How to Buy and Sell Gold and Silver PRIVATELY Doyle

Shuler, 2015-11-14 This is a MUST READ book for ALL Gold and Silver Investors who want to stay off the radar and remain TOTALLY PRIVATE. Readers are loving this book! There is so much confusing and contradictory information in the marketplace about this subject. As you know, PRIVACY has become a huge issue these days. We probably have less privacy now than at any other time in the past. Probably like you, I'm a hard working, tax-paying, God fearing American and I value my privacy. The great news is, precious metals can be one of the most private investments you can make, IF you do it correctly. This book will carefully walk you through it all and sort out the truth from the myths. It will clearly show you the smart way to invest in metals so your investments will be completely invisible to everyone... including the government. If you get this wrong, it can devastate your investment plans. If you get this right, you will sleep like a baby at night knowing much of your wealth is off the radar. It is truly a must-have book. I shouldn't have to say this but this book is completely above board and totally compliant with the laws of the United States. You will find nothing here that talks about circumventing the laws and/or taxes, or doing anything at all that is not completely 100% above board. If you do this correctly, there is no need to even think about bending any laws. The laws are already there. And they are very favorable to precious metals anyway, if you follow the rules. This book simply shows you how to take maximum advantage of the laws that are already there and still stay completely private. Here are just some of the things you will learn in this book: *Why All Of The Confusion and misinformation about this subject *Start With a Plan, This Is Critical *Buying Precious

Metals Privately - Reporting Requirements - Limitations & Restrictions *Exact Types of Bullion Items That Can Be Bought Privately *Buying With Cash - Restrictions & Reporting *Do You Have To Pay Sales Tax When Buying Precious Metals *Bullion Items That Can Be Sold Privately *Bullion Items That Cannot Be Sold Privately *Capital Gains Reporting Requirements *How To Totally Stay Off The Radar And Make Your Metals Invisible *Tips On Storing Your Metals Privately At the end of the book, you will also gain access to the best place I know of to buy metals at the very lowest prices. Want to stay off the grid? Want to do things right and be able to sleep like a baby at night? Invest a little time in reading this book and you will be amazed at how empowered you will feel when investing in precious metals. This book will give you the knowledge and confidence you need to make wise metals buying decisions. Buy this book now. It will SAVE you a ton of money, help you make smarter decisions, enable you to stay off the radar. Not buying this book can cost you a ton of money and get you in a heap of trouble. Don't wait another second. Scroll up and click on the Buy Now button and get started buying gold and silver PRIVATELY, the right way, right now. It's simply too important to wait.

Guaranteed Success for Newbie Bullion Investors Safely Buy Gold and Silver: Learn Who the Trusted Precious Metal Dealers Are, How to Get the Best Price Sam Sommer Mba, 2017-01-27 Why was Safely Buy Gold and Silver written? Newbie precious metal investors have expressed concerns and worries: As a 50 year investor in precious metals I had to ease their fears Some of these concerns are: How do I know the gold or silver bars I just bought are real? Can I trust the dealer I want to buy from or have bought from? Are those gold or silver coins I saw online for such a good price, fakes? Even if the

precious metals I just bought are real, how do I know their metal content? Are they 100% silver or just 80%: Silver mixed with other metals? When it comes time to sell - who do I sell to? Investing in Gold and Silver Bullion: The Ultimate Safe Haven Investments Alex Uwajeh, 2012-02-08 This is a Beginner's Basic Guide to Investing in Gold and Silver. As the dollar loses value, many investors are turning to precious metals, converting at least part of their investment portfolio from cash, equities and other assets into silver and gold in an attempt to preserve the value of their capital. This is why the price of gold has more than doubled since 2007. Similar to gold, silver has long been considered a safe investment, especially to hedge against inflation. Like gold, silver is a precious metal and has been used historically as a currency. it is still relatively rare and its unique properties have allowed it to maintain its value over many thousands of years. This book will help you gain a better understanding of gold and silver. The Complete Guide to Investing in Gold and Precious Metals

Alan Northcott, 2011 As the U.S. economy struggles to recover from the worst economic crisis since the Great Depression, citizens across the country are searching for alternative investment vehicles. Many are finding solace in a precious metal that has been a universal measure of wealth since early civilization: gold. Investment brokers and novices alike are reaping the benefits that come with diversifying their investments. Gold's value is determined by a number of factors including the volume of the metal held by prosperous countries, the rarity of the metal as it is refined, and current market trends, such as inflation and the movement of the investment market. In 1910, gold was worth \$20 an ounce; a century later, in 2010, the value of gold reached nearly \$1,120 an ounce. This book discusses where the value of these metals first originated and how they have evolved over the course of human history. You will learn how practical uses of precious metals have directly affected their value over time and how metals like gold and silver are direct indicators of the current state of the economy. Most importantly, you will learn to recognize market trends that pinpoint the risk of inflation and the exodus from stock to precious metals that will often occur as a result. You will learn how to use mutual funds and futures to diversify your portfolio without spreading yourself too thin. With advice from dozens of financial experts and commodities traders, you will learn how to maximize your return and minimize your risk. If you are

