Tom Coyne

Range David Epstein, 2021-04-27 The #1 New York Times bestseller that has all America talking—with a new afterword on expanding your range—as seen on CNN's Fareed Zakaria GPS, Morning Joe, CBS This Morning, and more. “The most important business—and parenting—book of the year.” —Forbes “Urgent and important. . . an essential read for bosses, parents, coaches, and anyone who cares about improving performance.” —Daniel H. Pink Shortlisted for the Financial Times/McKinsey Business Book of the Year Award Plenty of experts argue that anyone who wants to develop a skill, play an instrument, or lead their field should start early, focus intensely, and rack up as many hours of deliberate practice as possible. If you dabble or delay, you'll never catch up to the people who got a head start. But a closer look at research on the world's top performers, from professional athletes to Nobel laureates, shows that early specialization is the exception, not the rule. David Epstein examined the world's most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle many interests rather than focusing on one. They're also more creative, more agile, and able to make connections their more specialized peers can't see. Provocative, rigorous, and engrossing, Range makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans, people who think broadly and embrace diverse experiences and perspectives will increasingly thrive.

50 Greatest Golfers Reid Spencer, The Sporting News, 2002-09-01 An illustrated tribute to the 50 best golfers as selected by the staff of the magazine The Sporting News.

Head to Head Jeremy Ellwood, Fergus Bisset, 2013-05-13 Golf clubs, the length and breadth of the UK, are hotbeds for debate. Go into any clubhouse on a Saturday afternoon and you'll find people arguing the virtues of links golf over parkland or Stableford over medal play. Every time a golf magazine produces a top 100 courses list, golfers throughout Britain begin quarrelling about its inclusions and omissions. In Great Golf Debates, Jeremy Ellwood and Fergus Bisset look at forty of golf's most disputed issues from the serious to the more light-hearted, examining them from opposing viewpoints in an entertaining yet informed manner. From 'Tiger Woods vs Jack Nicklaus' to 'Pull carts vs Carry bags' they provide convincing arguments to give supporters of both camps some added ammunition, appealing directly to every British golfer's argumentative nature. Writers for Golf Monthly, Ellwood and Bisset's 'head-to-head' style debate features regularly in the magazine and has been a fabulous success in generating considerable interest both in letters to the magazine and debate on the Golf Monthly website where a poll is conducted. The section's popularity gives clear indication there are many issues that split opinion between Britain's golfers and that this book seeks to address a selection of the most contentious.

The Science of Golf Will Haskett, 2022-10-18 The perfect gift for golf enthusiasts of all experience levels! In The Science of Golf, seasoned sports broadcaster Will Haskett examines the science behind the beloved sport of golf. The author covers topics like the swing, the body, the mind, the equipment, the agronomy of the course, analytics, and much more. Haskett explains what makes the ball fly, how different swings can accomplish the same result, why different playing fields impact each shot, and how a rapid improvement in technology has made the sport easier and more accessible. With insight from industry experts, sports scientists, and some of golf's best minds, this book may surprise golf gurus and science geeks alike!

Up and Down Bubba Watson, 2021-11-02 He was a small-town boy who burst onto

the international golf scene with a dramatic hook shot from deep in the woods to win the Masters— before the game he loved almost killed him. Opening up about the toll that chasing and achieving his dream of being a champion golfer took on his mental health, Bubba Watson shares his powerful story of the breaking point that gave him clarity. Bubba Watson is known as the big-hitting left-handed golfer who plays with the pink driver—the small-town kid who grew up as a child golf prodigy before going on to win two Masters Tournaments, competing in the Olympics, and rising to be the number two golfer in the world. But every dream comes with a price. Feeling that he was never good enough, Bubba began to let the constant criticism from fans and commentators haunt his thoughts. Success in the game he loved was killing him. In *Up and Down*, Bubba opens up about his debilitating anxiety attacks, the death of his father and namesake, adopting his children, and how reaching a breaking point professionally and personally drew him closer to his family and God. Golf is what Bubba Watson does, but it is not who he is. Through his story, you'll learn how Bubba: Overcame his anxiety and feelings of inadequacy Found his true identity not in the standards of the world, but in the God who already knows he is enough Learned to trust God with his gifts, family, and biggest dreams Became the husband, father, friend, and mentor he was called to be Life, like golf, is filled with ups and downs. *Up and Down* is the inspiring story of an imperfect man striving to become the best person he can be—wherever the course may take him.

