But even working alongside Zander can't completely fix the hole in Emily's life. Ever since her mom died, Emily hasn't been able to pray, and no one—not even Zander—seems to understand. **Your Spacious Self** Stephanie Bennett Vogt,2012-10-01 IT'S A JUNGLE . . . IN HERE! Behind our stress, clutter, and confusion is an infinitely spacious place one might call stillness or joy. This is our natural state of being, but we usually don't experience it, because we are caught in a web of material possessions, desires, and fears. Our clutter often becomes another member of the family that we feed, house, and lug around. In *Your Spacious Self*, author and professional space clearing expert Stephanie Bennett Vogt shows us that it's not our stuff but the holding on to it that creates a force field of stuck-ness that clouds our perceptions and paralyzes our lives. Clutter is not just the junk spilling out of the closet. It is anything or thought that prevents us from experiencing who we truly are. With daily tips, meditations, and a decluttering checklist, *Your Spacious Self* will show you how to: CLEAR THE CLUTTER in your home and in your life REVEL IN YOUR OWN SPACIOUSNESS, a place of stillness and joy LET GO OF THE PEOPLE, PLACES, AND THINGS that no longer serve the joyous being that you are Radical in its message and elegant in its simplicity, *Your Spacious Self* offers a new model that combines the ancient wisdom of space clearing with the modern practicality of clutter clearing. It teaches us that clearing is not just something we do but is also a powerful way to be—one small step, drawer, or moment at a time.

My new partner in crime is not a fan of me, and quite frankly, every conversation with her is aggravating. This is why a simple fact confuses me... We can't seem to stay away from one another. First, we argue, then we kiss, and I don't want it to stop. The more our lives become entwined, the more I realize that she may just be what I didn't know I was waiting for. But this stubborn woman has to take a chance on us, and although her eyes say yes, her words say no—after all, her job is on the line. The challenge doesn't deter me, though. Because I'm beginning to feel that Madison and me? We may just be something good... This enemies-to-lovers romance is the third standalone book in the small-town Blisswood Brothers series that follows the brothers as they run their family winery and farm, *Olive Owl*.

*Now That You Are Awake* Gordon Bruce Waldie,2009-07-20 *Now That You Are Awake*, the sequel to *Living Your Life in Joy*, is the second book in a three-part series. It is an extension, as well as an expansion, of material introduced in *Living Your Life in Joy*. Throughout the second book, we shall develop a more comprehensive understanding of not only the process of awakening but also the practical application of what we have learned to all aspects of our daily lives as we journey the path to Oneness. *Now That You Are Awake* explores, in detail, what it means to be spiritually awake, how we know that we are awake, and how our lives are changed by our awakening. We further expand upon the subject of spiritual awakening as we discuss what it means to view the world through spiritual eyes, how we become a reflection in the mirror of a world within, and who we are as spiritual beings created in

the image and likeness of God. Through our discussions, we come to understand, in a heightened and more expansive manner, who we are, why we are, and what we came here to do. We discuss, in depth, the nature, attributes, and the Oneness of the Divine as the One Energy, One Love, One Life. We discover our unlimited potential as individual expressions of the One, in physical form, and how we can awaken to develop and expand our ability to utilize Universal Life Force Energy for the health and well-being of ourselves and others. As we spiritually mature, we come to understand the advanced aspects of spiritual expression that we awaken to. They are referred to throughout our discussions as "feeling" and "knowing." We discuss in depth how these can be important forms of inspiration and guidance. In the final chapter, we follow two individuals—one spiritually awake, the other spiritually asleep—as they go through one day in their respective lives to contrast the thoughts, feelings, and behaviors each expresses as they respond to the same circumstances and events that occur during the day. By comparing each one's experience, as perceived and expressed through the ego or the spirit, we may not only summarize the basic understanding we have gained from the topics we discuss in each chapter of the book, but also provide a situation where we can evaluate how we would have responded ourselves to each of the events that take place throughout the course of the day. From this, we may assess each aspect of our own spiritual growth as we continue our journey upon the path to Oneness. At the end of the book, there is a special request for those of you who would be willing to share your awakening story with those who are about to awaken, have just awakened, or who are awake and journeying the path to Oneness. We are planning a series of books, perhaps three in all, with the exclusive theme of spiritual awakening. The purpose of the series is to provide readers with knowledge gained from the firsthand experiences of others who have awakened to help them to understand what is happening to them as they begin to awaken and to let them know that they are not alone. As such, those who choose to awaken would have a compendium, or a guide—namely, the experiences of those who have gone before them—to help them along the way. Now That You Are Awake is a detailed and comprehensive volume that explores the next level of spiritual awareness, consciousness, and knowledge we are awakening to as we continue to spiritually mature.
