Alexandra Leigh Young

Gossip Joseph Epstein,2011 A dishy, incisive exploration of gossip--from celebrity rumors to literary romans à clef, from personal sniping to political slander--by one of our great essayists (David Brooks) To his successful examinations of some of the most powerful forces in modern life--envy, ambition, snobbery, friendship--the keen observer and critic Joseph Epstein now adds Gossip. No trivial matter, despite its reputation, gossip is eternal and necessary. Himself a master of the art, Epstein serves up delightful mini-biographies of the Great Gossips of the Western World along with many choice bits from his own experience. He also makes a powerful case that gossip has morphed from its old-fashioned best--clever, mocking, a great private pleasure--to a corrosive new-school version, thanks to the reach of the mass media and the Internet. Gossip has even invaded politics and journalism, causing unsubstantiated information to be presented as fact. Contemporary gossip claims to reveal truth, but as Epstein shows, it's our belief in truth itself that may be destroyed by gossip. Written in his trademark erudite and witty style, Gossip captures the complexity of this immensely entertaining subject.

Gossip Patricia Meyer Spacks,2012-05-30 Explores the nature, morality, and aesthetics of gossip; examines gossip in history and the psychology of gossip; and analyzes gossip--as subject and literary technique--in plays, letters, biographies, and novels.

Gossip Jack Levin,Arnold Arluke,2013-11-11

The Gossip Nancy Bush,2021-06-29 Every word you whisper In high school, rumors can make or destroy a reputation. A thoughtless nickname can turn each day into a living hell. Gossip is irresistible—and contagious. But sometimes, gossip can kill . . . Every secret you share Mackenzie Laughlin, formerly with Oregon’s River Glen police department, has reluctantly agreed to investigate a local woman’s disappearance. The case reconnects her with Jesse James Taft, a P.I. gifted at getting under Mac’s skin. But when the body is found tangled in river weeds, Mac and Taft realize that the case has changed, from one missing woman to a hunt for a terrifying and relentless killer . . . Could be your last In his old school yearbooks, they were the pretty, popular ones, confident and callous. Back then, they held the power. But now, it’s all his. He’s been waiting to teach them the lessons they should have learned long ago: that gossip and popularity have a price, and it’s time to pay . . .

Resisting Gossip Matthew C. Mitchell,2013-09-03 With gossip being so prevalent in our culture, it can be hard to resist listening to and sharing stories about other people's business. But what does God say about gossip? In *Resisting Gossip*, Pastor Matt Mitchell not only outlines the scriptural warnings against gossip, but also demonstrates how the truth of the gospel can deliver believers from this temptation.

Winchell Neal Gabler,1995-09-26 Hailed as the most important and entertaining biography in recent memory, Gabler's account of the life of fast-talking gossip columnist and radio broadcaster Walter Winchell fuses meticulous research with a deft grasp of the cultural nuances of an era when virtually everyone who mattered paid homage to Winchell (Time). of photos.

Idol Gossip Alexandra Leigh Young,2021-09-14 Offered a spot at the Star Academy, one of the biggest K-pop companies, seventeen-year-old singer Alice Choy must navigate culture clashes, egos and extreme training practices to come out on top, despite the efforts of an influential blogger trying to tear her down.

The Gossip Nancy Bush,2021-06-29 From New York Times bestselling author Nancy Bush, a gripping page-turner that explores the dark side of popularity, when harmless high school gossip turns deadly... Every word you whisper In high school, rumors can make or destroy a reputation. A thoughtless nickname can turn each day into a living hell. Gossip is irresistible--and contagious. But sometimes, gossip can kill... Every secret you share Mackenzie Laughlin, formerly with Oregon's River Glen police department, has reluctantly agreed to investigate a local woman's disappearance. The case reconnects her with Jesse James Taft, a P.I. gifted at getting under Mac's skin. But when the body is found tangled in river weeds, Mac and Taft realize that the case has changed, from one missing woman to a hunt for a terrifying and relentless killer... Could be your last In his old school yearbooks, they were the pretty, popular ones, confident and callous. Back then, they held the power. But now, it's all his. He's been waiting to teach them the lessons they should have learned long ago: that gossip and popularity have a price, and it's time to pay...