1001 Golf Holes You Must Play Before You Die Jeff Barr, 2005 Whether readers play for fun or for serious sport, this guide will encourage them to live their ultimate golfing fantasies at the world's premier courses. Each golf course has been selected for its interest either as a challenge to play, a place of outstanding beauty, a famous occurrence, or the brilliance of its design.

Golfing Florida's Best Robert Armstrong, 2001 Detailed portraits of the 50 best public and daily-fee golf courses in Florida.

Seve Alistair Tait, 2012-05-31 Seve is the most extrovert player Europe has ever produced. Playboy good looks along with a magnetism that attracted non-golfers to the game made him the biggest drawing card Europe has ever had. He emerged on the world scene with typical élan, hitting one of the most outrageous shots ever seen at the 1976 Open Championship. Three years later he became the youngest Open Champion of the modern era when he won the first of his five major championships. Ballesteros started Europe's domination of the Majors throughout the 80s and 90s, paving the way for Nick Faldo, Bernhard Langer, Ian Woosnam, Sandy Lyle and Jose Maria Olazabal. His play in the Ryder Cup, fuelled by an intense dislike for Americans, helped restore Europe's pride in the event. Driven by Basque pride and with a fiery Latin temperament, Seve has often let his heart rule his head. Seve is the remarkable story of one of the game's most fascinating characters.

I Found the Golf God: 10 Secrets for Golfing Success Dori O'Rourke, 2011-07-01 If you are one of the millions of golfers who are frustrated, not improving as fast as you'd like, or getting worse, this book is a must for YOU! Years of research and testing with 1000's of golfers has led to 2 amazing discoveries. One, many things we are currently doing to improve our golf games are actually causing many of our problems. Two, there are 10 Secrets for Golfing Success. In this fun, easy-to-read story, renowned LPGA Teaching Professional, Dori O'Rourke shows you exactly how to apply the 10 Secrets to your golf game. LEARN HOW TO: * Consistently shoot lower golf scores * Make permanent golf swing changes quickly and easily * Feel unstoppable confidence on every shot * Breakthrough your limitations to golfing success * Have more fun golfing than you've ever had before ***** WHAT EXPERTS ARE SAYING: Totally new, totally informative, and totally entertaining! 'I Found the Golf God, ' will do wonders for your confidence and for your enjoyment of the game. -- Dan Poppers, Publisher GOLF NEWS Magazine When it comes to what counts, it's not

what you know, it's what you do. Don't just read this book, do the contents of the book. -- Chuck Hogan, Master Golf Instructor and Sports Psychologist

Dori O'Rourke brings to the attention of the golf world those learning concepts and attitudinal insights that are shaping the styles of professional people from other disciplines. Using these methods will make better players and happier participants. -- Gary Wiren, PGA Master Professional and Multiple Golf Author ***** NEW LETTER TO MY READERS This special 20th Anniversary Edition also includes a 2011 Letter to My Readers, where Coach Dori shares some wonderful stories and insights from the Golf God's remarkable 20-year history. Here are a few excerpts: WOW! A lot has changed in the past 20 years. When I first published this book in February, 1991, I didn't have a web address or a cell phone. Home computers were just starting to gain popularity and I hadn't quite turned 30 yet. ... Surprisingly, one thing that hasn't changed are the 10 Secrets for Golfing Success. They are still just as valid today as they were when I originally wrote about them 20 years ago. ... I Found the Golf God, 10 Secrets for Golfing Success was the first book I ever wrote, so it will always be very special to me. Based on the letters and comments I've received through the years, it's been a special book to dozens of other people, as well - both golfers and non-golfers alike. I've received letters from golf professionals giving the book credit for their first big tournament wins. I've received phone calls from men and women in all walks of life telling stories of how the book changed their lives (not just their golf games). I've even had several non-golfers get mad that it was a golf book and not a life improvement book, saying they almost hadn't read it because of that. One of the most magical moments for me was receiving a handwritten note from tennis legend, Martina Navratilova, stating how the concept of target golf had helped her golf game. Another was when international self-help author and success coach, Anthony Robbins, happened to come into a bookstore where I was doing a book signing, and asked me to autograph a copy of I Found the Golf God to his friend, Ken Blanchard (author of The One Minute Manager), as a birthday gift. ... I Found the Golf God sold nearly 10,000 copies in its first year, going to print three times in the first nine months. It's been used as a sales training tool, as a textbook for golf colleges, as a tournament gift bag item, and more. GOLFERS AND NON-GOLFERS ALIKE LOVE I Found the Golf God! With years and years of rave reviews from men and women golfers of all levels, this timeless golf and life improvement book is sure to help you improve your golf swing and your game!

