Digital Etiquette Victoria Turk,2019-03-07 How do you reply to your colleague's weird email? What might Debrett's say about your Tinder profile? And just how do you know if you're mansplaining? In this irreverent journey through the murky world of digital etiquette, WIRED's Victoria Turk provides an indispensable guide to minding our manners in a brave new online world. The digital revolution has put us all within a few clicks, taps and swipes of each other. But familiarity can breed contempt, and whilst we're more likely than ever to fall in love online, we're also more likely to fall headfirst into a blazing row with a stranger. Google's unofficial motto is Don't Be Evil, but sometimes that's easier said than done. If you've ever encountered the surreal battlefields of digital life and wondered why we don't all just go analogue, this is the book for you.

Etiquette for All Occasions Mrs. Burton Kingsland,1901

Fucking Good Manners Simon Griffin, 2019-11-07 This is not a book about how to be posh. We have some slightly bigger issues to deal with these days. We've all got a million things to do and are constantly connected to millions of other people all doing a million other things, so the faster we get things done the better, right? Wrong. Among all the busyness and confusion it seems we've forgotten a few of the basics in life, like the ability to treat one another with respect, dignity and some fucking good manners. Enter Simon Griffin, author of *Fucking Apostrophes*. From the entry-level stuff like saying please, thank you and sorry; manspreading on public transport and double-lane queuing at airports, to those that require just a little bit more thought, such as correct urinal protocol in public toilets, making tea rounds in the office and online public displays of affection, Simon imparts rules and advice to living life in a way that makes it just a bit better for everyone. With some liberal use of rude words thrown in to emphasise the point. With chapters on driving, social media, the environment, getting on with your neighbours, and the best manners for a trip to the cinema, this is the perfect gift for a manners enthusiast, or those in need of a gentle (but swear-y) nudge in the right direction.