Gossip Girl, Psycho Killer Cecily von Ziegesar,2011-10-03 Welcome to New York City's Upper East Side, where my friends and I live, go to school, play, and sleep-sometimes with each other. It's a luxe life, but someone's got to live it . . . until they die. So begins *Gossip Girl, Psycho Killer*, a re-imagined and expanded slasher edition of the first groundbreaking *Gossip Girl* novel, featuring all new grisly scenes and over-the-top gore by #1 New York Times bestselling author Cecily von Ziegesar. Just as in the original story, Serena returns from boarding school hoping to make amends with her BFF Blair Waldorf--things just haven't been the same since Nate Archibald came between them. But here's where our dark tale takes a turn: Serena decides that the only way for her to make things right with Blair is to eliminate Nate. If that means killing him, well, c'est la vie. Her attempted murder doesn't go unnoticed by Blair, however, who isn't about to let Serena kill whoever she wants-not when there's Cyrus Rose and Chuck Bass and Titi Coates and everyone else who's ever irritated Blair to get rid of first American Psycho's Patrick Bateman has met his match in Manhattan's newest, most fabulous trendsetting serial killers, Blair Waldorf and Serena van der Woodsen.

A Century of Gossip, Or, The Real and the Seeming Willard Glover Nash,1876

Grooming, Gossip, and the Evolution of Language Robin Ian MacDonald Dunbar,1996 Here, the author examines gossip as a form of 'verbal grooming', and as a means of strengthening relationships. He challenges the idea that language developed during male activities such as hunting, and that it was actually amongst women that it evolved.

Gossip and Organizations Kathryn Waddington,2012-08-21 Gossip is a complex and ubiquitous phenomenon, widely found and variously practiced. *Gossip and Organizations* provides the reader with an analysis of gossip and informal knowledge across different national, organizational and cultural contexts, drawing upon empirical findings and the author's experiences of researching gossip in nursing and healthcare organizations and higher educational institutions. Kathryn Waddington aims to dispel once and for all the myth that women gossip and men have conversations, shattering the illusion that gossip at work is trivial talk. This book challenges the assumption that gossip is a problem that should be discouraged. While there is undoubtedly a dark side to gossip, Kathryn Waddington argues that paying closer attention to gossip as organizational communication and knowledge enables exploration of other ways of seeing, interpreting and understanding organizations. Gossip is not merely an impediment of organizing, it is a form of organizing which shapes perceptions and actions, and can forewarn managers of future failure in organizational systems. The complexity of gossip is such that a of range inter-disciplinary explanations is necessary in order to account for this form of communication and knowledge across multiple levels and spaces in and around organizations. Waddington provides a new evidence-based framework incorporating ethics, emotion, identity, sensemaking and power as a guide future research, theorizing and critical reflective and reflexive practice in the field of organizational gossip.

A Gossip's Story Jane West,1796
A Tale of the Times. By the author of A Gossip's Story [i.e. Jane West] ... The second edition ,1799

Gossip Beth Gutcheon,2012-03-20 “A gifted storyteller...her characters are intelligent, brave, and witty...human and real.” —Susan Isaacs, New York Times Book Review The critically acclaimed author of Good-bye and Amen, Leeway Cottage, and More Than You Know, Beth Gutcheon returns with Gossip, a sharply perceptive and emotionally resonant novel about the power of knowing things about others, the consequences of rumor, and the unexpected price of friendship. A story set among the rich, famous, and well-dressed of Manhattan’s Upper East Side, Gossip is a bravura display of this exceptional author’s breathtaking talents, addressing important themes of motherhood, friendship, and fidelity. Every reader who admires the strong, character-driven women’s fiction of Sue Miller, Alice Hoffman, Elizabeth Berg, and Kaye Gibbons should lend an ear to Beth Gutcheon’s Gossip.

