Badman from Bodie and the Gold Rings Lariat Quinn,2018-01-09 Badman from Bodie and the Gold Rings By: Lariat Quinn Welcome to Bodie. It’s a rowdy town deep in the Sierra Nevadas, overrun with gold miners, gamblers, and general riffraff, with a dead body every day before breakfast. Into the town rides the Badman, with no name, no memory, no past. Just a draw that makes lightning look slow. As the Badman finds himself taking down villains of all types, he discovers a purpose. But it’s when he visits the angry Paiute tribe, victims of the greedy miners, he learns a terrible curse has been put on Bodie. The way to peace is drenched in blood. And even a bad man has a code of honor. More than a century later the town of Bodie is abandoned. Some say it’s haunted by the ghosts of the town’s inhabitants. But the hills are rich with gold and uranium... will you dare the curse of the Badman from Bodie?

Black Gold Fred Cahir,2012-09-01 Fred Cahir tells the story about the magnitude of Aboriginal involvement on the Victorian goldfields in the middle of the nineteenth century. The first history of Aboriginal-white interaction on the Victorian goldfields, Black Gold offers new insights on one of the great epochs in Australian and world history—the gold story. In vivid detail it describes how Aboriginal people often figured significantly in the search for gold and documents the devastating social impact of gold mining on Victorian Aboriginal communities. It reveals the complexity of their involvement from passive presence, to active discovery, to shunning the goldfields. This detailed examination of Aboriginal people on the goldfields of Victoria provides striking evidence which demonstrates that Aboriginal people participated in gold mining and interacted with non-Aboriginal people in a range of hitherto neglected ways. Running through this book are themes of Aboriginal empowerment, identity, integration, resistance, social disruption and communication.

Above the Law Adrian Bleese,2021-07-19 Adventures in a helicopter Adrian Bleese spent twelve years flying on police helicopters, and attended almost 3,000 incidents, as one of only a handful of civilian air observers working anywhere in the world. In *Above The Law* he recounts the most intriguing, challenging, amusing and downright baffling episodes in his career working for Suffolk Constabulary and the National Police Air Service. Rescuing lost walkers, chasing cars down narrow country lanes, searching for a rural cannabis factory and disrupting an illegal forest rave...they're all in a day's work. It's a side of policing that most of us never see, and he describes it with real compassion as he lives his dream job, indulging his love of

flying, the English landscape and helping people. Perhaps more than anything, it's a story about hope.

The Gold Machine Iain Sinclair,2021-09-02 A New Statesman Book of the Year, 2021 'Follow Iain Sinclair into the cloud jungles of Peru and emerge questioning all that seemed so solid and immutable.' Barry Miles 'The Gold Machine is a trip, a psychoactive expedition in compelling company.' TLS From the award-winning author of *The Last London* and *Lights Out for the Territory*, a journey in the footsteps of our ancestors. In *The Gold Machine*, Iain Sinclair and his daughter travel through Peru, guided by – and in reaction to – an ill-fated colonial expedition led by his great-grandfather, Arthur Sinclair. The incursions of Catholic bounty hunters and Adventist missionaries are contrasted with today's ecotourists and short-cut vision seekers. The family history of a displaced Scottish highlander fades into the brutal reality of a major land grab. The historic thirst for gold and the establishment of sprawling coffee plantations leave terrible wounds on virgin territory. What might once have been portrayed as an intrepid adventure is transformed into a shocking tale of the violated rights of indigenous people, secret dealings between London finance and Peruvian government, and the collusion of the church in colonial expansion. In Sinclair's haunting prose, no place escapes its past, and nor can we.
