Everyday Graces Karen Santorum,2003-04-01 The National Bestseller, Featuring a Brand-New Introduction by Karen Santorum As a mother, Karen Santorum grew frustrated by her inability to find a book of manners that instructed through engaging stories and poems rather than by dull lists of dos and don'ts. She set out to solve the problem. The result is this wonderfully rich and instructive anthology. A national bestseller, *Everyday Graces* has become a beloved feature in homes, schools, churches, and libraries across America. It speaks to the fact that manners are seldom discussed anymore—and are practiced even less. Good manners are a prerequisite for the growth of moral character; they are the habits of conduct by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Under such headings as Honor Your Mother and Father, Please, Thank You, and Other Kind Words, Be Considerate at the Table, Good Sportsmanship, and Respecting Our Country, *Everyday Graces* gathers stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Andersen, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Find out why *Everyday Graces* has struck a chord with tens of thousands of families. Both inviting and informative, this book helps instill good manners in our children—and takes a stand against the decline in civility and the coarsening of our common life.

Good Manners Jesurajah Sebastiampillai, 2011-05-09 Every child is known by his/her behaviour, we judge our children by observing their behaviour and we quickly see if they are good mannered or not. • Good growth is good health, good brain and good manners. • Early acquired manners are part of child's education and it is permanent just as stone inscription. If a plant is well looked after and gets the correct support from very young it will grow a beautiful, healthy and very strong one which will then also make nice 'fruits'. • Good manners are learned via right coaching and constant reminders so that inscription takes place. • Good manners acquirement is a result of good example and thus parental role model is crucial since children are constantly observing and simply copy a lot of adult's actions. • Good manners are an outcome of perpetual practice and example. • Good manners help children grow up polite, with an etiquette, respectful which will ultimately facilitate building up their social connection and future relationships. • Good manners consolidate a strong sense of distinguishing between good and bad, it is a solid base of morality which is so essential in life. "All children are good when they are born, but they grow up good or bad depending on education they get" Tamil proverb "Good manners sometimes means simply putting up with other peoples' bad manners" H. Jackson Brown, Jr. Since I really believe that good manners are so significant in one's life I have put together a number of carefully selected examples, some accompanied by pictures and illustrations as I believe it is more fun and makes the book more interesting and entertaining.
