Gospel Principles The Church of Jesus Christ of Latter-Day Saints, 1997 A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

Spreading the Gospel of Books Florence M. Jumonville, 2019-11-06 In 1925, Essae Martha Culver, a California librarian, arrived in Louisiana to direct a three-year project funded by the Carnegie Corporation that aimed to introduce public libraries to rural populations. Culver purchased a round-trip ticket, but she never used the second half. Instead, she stayed in Louisiana the rest of her life, working tirelessly to see libraries established in every parish by 1969. In *Spreading the Gospel of Books*, Florence M. Jumonville chronicles the impressive, colorful history of Louisiana parish libraries and the State Library of Louisiana. She draws upon Culver's journals and library reports, in addition to correspondence, scrapbooks, and State Library internal documents, and includes photos from five decades, many never before published. The campaign to persuade individual parishes to financially support a library of their own was a long, uphill pull through poverty and politics, flood and famine, discouragement and depression, war and bureaucracy, ignorance and prejudice. Culver credited success to the citizens, whose thirst for books and embrace of the idea of a library inspired perseverance. In time, Culver's Louisiana plan served as an exemplar of library development elsewhere in the United States as well as abroad. Culver touched the lives of

generations of Louisianians who have never heard her name. Spreading the Gospel of Books is her story, along with that of colleagues and supporters, of making the dream of library service come true for all.

Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints,2000 The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the “doctrine of life and salvation for all the honest-in-heart” (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened “within them a desire to know and understand the things of God more than they ever did before in their lives” and will begin to “inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness” (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—“Teachings of Brigham Young” and “Suggestions for Study.” The first section consists of extracts from Brigham Young’s sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These

original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

She Reads Truth Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

The Joy of the Gospel Pope Francis, 2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter

Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Dogmatic Constitution on Divine Revelation Pope Paul VI., 1965 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the word of God. Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

The Gospel According to Matthew , 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature

in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Lamb Christopher Moore, 2009-10-13 Everyone knows about the immaculate conception and the crucifixion. But what happened to Jesus between the manger and the Sermon on the Mount? In this hilarious and bold novel, the acclaimed Christopher Moore shares the greatest story never told: the life of Christ as seen by his boyhood pal, Biff. Just what was Jesus doing during the many years that have gone unrecorded in the Bible? Biff was there at his side, and now after two thousand years, he shares those good, bad, ugly, and miraculous times. Screamingly funny, audaciously fresh, Lamb rivals the best of Tom Robbins and Carl Hiaasen, and is sure to please this gifted writer's fans and win him legions more.
