Fairways and Highways Kevin Price, John Gardner, 2001-07 In this entertaining, endearing account of one of the greatest road trips the human mind has ever devised, Kevin Price and John Gardner take you from Pebble Beach to Bethpage Black and from Harbour Town to Piñon Hills with tales of adventure on and off the golf course. Bouncing back and forth between the misery of steamy summer nights in a little orange tent and the luxury of world-class resorts, Kevin and John drove almost 14,000 miles through 36 states to play 42 rounds of golf in 71 days. Their story exposes the soul of the game in the people who play it. From stroke victim Rico Paris to

beach bum head pro Keith Stanzel, from the exuberant Bob Svihus to the goofy J. Traylor Johnson III, a colorful cast of characters brings this story to life. Beginning with the first blush of an idea and ending in an improbable, incredible conclusion, Fairways and Highways moves as briskly as the guys’ Honda Civic. Wish you could have joined them? Try the next best thing: Come along for the ride as Kevin and John search for the Perfect Drive.

Fifty Places to Play Golf Before You Die Chris Santella,2005-10-01 This will not be a book that will attempt to simply detail courses where major championships have been played, but courses whose architecture, noteworthy holes, location, and ambiance make them must play venues for passionate golfers. It includes Royal County Down (Ireland), Pebble Beach (California), Bandon Dunes (Oregon), Cape Kidnappers (New Zealand), and the National Golf Links of America (New York). Each chapter will be linked to a golf guru or celebrity personality; the featured course will be presented as the individual's recommendation for one of their favorite courses in the world. The expert golfers will include Peter Jacobsen (pro golfer), Pete Dye (famous golf course architect), Brian McCallen (former travel editor of Golf magazine and author of Top 100 Courses You Can Play), Christie Kerr (pro golfer), and Donald Trump. There will also be a foreword by golf pro Mark O'Meara. Chapter contents will include interviews from the recommending personality, a brief bio, a history of the course, an experiential account with as much local colour as possible, and some if you go information. This will be the perfect gift for avid golfers and armchair travellers alike.

Golf Freek Steve Eubanks,2011-08-31 Steve Eubanks lives on a golf course, spends most of his time with a golf club in his hand, and simply cannot pass a course without playing it. In Golf Freek, he chronicles his travels around the globe for the sole purpose of playing as much free golf—the operative word being free—in as many interesting places and with as many interesting people as possible. As Steve himself says, “This book is not some mystic search to find my soul through a ball-and-stick metaphor. It’s about me, the golf freek, sponging free golf. It’s a mixture of On the Road (without the booze, hookers, guns, and poverty) and Rick Reilly’s Who’s Your Caddy? (with John Daly keeping his private parts to himself).” Along the way he tells some of the world’s greatest golf stories—funny, touching, bizarre, and sometimes personal—from his rounds with Arnold Palmer to his hole in one in the Chinese town where his daughter was born. These tales, taken together, add up to one of the most revealing books about

Golf Course Finder Pro Introduction

In today's digital age, the availability of Golf Course Finder Pro books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Golf Course Finder Pro books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Golf Course Finder Pro books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Golf Course Finder Pro versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Golf Course Finder Pro books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Golf Course Finder Pro books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Golf Course Finder Pro books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Golf Course Finder Pro books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Golf Course Finder Pro books and manuals for download and embark on your journey of knowledge?
