**How to Buy and Sell Gold and Silver PRIVATELY** Doyle Shuler,2015-11-14 This is a MUST READ book for ALL Gold and Silver Investors who want to stay off the radar and remain TOTALLY PRIVATE. Readers are loving this book! There is so much confusing and contradictory information in the marketplace about this subject. As you know, PRIVACY has become a huge issue these days. We probably have less privacy now than at any other time in the past. Probably like you, I'm a hard working, tax-paying, God fearing American and I value my privacy. The great news is, precious metals can be one of the most private investments you can make, IF you do it correctly. This book will carefully walk you through it all and sort out the truth from the myths. It will clearly show you the smart way to invest in metals so your investments will be completely invisible to everyone... including the government. If you get this wrong, it can devastate your investment plans. If you get this right, you will sleep like a baby at night knowing much of your wealth is off the radar. It is truly a must-have book. I shouldn't have to say this but this book is completely above board and totally compliant with the laws of the United States. You will find nothing here that talks about circumventing the laws and/or taxes, or doing anything at all that is not completely 100% above board. If you do this correctly, there is no need to even think about bending any laws. The laws are already there. And they are very favorable to precious metals anyway, if you follow the rules. This book simply shows you how to take maximum advantage of the laws that are already there and still stay completely private. Here are just some of the things you will learn in this book: \*Why All Of The Confusion and misinformation about this subject \*Start With a Plan, This Is Critical \*Buying Precious Metals Privately - Reporting Requirements - Limitations & Restrictions \*Exact Types of Bullion Items That Can Be Bought Privately \*Buying With Cash - Restrictions & Reporting \*Do You Have To Pay Sales Tax When Buying Precious Metals \*Bullion Items That Can Be Sold Privately \*Bullion Items That Cannot Be Sold Privately \*Capital Gains Reporting Requirements \*How To Totally Stay Off The Radar And Make Your Metals Invisible \*Tips On Storing Your Metals Privately At the end of the book, you will also gain access to the best place I know of to buy metals at the very lowest prices. Want to stay off the grid? Want to do things right and be able to sleep like a baby at night? Invest a little time in reading this book and you will be amazed at how empowered you will feel when investing in precious metals. This book will give you the knowledge and confidence you need to make wise metals buying decisions. Buy this book now. It will SAVE you a ton of money, help you make smarter decisions, enable you to stay off the radar. Not buying this book can cost you a ton of money and get you in a heap of trouble. Don't wait another second. Scroll up and click on the Buy Now button and get started buying gold and silver PRIVATELY, the right way, right now. It's simply too important to wait.

**Investing in Gold and Silver Bullion: The Ultimate Safe Haven Investments** Alex Uwajeh,2012-02-08 This is a Beginner's Basic Guide to Investing in Gold and Silver. As the dollar loses value, many investors are turning to precious metals, converting at least part of their investment portfolio from cash, equities and other assets into silver and gold in an attempt to preserve the value of their capital. This is why the price of gold has more than doubled since 2007. Similar to gold, silver has long been considered a safe investment, especially to hedge against inflation. Like gold, silver is a precious metal and has been used historically as a currency. it is still relatively rare and its unique properties have allowed it to maintain its value over many thousands of years. This book will help you gain a better understanding of gold and silver. Check out my other books: The Dividend Millionaire: Investing for Income and winning in the stock market. *The Complete Guide to Investing in Gold and Precious Metals* Alan Northcott,2011 As the U.S. economy struggles to recover from the worst economic crisis since the Great Depression, citizens across the country are searching for alternative investment vehicles. Many are finding solace in a precious metal that has been a universal measure of wealth since early civilization: gold. Investment brokers and novices alike