**Whitewater Rafting** Michèle Dufresne, Pioneer Valley Books, Ruth Mattison, 2007 The Developing Kit supports students by building a strong reading vocabulary, reading fluency, and comprehension skills. Over the course of a week of lessons, students read a new book each day and a new nonfiction book each week. Each week, they compose a story about something they have learned from reading a nonfiction book and learn about how letters and words work using magnetic letters. Students build a core of words they can read and write. Lessons include guided reading using leveled books, phonics/word work, fluency, comprehension and vocabulary development. Each lesson also includes suggestions for working with second language students.--Website
