How to Quit Golf (and Get Your Life Back) Danny Cahill,2024-03-05 Do you need to quit golf? Take a short quiz! 1. Do you show your golf scorecards to, well, uh . . . anyone? 2. At dinner, do you find yourself practicing your grip on your utensils? (The Vs of the fork's first tine, for the righthander, should point to the right shoulder.) 3. Look above you. Are there marks on the ceilings of your house because you can't help but try to "bust one" even when you're indoors and there is no ball? 4. Have you taken to reflexively calling your children "pards?" 5. Do other golf aphorisms make their way into your personal life? (Examples include finding your lost car

keys and with a shrug saying, “Even a blind squirrel finds a nut now and again,” or feeding your actual dog and exhorting, “Time to let the big dog eat!”) 6. Does your dry cleaner, never having seen your swing but processing your bill, assume you are a golf pro? 7. Do you think of all spatial relationships in the real world in terms of golfing distance? (When parking at the mall and your wife suggests you are too far away, do you say, “What? It’s like a stock gap wedge to Panera from here.” When she disagrees, do you break out the Bushnell and shoot the store’s signage?) If you answered “Yes” to any of the above, you really, really need to quit golf. Danny Cahill will make you laugh and nod with recognition in his latest book (part social satire/ commentary; part clever psychological study) about the game of golf and its intoxicating hold on those who love it. A likeable middle-aged golfer (coping with the thought that everything is in decline at this time of life) has crossed over from healthy hobby to unmanageable obsession. He knows he should quit spending so much time working on his golf game. He knows his life at home is unraveling. But fully aware of just how much the game is laying waste to his powers, he nevertheless continues to count the hours to his next tee time. Cahill’s comic treatment of middle-age reckoning told through the lens of an obsessed golfer also takes a deep dive into the sport’s ecosystem and its inherent appeal (and silliness?). Cahill’s acute powers of observation will impress as he unravels golf’s ability to entice like no other endeavor—and how to ultimately let go and preserve what matters. Any serious golfer will see themselves in Cahill’s hero—they’ve thought his thoughts, shared his fears, and dealt with the effects on their family. The book will make golfers laugh, but also feel completely understood. The book explores the human need to find something that can still be improved, and through the prism of golf, examines the innate futility in trying to find meaning in a game that is, like the protagonist’s life, both impossible to master and intermittently filled with joy and sorrow.

Routing the Golf Course Forrest L. Tiger Eye Marjorie Liu,2010-06-03 An antique Chinese box unlocks a world of adventure for a psychically gifted woman in this fantasy by a New York Times–bestselling author. The first book in the extraordinary Dirk & Steele Series! Long ago they roamed the earth—dragons, tigers . . . shapeshifters—men who wore the forms of beasts. Their world was magic. Now it is gone. But some remain . . . He looks out of place in Dela Reese’s Beijing hotel room—exotic and poignant, some mythic, tragic hero of an epic tale. With his feline yellow eyes, he’s like nothing from her world. Yet Dela has danced through the echo of his soul and knows this warrior will obey her every command. Hari has been used and abused for millennia. But he sees, upon his release from the riddle box, that this new mistress is different. There is a hidden power in Dela’s eyes—and with her, he may regain all that was lost to him. Where once he savaged, now he must protect; where before he knew only hatred, now he must embrace love. Dela is the key. For Dela, he will risk all. Praise for *Tiger Eye* “[A] first-rate debut. . . . The romance between Delilah and Hari tantalizingly builds until it culminates in a sensual love scene. . . . [A] striking paranormal romance.” —Publishers Weekly “Liu’s debut novel, not unlike the puzzle box, holds a shiny new joy for readers of adventure and paranormal romance. Deeply sensual, a marriage of modern fantasy and ancient mysticism highlighted with a touch of humor, this is the next book fans of Sherrilyn Kenyon or Christine Feehan should read.” —Booklist

Solitaire Spirit Les Powles,2012-01-15 Les Powles only had 8 hours of sailing experience when he decided to sail solo around the world. Many novices would be content to just dream of such an adventure, and maybe get as far as a solo Channel crossing a couple of years down the line. Not so Les Powles, one of the twentieth century’s most extraordinary and eccentric sailors. Les was in his 50s when he built himself a yacht with little prior knowledge of boatbuilding. Remarkably he made it across the Atlantic, though his navigation skills didn’t match his boatbuilding abilities; his first landfall was Brazil. He’d been aiming for Barbados - 100 miles north, and in a different hemisphere! Three complete solo circumnavigations followed, all of them full of incident. The last one saw him given up for dead when he hadn’t been heard from for four months. His boat had been damaged in a storm, he’d lost all communications and had virtually run out of food. When he sailed up the Lymington River (aged 70) in a skeletal state his arrival caused a media frenzy. Lymington Yacht Haven subsequently gave him a free berth for life. A terrific achiever who has beaten the odds, Les Powles tells his story in a lively, entertaining, humorous and compelling way. It will resonate with sailors and non sailors alike, and may inspire one of them to become the twenty-first century’s Les Powles.
