**Golf and the Law** Thomas H. Sawyer,2005 The sport of golf is a popular choice for individuals looking to spend their increased free time. Golf is viewed as both a recreational and competitive sport; however, many sports and recreation professionals are not aware of the risks posed by the sport of golf. This lack of awareness creates a false sense of security for professionals and recreational golfers. The risks (e.g. personal injury, property damage, real estate issues, employment concerns, and discrimination) often result in litigation that is costly in both time and money. This litigation can often be prevented through sound risk management practices and programs. Every golf course is a complex business venture with corresponding complex business-related problems. These problems typically include real estate issues, employment matters, premises liability, discrimination, and negligence. Golf and the Law assists golf course managers in avoiding lawsuits and preventing needless personal injury and property damage. The book is divided into two major sections. The first section reviews a number of important legal concepts and relates each concept to the management of a golf course. The second section specifically outlines common types of litigation that have been aimed at golf courses. Finally, the book outlines a variety of risk management strategies to assist the golf course manager in making the golf course a safe place for participants, employees, and neighbors. Throughout the work [Sawyer] offers advice on avoiding liability by instituting proper risk management procedures. In extensive appendixes readers will find checklists, sample forms, and other useful information for the golf course manager. -- Legal Information ALERT

**Herbert Warren Wind's Golf Book** Herbert Warren Wind,2016-01-26 Elegant and perceptive musings on the world's greatest game from the dean of American golf writers This illuminating collection features many of Hebert Warren Wind's most famous essays, including "Jones Breaks Through," his masterful portrait of Bobby Jones's first major championship, won in an epic eighteen-hole playoff against Bobby Cruickshank at the 1923 US Open, and "North to the Links of Dornoch," an evocative travelogue that established the venerable course in the Scottish Highlands as one of golf's premier destinations. Wind captures Ben Hogan, Sam Snead, Byron Nelson, and Ken Venturi in their prime, and brings readers back to an earlier era when Harry Vardon ruled the links. He profiles golf's female pioneers--Mickey Wright, Babe Didrikson Zaharias, and Joyce Wethered--and sings the praises of Bernard Darwin, "the greatest writer on golf the world has ever known." In his Sports Illustrated deadline ode, "The 1958 Masters: Palmer at the Fateful Corner," Wind brings Arnold Palmer's first major championship to vivid life and coins Augusta National's most iconic and enduring term: "Amen Corner." Lyrical, evocative, and insightful, Herbert Warren Wind's Golf Book is a must-read for students of the game and fans of classic sports journalism.

**America's Gift to Golf** Herbert Warren Wind,2016-01-26 The dean of American golf writers pays tribute to the nation's greatest tournament Over the course of his forty-year career at the New Yorker and Sports Illustrated, Herbert Warren Wind covered the game of golf from many different angles, providing readers with eloquent insights on the iconic courses of Scotland as well as Bing Crosby's lifelong love affair with the sport. But no aspect of golf was closer to Wind's heart, or more intimately associated with his name, than the annual Masters Tournament at Augusta National Golf Course. Recounting Arnold Palmer's victory in 1958, Wind coined the phrase "Amen Corner" to describe the fateful stretch of golf course including the 11th, 12th, and 13th holes. To celebrate the fiftieth anniversary of the first Augusta National Invitation, held in 1934, Wind eloquently recounted a half-century's worth of highlights, from Bobby Jones's original vision of an informal competition between his old friends and the game's rising stars, to Ben Crenshaw's impressive defeat of Tom Watson in the 1984 tournament. Full of the grand traditions--including green jackets, purple azaleas, and white jumpsuits--and dramatic moments that have made the Masters the most entertaining of the four major championships, America's Gift to Golf brings the history of this majestic tournament to vivid life and testifies to the enduring legacy of Herbert Warren Wind.

*The Sketch* ,1909

*Following Through* Herbert Warren Wind,2016-01-26 These essays by the legendary sports writer "put readers right in the galleries" watching "all the great golfers, from Harry Vardon to Jack Nicklaus" (The New York Times Book Review). In this classic anthology, Herbert Warren Wind recreates Ben Hogan's stirring performance in the third round of the 1967 Masters, when the fifty-four-year-old former champion turned back the clock to birdie six of the final nine holes and send spectators home "as exhilarated as schoolboys." At the 1964 US Open, the dean of American golf writers captures the drama and excitement of "one of the most inspiring stories in American golf": Ken Venturi's heroic victory over Arnold Palmer, Tommy Jacobs, and a case of heat exhaustion to win his only major championship. From Harry Vardon to Steve Ballesteros, Pebble Beach to Ballybunion, the British Open to the President's Putter, this generous and entertaining volume contains Herbert Warren Wind's most famous essays on the sport he loved above all others. Vivid, eloquent, and insightful, Following Through showcases a master craftsman at the very top of his form.
