open your eyes to see the blessings that awaits for you as you do WHAT GOD SAID. A must read book for the 21st century church! Dr Chris Okeke is an associate minister under Arch-Bishop LeRoy Bailey Jr at First Cathedral church Bloomfield CT. To the glory of God, Chris authored six books which speaks to you about life that pleases God; LOVE GOD. LOVE PEOPLE. MAKE DISCIPLES. Chris believes that the purpose of the church is to reach out to the world with the gospel message of love of Jesus Christ and to make disciples of all nations. Chris is married to Mrs Helen Ngozi Okeke, and they have two Children, Gift Kodichimma Okeke and Favour Chukwubueze Okeke. They all live in Connecticut, USA.

And God Said What? Margaret Nutting Ralph, 2003 Explains literary forms used in Scripture -- myth, gospel, parable, allegory, letter, and others -- and shows how this knowledge is important in interpreting the Bible.

God Says No James Hannaham, 2010-06-08 A Lambda Award Finalist: a black gay man struggles with his marriage, faith, and desires in this "tender, funny tour of a mind struggling to do the right thing" (Steve Martin). Gary Gray marries his first girlfriend, a fellow student from Central Florida Christian College who loves Disney World as much as he does. They are nineteen, God-fearing, and eager to start a family. But a week before their wedding Gary goes into a rest-stop bathroom and lets something happen. *God Says No* is his testimony—the story of a young black Christian struggling with desire and belief, with his love for his wife and his appetite for other men, told in a singular, emotional voice. Driven by desperation and religious visions, the path that Gary takes—from revival meetings to out life in Atlanta to a pray-away-the-gay ministry in Memphis, Tennessee—gives a riveting picture of how a life like his can be lived, and how it can't. A Stonewall Book Award Pick 2010 Finalist for the 2009 Lambda Literary Award for Gay Debut Fiction "A revelatory and sympathetic guide to a misunderstood world." —Steve Martin, author of *Shopgirl* and *Born Standing Up*

**God Said** Edward McBride, 2006-05 There are many questions in the bible that man still does not have the answer to. Even with our modern day technology and man having the ability to go to the moon, we are still debating and struggling to understand some of the basic principles of the Word of God. Where is God, is He all over the universe, or does He reside in Heaven with His Spirit

dwelling in all born again believer. In my attempt to find the answer to these and many other questions I was lead by my Spirit to go back and start from the beginning. God Said gives a biblical account of what happened in the beginning.

*God Said, "Live!"* Harvey J. Morgan,2021-10-14 Noticing an abnormal weakness in his body, author Harvey J. Morgan decided to seek medical attention. After blood work, the initial diagnosis confirmed his worst fear: a form of leukemia. He was an active pastor, father, and grandfather, raised dairy calves, and was known as a man of faith. While preparing to visit specialist doctors at a university hospital, Morgan felt impressed to cling to Ezekiel 16:6. After conferring with the medical team and given his sixty-four-year-old age and available treatment options, the future seemed unclear: five percent recovery rate with minimum life expectancy. Holding onto faith and leaning on the support of family and friends, he was unable to complete the prescribed treatment, but God performed the improbable. *God Said, "Live!"* details Morgan's faith-filled battle through the dark days and nights of treatment and recovery. Seven years later, he continues to encourage others to trust God and hold onto His word. He relays his epic story of faith versus fear, hoping to inspire others to seek to overcome and live.

*Holy Bible (NIV)* Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

**And God Said... "Let There Be Light": And Then There Was Light...** Evangelist Theresa Hart Pullen,2018-01-16 This book will provide information that will help you through a journey of change. A better understanding of how to allow God to turn your life around and gain control of the mess you thought you have created.

God Said.... Hazel Harris,2022-01-23 From Genesis to Revelations, God uses the Scriptures to speak to His own people. Christ Jesus is revealed throughout the entire Bible. The Bible teaches us about who Christ Jesus in His entirety. God the Father, Son and Holy Spirit never change. His Word is rock solid and leaves no room for change. The spiritual battle was going on before mankind began on earth. God created all human souls. The devil made an attack on mankind knowing it would hurt God. Long after mankind is no longer in this world, the battle will continue. 1Cor 15:26, The last enemy that shall be destroyed is death.

*God Said* Joanne Green,2020-07-22 In the Bible, the phrase God Said is used six hundred and twenty times. God spoke to men, women, prophets, priests and kings. He spoke to individuals, groups of people and He spoke to godly people and to heathens. God is in the speaking business because He loves to communicate with His Creation.The 40 day journey you are about to embark upon will be a powerful and life changing encounter. It is with hope that this book will dramatically impact and transform the way you hear and see God. Expect what God said about your circumstance or situation or your vision or dream to be stirred up and ignited by the power of the Holy Spirit within you. Whatever those promises are, which were spoken to you from the beginning, believe in the One who spoke them! Dear Friend...dare to believe... God is not a Man that he should lie, nor the Son of Man that he should relent. What God Said to you He spoke from the beginning. When Satan beguiled Eve, he challenged her belief system and sowed doubt. He knows, if we begin to doubt what God said, those hopes, dreams and promises will never be deeply rooted in our hearts and therefore, we will never harvest its fruits. Genesis clearly portrays God the Father, Son and Holy Spirit as the Triune God speaking, Let there be light and light was. God said, Let there be a firmament and there was a firmament. God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear and it was so. God said, Let the earth bring forth grass, the herb yielding seed, and the

fruit tree yielding fruit after his kind, whose seed is in itself. Remember the seed of the word has the power within itself to reproduce what was spoken. It is imperative, to rehearse what God the Triune God said in your prayer chamber. God the Triune God gives you the seed, His Word, which you have to plant by faith and you must protect it by keeping doubt from being sown in your thoughts, so that what God the Triune God said, the word God spoke, will then produce a harvest. God Said is revelatory, inspirational and will be a journey you will never forget because of what God Said to you!