are reaping the benefits that come with diversifying their investments. Gold's value is determined by a number of factors including the volume of the metal held by prosperous countries, the rarity of the metal as it is refined, and current market trends, such as inflation and the movement of the investment market. In 1910, gold was worth \$20 an ounce; a century later, in 2010, the value of gold reached nearly \$1,120 an ounce. This book discusses where the value of these metals first originated and how they have evolved over the course of human history. You will learn how practical uses of precious metals have directly affected their value over time and how metals like gold and silver are direct indicators of the current state of the economy. Most importantly, you will learn to recognize market trends that pinpoint the risk of inflation and the exodus from stock to precious metals that will often occur as a result. You will learn how to use mutual funds and futures to diversify your portfolio without spreading yourself too thin. With advice from dozens of financial experts and commodities traders, you will learn how to maximize your return and minimize your risk. If you are looking to diversify your portfolio and protect your investments, *The Complete Guide to Investing in Gold and Precious Metals* is your handbook for making the most from your investment. **\$10,000 Gold** Nick Barisheff,2013-04-03 Learn why gold prices are sure to soar to \$10,000/oz. and beyond...and how to profit As paper currency continues to lose its purchasing power and global markets struggle in the face of economic turmoil, investors are turning to gold to stabilize their portfolios. \$10,000 Gold explains why this is a smart move, arguing that the price of gold will continue climbing to \$10,000/ounce and beyond in the years to come. Looking at the underlying causes of gold's rising value, the book contends that intelligent investors have no choice but to invest in this precious metal. Written by one of the world's leading authorities on gold, the book teaches readers to think independently about gold, money, and the geopolitics that affect its price. The security of gold offers peace of mind, making fears about the fluctuation of the stock market irrelevant, and \$10,000 Gold shows why, just like usual, gold remains the single best asset for preserving wealth in any economy. Looking at the world through the eyes of gold—where wealth is measured in ounces, not dollars—the book is a candid insight into the current state of the economy and how to stay safe no matter what lies ahead. Explains why gold price will soar to over \$10,000/ounce Teaches readers to reconsider the way they think about money, showing that wealth should be weighed in gold, not unbacked dollars Provides invaluable advice on protecting money by putting it into the safest asset class on earth No one knows what the next few years hold for the economy, but investing in gold allows for financial security in any market.

*Hard Money* Shayne McGuire,2010-10-05 An in-depth guide to making gold a serious part of your portfolio Gold, the long forgotten store of value that was once the center of the global financial system, suddenly matters a great deal again. It has become a leading asset by virtue of its strong performance, and its booming demand has made it the only financial asset that remains in an uninterrupted bull market. And yet gold remains one of the least-owned financial assets in investment portfolios today. Hard Money helps investors move beyond the simple, yet widely accepted notion that gold makes sense in today's financial environment, and explores ways to magnify potential investment returns driven by precious metals. This reliable resource examines the investment vehicles (bullion, stocks, derivatives, and even rare coins) and strategies (aggressive, conservative, passive, and variations) aimed at beating the price of gold as it rises, and ways to protect a portfolio should the metal decline. Identifies five key drivers that should continue to push gold higher in the years ahead Explores the ins and outs of investing in gold and making this precious metal a part of your portfolio Examines the pros and cons of multiple ways to buy gold via coins, ETFs, mining and royalty stocks, and other investment vehicles Author Shayne McGuire is a highly-regarded expert on gold Written in a straightforward and accessible style, Hard Money offers key strategies to enhancing returns with new methods for investing in gold.