18 Holes with Teddy Greenstein Teddy Greenstein, 2015-04-07 18 Holes with Teddy Greenstein is a collection of articles from Greenstein's Chicago Tribune column detailing his time golfing with and interviewing various sports coaches, broadcasters, and players - some more experienced than others in the game of golf. Greenstein has played with a wide number of sports influencers, both retired and active: members of the Bears, Bulls, and Blackhawks, as well as Heisman Trophy winners, hall of famers, and course designers. Greenstein includes the interviewee's handicap, final score, and golf philosophy, while his light, conversational style makes for articles that are both humorous and informative. Greenstein refers to his 18 holes with... column as journalism's greatest scam, as it allows him to tee off with some of his greatest heroes - but it also allows him to share their stories. 18 Holes with Teddy Greenstein gives readers a glimpse at sports celebrities when they are removed from their comfort zones and placed on the fairway. This collection, from a seasoned Chicago Tribune journalist, is perfect for all fans of golf - from casual to fanatic - and sports fans in general.

Swing, Walk, Repeat Jay Revell, 2021-12-10

Duffer's Debut Ted Ronberg, 2011-11-21 Greetings new golfer! Welcome to the most frustrating, infuriating, intimidating yet greatest of sports. Beware that, in taking up golf, your self-esteem is about to suffer irreparable damage. You have, no doubt, remarked, in scanning the myriad of available

golf books, that the authors, all blessed with olympian reflexes and hand-eye coordination, first took up the sport before the age of ten. Insightfully, you have probably also concluded that there may be a communication gap between these venerated masters of the game and your own tired, ripened and athletically-challenged physique. Happily, you have just found the holy grail of golf wisdom for beginners. This book is about taking up golf - from a beginner's perspective. Like yourself, the author is a mere mediocre mortal who took up the game in his mature middle years and whose only previous athletic renown was winning a hula hoop contest in a church basement. There are two things to learn about golf - how to hit a ball and understanding the game. The former is best learned, not from a book, but on a range from a teaching pro. You must also learn about the game's culture, customs and conventions, which is what this book is all about. Media Comments on Duffer's Debut: • "This is the ... book that should be mandatory for all golfers to read before they are allowed on the course." - Flagstick Golf Magazine • "The book is... humorous and is written from a beginner's standpoint...middle aged and senior golfers would particularly appreciate it." - Myrtle Beach Golf News • "...this golf book is a must-read...Great illustrations, a great gift, a great read...it might even turn you into a great golfer " - Good Times Retirement Magazine • "Ronberg...should be commended for his effort." - Lorne Rubenstein, The Toronto Globe and Mail • "If you're thinking of taking up this sport, Ted Ronberg can save you some of the angst you experience." - Lee-Anne Cusack, CJOH TV • "Not just for beginners, Duffer's Debut also has a wealth of valuable information for experienced golfers."- Bob Durant - host of the Golf Report - AM 740 Radio, Toronto • "This is the Holy Grail of golf wisdom for beginners" - Bob Sinclair - Eyelevel Golf Products