looking to diversify your portfolio and protect your investments, The Complete Guide to Investing in Gold and Precious Metals is your handbook for making the most from your investment. Cheap Gold and Silver Vicki Priebe, 2012-02-06 Which of these do you want? - to have extra money to pay your bills? - to find spectacular gifts for your loved ones at ridiculously low prices? - to have lots of beautiful head turning jewelry to wear? - to invest in precious metals for less than the current spot price? - to have extra money to take that vacation you've been dreaming of? - to protect yourself or your family's finances in the event of a serious crisis? - to know more about buying and selling precious metals? So you aren't ripped off. - to know how you are missing deals on precious metals in plain sight? - to make your own decisions and be your own boss? If you have a want or need associated with any of the above questions, then this book might be your answer. Imagine your excitement, when you notice a beautiful thick gold colored necklace lying on a table at an estate sale. You quickly pick it up. It's heavy and looks like gold. However, the only mark on it doesn't indicate gold, so you put it down. Luckily you read this book and remember the lesson on marks, and quickly pick it up again. Jackpot! You bought an 18 K gold necklace for \$2; it's worth \$246 for the gold content value. That's a \$244 profit/savings in less than 5 minutes. Would this put a big smile on your face? This is one of my true stories; check out picture 53 to see it. Make money, save money and invest in precious metals: Is it possible to make money finding gold and silver in your spare time? The answer is yes. If I sold all the items I purchased, I'd average \$24-\$73 per hour. I've been doing this and now it's your turn. I want you to capitalize on the opportunities all around you; trust me they're out there. In addition to making money, I wanted to invest in precious metals without affecting my family's budget. I couldn't imagine taking \$1,600 from my monthly income to buy one gold coin, but I could take \$2 to buy

gold jewelry. Does this sound familiar; do you have the same thoughts? Take this educational journey with me and reap your rewards. Capitalizing on these amazing deals not only allows me to make money and invest in precious metals, but I'm able to save money buying gifts for my family, friends and myself. If I spend \$2 on a gold necklace and pendant set that retails for \$100, I saved myself \$98. Now that's the smart way to keep up with the Joneses. Or if I give it away as a gift, no one will know I only spent \$2; they'll think I spent \$100. Read this book and you could save substantial amounts of money too. Filled with killer (not filler) content, including:- ideas on where to search (offline and online),- stories to provide proof, entertainment, and illustrate the lesson being taught,- tips on finding the gold and silver that others miss,- techniques on how to find the precious metals,- hallmarks and hidden marks to look for,- how to get the best price for your items,- how to sell your gold and silver,- warnings to help protect you and your money,- how to test your precious metals,- 88 pictures,- and lots more information (200 pages worth). This book will pay for itself many times over:- IF YOU SAVE \$100 buying a gift (a gold ring) for a friend, or- IF YOU MAKE a profit of \$75 selling a precious metal item, or- IF YOU SAVE \$40 investing in a few ounces of sterling silver, by using one piece of information, then the book paid for itself many times over. You didn't lose a dime and all the information is free to use repeatedly, forever. How can you go wrong with that deal? With the current high spot prices of precious metals, just one necklace, one pendant, or two forks can be worth these types of savings and profits, easily. No, I'm not promising thousands of dollars in 10 minutes, but it's possible. It has happened to me. I paid \$5 for a gold whale pendant that retails for around \$2,000. Read this story in Chapter 4.

Hard Money Shayne McGuire, 2010-10-05 An in-depth guide to making gold a serious part of your portfolio Gold, the long forgotten store of value that was once the center of the global financial system, suddenly matters a great deal again. It has become a leading asset by virtue of its strong performance, and its booming demand has made it the only financial asset that remains in an uninterrupted bull market.

And yet gold remains one of the least-owned financial assets in investment portfolios today. *Hard Money* helps investors move beyond the simple, yet widely accepted notion that gold makes sense in today's financial environment, and explores ways to magnify potential investment returns driven by precious metals. This reliable resource examines the investment vehicles (bullion, stocks, derivatives, and even rare coins) and strategies (aggressive, conservative, passive, and variations) aimed at beating the price of gold as it rises, and ways to protect a portfolio should the metal decline. Identifies five key drivers that should continue to push gold higher in the years ahead Explores the ins and outs of investing in gold and making this precious metal a part of your portfolio Examines the pros and cons of multiple ways to buy gold via coins, ETFs, mining and royalty stocks, and other investment vehicles Author Shayne McGuire is a highly-regarded expert on gold Written in a straightforward and accessible style, *Hard Money* offers key strategies to enhancing returns with new methods for investing in gold.

[How to Invest in Gold and Silver](#) Alan Dunwiddie, 2008-02-01 A unique guide for beginners to the world of investing in precious metals. It explains in laymans terms the weaknesses behind the present day financial system and why gold has endured throughout history. It gives clear reasons why you should be investing at least some of your savings in the worlds oldest currency and explains the various ways you can invest profitably. Some of these ways have previously been open to experts and the very wealthy only, but are now available to all. Some of the ways like digital currency are completely newly created by the internet and offer great scope for diversifying your portfolio and improving your investment returns.