**And God Said, Come! Create with Me** Lucille Anderson, 2007-06 And God said, Come! Create with Me brings to light the awesome creative abilities that God gave man in the beginning. This book reveals some empowering aspects for perfecting some of those powers that have been veiled until now. (Practical Life)

*God Said Amen* Sandy Eisenberg Sasso, 2013-02-14 Multicultural, Nondenominational, Nonsectarian Endorsed by Protestant, Catholic and Jewish Religious Leaders "God was sad that the Prince and Princess had refused to see the answers to their prayers...." Water and oil, light and dark, summer rain and desert wind: In this fable of opposites, award-winning author Sandy Eisenberg Sasso shows children and adults of all faiths and backgrounds how self-centered actions affect the people around us, and how by working together we can work with God—to create a better world.

*God Said It!* Bruce E. Voran, 2022-09-07 *God Said It!* makes no pretense of being a compendium of historical knowledge from prehistory to the present. It does attempt to draw a line from prehistory to the present. References to the Old (First) Testament and New (Second) Testament as well as general references to the Quran are mentioned. Running under that line is a stream of consciousness that God or gods may exist and are understood as God or gods by those living in the historical events, myths, or realities. The line also tends to confirm the maxim that history tends to repeat itself. Historical events tend to highlight certain characters who were influenced by a Pentecostal event, the perception of the voice of God, and who courageously faced being disliked, dismissed, and disassociated. Wars and rumors of wars and racial, genealogical, political, and national differences as revealed throughout history ennobled a fight against that which lacks civility, denies equity for all, and hates reconciliation. Courage was rewarded in the fight. It takes courage to fight the good fight for that which is good. To do otherwise is to face the fate of Sodom and Gomorrah and as a punishment be reduced to ashes, metaphorically or in reality. But He said, On the contrary, blessed are those who hear the word of God and observe it. (Luke 11:28 NIV) No Pentecostal events in the present time are a dismal possibility. References, presumptions, and interpretations in *God Said It!* with regard to the voice of God, or any Pentecostal event, allow for acceptance in whole or part or complete or partial dismissal. Absolute truth can only be presumed to be true. The reliance on God said it. I believe it. And that's that should be considered carefully. 2

**God Said** Benjamin Paul Ciaccio, II, Benjamin Paul Ciaccio, 2010-03 The concept of the Holy Trinity has always been an enigma. Now, through the perspective of the creative process, a formula that permeates throughout creation discovers how a person is created in the image of the Holy Trinity. Here is just a sample where a formula for creation has uncovered this truth: - The mathematical formula  $1+1+1=3$  - The mathematical formula  $1 \times 1 \times 1 = 1$  - The creative process: mental, physical, spiritual - Science and the 3 realms of existence - The 3 types of human knowledge and faith - The 3 parts of human existence and essence - The 3 parts to God's essence and existence - The 3 branches of government - The 3 ways parts to good and evil - The 3 parts to change and time - The 3 contents in the Ark of the Covenant - The 3 requirements for divine authority - Etc., etc., etc. Benjamin Ciaccio was born and raised in a large

Catholic Irish/Italian family in Omaha, Nebraska. Ben Jr. is a self-educated person whose father challenged him to discover the secret truths in life. His diversity of interests ranged from history, geography, science and technology to the current news. While his mother held the belief that there are two things you do not talk about in public, namely religion and politics, Ben's father felt that these two issues are what influences people most in life and should have a dialogue in public affairs. For years Benjamin was not satisfied with analogies and sought a definitive answer as to how man is created in God's image. His intrigue with life's mysteries and wonders has developed throughout the years. It is his perspective that there are truths waiting to be realized and old truths that will never change.

God Said What? Wow! David Napier, 2021-05-04 After reading some scripture verses recently I thought how amazing they were. I often say in my head - wow! Then I thought why not see how many others I can come up with. This book is not comprehensive, for it would have been about 10 volumes, so I have cut down drastically. As with all my books I would like to think people will read, question, research themselves and write their own notes. Although ANY words spoken by the Godhead are amazing, I have restricted the verses in this small book to what I personally consider to have the wow factor, even though, as I write this it feels as if I am demeaning any verses I have omitted. Hopefully, as with anything I write, I would like to think that if the reader has their own 'favourites', they will look at them again and see why they have a special meaning, and if inclined to do so, write their own notes, or even a book. Over 2,000 times in the Old Testament there are phrases such as, 'And God spoke to Moses' or 'the word of the Lord came to Jonah or 'God said.' That's just the references to God. I have drastically cut down the verses where God and Jesus spoke!

God Said It, What Do You Say? Peggy Evans Clark, 2016-09-16 You are holding in your hand a devotional book to help children (and grown-ups!) learn and memorize scripture, and learn how to pray. On each page, you will find 4 sections: a portion of scripture, a thought for the day based on that scripture, a prayer for the child to pray, and then space for them to write out their very own prayer! At the very bottom of each page, there is space to write more or even draw!
