Whatever your level of play is now, whatever your goals, however you've been struggling with the game, the A Swing could change your golfing life.

Tour Tempo John Novosel,John Garrity,2004-04-27 What swing secret is shared by nearly all golf greats – from Ben Hogan to Tiger Woods? John Novosel's revolutionary breakthrough has cracked

the “genetic code” of the golf swing – Tour Tempo. Tiger Woods...Greg Norman...Ben Hogan. What secret do these and nearly all golf legends share? Identical swing tempo. John Novosel has cracked the “genetic code” of the golf swing – and has derived a simple and effective system to teach it to golfers of all levels, from tour players to weekend warriors. This book includes a revolutionary instructional CD, featuring videos that illustrate exactly how to learn the tempo secrets of the tour pros, and a calibrated soundtrack that you can use while practicing at a driving range or in your living room. As an avid golfer and inventor, John Novosel studied film footage of the PGA greats, searching, along with countless others over the last century, for the key to what made certain golfers’ swings so effortless and powerful. Novosel made a startling discovery. Nearly every champion demonstrated identical time proportion in his or her swing, a common ratio between takeaway and downswing. Regardless of style or form, the winning tempo was always the same – Tour Tempo. In this breakthrough book, Novosel and Sports Illustrated senior writer John Garrity explain exactly how to achieve Tour Tempo. Through clear, step-by-step instruction, golfers are taught how to master two basic drills to synchronize their swings. Novosel’s technique has yielded rapid and tremendous improvement for players of every level –adding distance, automatically correcting typical swing problems, and noticeably shaving strokes off one’s game. TOUR TEMPO is a remarkable breakthrough – truly golf’s last secret finally revealed.

Every Shot Must Have a Purpose Pia Nilsson,Lynn Marriott,Ron Sirak,2005-09-22 Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf’s top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don’t believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don’t even believe in beginning with

physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, *Every Shot Must Have a Purpose* offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure.

Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, *Every Shot Must Have a Purpose* is inspiration for life, not just the links.

Beta Test Eric Griffith, 2011-12 PUBLISHERS WEEKLY: An unusually lighthearted apocalyptic tale. Sam Terra is having a bad week. He lost Molly, the woman he secretly loves, when she vanished before his eyes at the exact same time that ten percent of the inhabitants of Earth disappeared. Naturally upset, Sam follows clues about the global vanishing with questionable help from his friends including a misanthropic co-worker and a childhood pal. When Molly reappears in the body of a man during a night of monster-laden devastation, Sam finally learns the truth. Not just about her, but about the planet Earth and the entire cosmos surrounding it. What we consider mundane reality, others consider a game . . . and not a very good one. The whole thing is about to be shut down.
