Gospel Doctrine Selections From The Sermons And Writings Of Joseph F. Smith

Joseph F Smith,2023-12 The essential work *Gospel Doctrine* was written by Joseph F. Smith, a pivotal figure in The Church of Jesus Christ of Latter-day Saints (LDS Church). Some stories are violent and strange, while others creep up on you and slowly suck you in. The plot is full of unexpected twists and turns that will keep the reader engaged. Readers are compelled to keep reading because the title character is so self-indulgent. This book is intended for LDS Church members as foundational literature, providing a detailed summary of their faith's fundamental beliefs and ideals. Smith's *Gospel Doctrine* delves into various areas of LDS theology, including God's nature, the plan of redemption, the role of Jesus Christ, the importance of prophets, and the value of temple ordinances. It also addresses moral and ethical issues, emphasizing the need of living a virtuous, Christ-like life. The book is extensively utilized as a resource for Sunday School classes and individual study within the LDS Church, making it an essential tool for members seeking to broaden their understanding of their religious beliefs. Smith's writing style is straightforward and friendly, making complex theological themes accessible to a broad readership.

Gospel Doctrine Joseph Fielding Smith,2018-01-21 Excerpt from *Gospel Doctrine: Selections From the Sermons and Writings of Joseph F. Smith*, Sixth President of the Church of Jesus Christ of Latter-Day Saints The literature of the Church has been carefully and systematically searched to discover all

of President Smith's public writings and sermons. Those of a historical nature have not been used in this collection, as they may well be made into another volume. The compilers give their thanks to the many who, with hearts full of love for President Smith, have helped in the work. The work has reaffirmed to us that prophets, speaking for God, are with us.