*The PEOPLE's GOLD: EVERYONE, EVERYWHERE, EVERY TIME! a Beginner's Practical Guide on All You Need to Know on How to Profit from Gold* M. L. Pilgrim,2021-01-17 Don't have gold in your investment portfolio? Here's why you're missing out. Is gold just for the rich? Is it irrelevant in this highly digital economy? Will it be of any use to your already diversified portfolio? With prices at thousands of dollars for a few grams, gold is an expensive element. You'd have good reason to believe that it's only something the wealthy would buy, and probably just as a part of their collection of expensive things. But gold is much more than a material for luxurious jewelry or for ornate decorations. Nowadays, gold is considered a safe haven for investors in an increasingly volatile market. Some investors invest in gold when they foresee a recession, inflation, or uncertainty. Others hold on to gold to preserve wealth, while having a vehicle to pass it on to future generations. In short, because uncertainty is inherent in any investment and in any economy, gold can serve as insurance in case of economic or political disasters. Even in a highly digitized economy, gold continues to be attractive because it's a tangible asset that can still be of value, even if our entire monetary system collapses. Fortunately, gone are the days when you had to pan for gold in a river, under the heat of the sun, with the possibility of ending up with nothing but a severe sunburn. In today's economy, gold is easier to access and more affordable as well. There are several ways to invest in gold that require nothing more than a computer, an internet connection, and a reasonable amount of money. Don't lose out on the benefits of gold in your portfolio, even if you don't have billions of dollars to spare. In THE PEOPLE'S GOLD: EVERYONE, EVERYWHERE, EVERY TIME!, you will discover: A step-by-step guide to getting started with gold investments, which you can follow even without any investing background How to legitimately invest in gold with less than \$100 Why you need to buy physical gold How much of your portfolio to invest in gold so you don't lose out on market gains, but you still protect yourself enough in case of a severe downturn An easy and accessible way to invest in gold without having to worry about storage and theft How to tell real versus fake gold, and other smart ways to protect yourself from gold scammers Have a better understanding of your profile as a gold investor The varying reasons for investing in gold, and how they affect your investment strategy Know the different types of gold investors and see which one you can identify yourself the most Bonus chapter: Practical tips for investing in silver that could augment your portfolio even more And much more. Whether you think the economy as we know it will collapse in the foreseeable future, or you're just looking for a hedge against low interest rates, gold offers you this protection and more. Even if you think your portfolio is already diversified enough, with stocks, bonds, real estate, and more, gold can still make a valuable addition to your portfolio. Its unique qualities & ability to hedge against both equities & fixed income securities offer an extra layer of diversification & protection, especially for the most extreme cases. Don't wait until the economic system collapses. Get some gold now and ensure that you're financially protected in case anything ever happens. If you want to protect your finances & prepare for an uncertain future with a tangible, safe, & reliable asset, then click the Add to Cart button right now!

Buy Gold Now S. McGuire,2008-05-23 Masterfully researched, and written in a straightforward style, Buy Gold Now makes a case for buying gold as protection against the rising risks of an unprecedented global currency crisis and as a profitable investment vehicle. Silver Investing For Beginners John Roberts,2020-04-28 On January 18, 1980, the price of silver had rocketed upward by 724% in less than a year, from \$6 to \$50 an ounce. So high in fact, that people formed long lines to cash in their silver at local coin and pawn shops. Ladies were selling their tea sets, families were hocking their silverware and coin collectors were cashing in their collections. As dramatic as that sounds, leading experts today think silver could dwarf that 1980 event. They are calling this the opportunity of a lifetime. Yet today, the public is unaware of silver's potential value, and the forces that could propel it to great heights. But after reading this book you'll be ahead of the crowd. You'll know how to turn those forces to your financial advantage and opportunity. And we'll show how silver can also preserve your wealth by protecting you from the ravages of inflation and the devaluation of our currency. And provide financial disaster insurance too.And you get all of these benefits for free, while poised for a great profit in the future. Which means silver is a great tool to protect your investment portfolio and build a more secure financial future for you and your family. Here's what you'll discover in Silver Investing For Beginners...\* Why the price of silver could explode in the future.\* Why silver offers greater profit potential than gold.\* How silver could help protect you in a financial crisis.\* How to find and buy your first silver bullion.\* The best silver coins to invest in when you start.\* How you can even open an automated silver buying account.\* How to invest in silver related stocks and funds.\* And how to protect your silver investments. And it will describe all of this for you in simple terms you already understand. Not complicated theory. Not a mind-numbing blitz of technical buzzwords. Just what you need to know and the few specific steps you can take to get started. So that by the end of this book, you will be able to buy your first ounce of silver. And your first silver stock too, if you wish. You will know the simple steps to start on your path to a more secure financial future.