The Feeling of Greatness Tim O'Connor, 2017-06-13 From the award-winning journalist and coach: a biography of "the 'Rain Man' of golf. It's a character drama. It's an underdog story" (Barry Morrow, Academy Award-winning screenwriter). Documentary now in production! In *The Feeling of Greatness*, second edition, golf coach Tim O'Connor updates his previous biography of the late great, Canadian golfer Moe Norman, who was famous for introducing the single plane golf swing. This edition includes new anecdotes about Moe both on and off the course by golfers, journalists, friends, and family, and offers a more in-depth portrait of the man and golfer, especially in the last years of his life. O'Connor shares with readers his personal and professional friendships with Moe along the way. Some twenty years later, from a distanced perspective, O'Connor sets the record straight about Norman, promotes his legacy as the legendary golfer he was, and reflects on life lessons learned from their association over the years. Praise for Moe Norman and *The Feeling of Greatness* "Only two players have ever owned their swings: Moe Norman and Ben Hogan." -Tiger Woods "Well-written and meticulously researched." -James McCarten, PGATour.com "Tim O'Connor has helped us better understand one of golf's most intriguing and disturbing members." -Hal Quinn, The Financial Post

Grown at Glen Garden Jeff Miller, 2012-10 Follows golfing stars Ben Hogan and Byron Nelson from their early days in the sport through their famous pro careers and portrays the long friendship between the two players--Provided by publisher.

Chronicle of Golf Ted Barrett, Andrews McMeel Publishing, 2002-10-28 This is an account of the history of the world's fastest growing sport, from its origins as a modern sport in the 1860s to the present day. The *Chronicle of Golf* includes newspaper-style reports on all the golf stories that hit the headlines, together with notable golf quotes and the rest of the golf news in brief. There is special coverage of the Ryder Cup from 1979, when the Europeans took up the contest with the Americans, and the reportage is interspersed with features on the legendary figures of golf. There are also end-of-year statistics on the winners of the four Majors and the other principal international golf tournaments, professional and amateur. The book

tells the story of golf year-by-year; starting with the ascendancy of the men of the Scottish linkland in the 1860s, followed by that of the Englishman gentleman-amateur in the late Victorian era; then the domination of the American professionals between the wars; the impact of television and sponsorship in the 1960s and 1970s; and finally golf's evolution into an integral part of the global entertainment industry at the onset of the twenty-first century.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Washington Golf Dan Raley, 2022 The centennial history book of Washington Golf.

Golf Injury Handbook Allan M. Levy, Mark L. Fuerst, 2008-05-02 Steer clear of golf injuries once and for all with this expert fitness and prevention program. Without question, *Golf Injury Handbook* is the most comprehensive, easy-to-use reference for amateur golfers to take care of themselves and improve their games.--Bud Ferrante, P.T., founder, Back to Golf Performance Program. A good job of providing the basics of recovering from golf injuries . . . also a useful guide to developing a proper strength and flexibility workout for a better swing and a lower score.--Jim Albus, Senior PGA Tour player. As a quarterback, I found that golf fatigued my throwing arm, so I made it a policy to get treatment from Dr. Levy after playing a round.--Phil Simms, former New York Giants quarterback. Sharp lower-back pains. Aching elbows. Tender wrists. Inflamed rotator cuffs. Sore knees. More than 40,000 people are treated for these and other golf-related injuries each year. The good news is that now you can make sure you're not one of them. From the authors of the classic *Sports Injury Handbook*, this top-notch manual of easy-to-follow golf do's and don'ts is all you need to prevent injuries and treat common symptoms, and improve your conditioning, flexibility, and strength to help lower your scores. Dr. Allan Levy's vast practical knowledge of golf fitness is indispensable for players at every skill level--from absolute beginners to weekend hackers to club champions. There are even separate chapters devoted specifically to women's and seniors' issues. Peppered with firsthand stories, golfing anecdotes, and clear illustrations, the *Golf Injury Handbook* is both entertaining and informative. Inside, you'll discover: * The essential elements of a proper workout to lower your scores--including warm-up, conditioning, and strength training. * The pluses and minuses of a variety of gadgets that promise to improve your game. * A complete guide to golf injuries, from head to toe--how to recognize them and how to heal them.

The Golfer's Good News Alan G. Medders, 1994