Gossip, Epistemology, and Power Karen Adkins,2017-02-22 This book explains how gossip contributes to knowledge. Karen Adkins marshals scholarship and case studies spanning centuries and disciplines to show that although gossip is a constant activity in human history, it has rarely been studied as a source of knowledge. People gossip for many reasons, but most often out of desire to make sense of the world while lacking access to better options for obtaining knowledge. This volume explores how, when our access to knowledge is blocked, gossip becomes a viable path to knowledge attainment, one that involves the asking of questions, the exchange of ideas, and the challenging of preconceived notions.

Good Gossip Jacqueline Carey,1992 Eleven interlocking episodes about the lives of various glamorous Manhattan urbanites.

Gossip File Anna Staniszewski,2015-01-06 Holy fried onion rings! Fun from beginning to end. —Wendy Mass, New York Times bestselling author of 11 Birthdays and The Candymakers on The Dirt Diary The Gossip File: • Chandra lets little kids pee in the pool. • Melody stole \$ from the café register. • Ava isn't who she says she is... Ava is cool. Ava is confident. Ava is really Rachel Lee who is lying her butt off. Rachel is visiting her dad at a resort in sunny Florida and is ready for two weeks of relaxing poolside, trips to Disney World and NOT scrubbing toilets. Until her dad's new girlfriend, Ellie, begs Rachel to help out at her short-staffed café. That's when Rachel kinda sorta adopts a new identity to impress the cool, older girls who work there. Ava is everything Rachel wishes she could be. But when the girls ask Ava to help add juicy resort gossip to their file, Rachel's not sure what to do...especially when one of the entries is a secret about Ellie. Praise for award-winning Author Anna Staniszewski's The Dirt Diary series: Staniszewski keeps the focus on comedy... Gentle fun laced with equally gentle wisdom. Kirkus Rachel's situation and feelings ring true...This realistic read is likely to appeal to middle schoolers and reluctant readers. -School Library Journal I LOVED it...sweet, sensitive, and delicious! —Erin Dionne, author of Models Don't Eat Chocolate Cookies

Gossip Patricia Ann Meyer Spacks,1985

Idle Talk, Deadly Talk Ana Rodríguez Navas,2018-10-22 Chaucer called it spiritual manslaughter; Barthes and Benjamin deemed it dangerous linguistic nihilism. But gossip-long derided and dismissed by writers and intellectuals- is far from frivolous. In Idle Talk, Deadly Talk, Ana Rodríguez Navas reveals gossip to be an urgent, utilitarian, and deeply political practice-a means of staging the narrative tensions, and waging the narrative battles, that mark Caribbean politics and culture. From the calypso singer's superficially innocent rhymes to the vicious slanders published in Trujillo-era gossip columns, words have been weapons, elevating one person or group at the expense of another. Revising the overly gendered existing critical frame, Rodríguez Navas argues that gossip is a fundamentally adversarial practice. Just as whispers and hearsay corrosively define and surveil identities, they also empower writers to skirt sanitized, monolithic historical accounts by weaving alternative versions of their nations' histories from this self-governing discursive material. Reading recent fiction from the Hispanic, Anglophone, and Francophone Caribbean and their diasporas, alongside poetry, song lyrics, journalism, memoirs, and political essays, Idle Talk, Deadly Talk maps gossip's place in the Caribbean and reveals its rich possibilities as both literary theme and narrative device. As a means for mediating contested narratives, both public and private, gossip emerges as a vital resource for scholars and writers grappling with the region's troubled history.

Eventually, you will completely discover a other experience and skill by spending more cash. still when? attain you acknowledge that you require to acquire those all needs in imitation of having significantly cash?
